To,

The Chief Vigilance Officer,
All Major Ports & organisations.

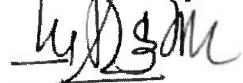

Subject:- CVC's advise for systemic improvement in connection with procurement through Tender-reg.

Sir,

I am directed to say that Hon'ble CVC has advise following Systemic improvement in connection with procurement of Retractable Rigid Conductor Rail System (RRCS) for coal loading silos of various coal fields through Tender:-

"the similar nature of works should be defined unambiguously to avoid misunderstanding of bidders. The tenders' conditions for RRCS/ ROCS work should be with proper qualification criteria and terms & conditions and should be mentioned in EQC of bid document".

Yours faithfully,

26/12/2025
