Sir,

We Brahmaputra Cruise Pvt. Ltd. would like to introduce ourselves as a new company which recently launched its first Luxury River Cruise Liner christened M. V. MANASHPUTRA on the river Brahmaputra in Assam.

The liner completed its first successful long distance cruise from Guwahati to Neemati on 31.01.2010. The liner started from Guwahati on 22nd Jan while Tourists joined the vessel on 24th Jan at Tezpur and cruised till 31st Jan 2010 to finally get down at Neemati.

The cruise was a success and for that we from Brahmaputra Cruise Pvt. Ltd. would like to thank you and IWAI for all the support and necessary help without which the same would not have been possible.

Further, we would like to inform you that our association with IWAI is long back. We in the name of M/S Doley & Associates first started operations with supply of Survey Vessels to the department in year 1992. Since then, we had been associated with the department in many ways and this association has helped us to come up with the different projects along with this new Luxury Cruise Liner on the river Brahmaputra.

Also, since river tourism activities on the river are increasing with more vessels coming up to join the fleet, we believe the channel maintenance works and navigation aids in the future will be further improved with proper dredging facilities, etc.

This is in favour of your kind information and necessary consideration.

Thanking you,

Yours sincerely
for, Brahmaputra Cruise Pvt. Ltd.
