Public Works Secretariat
Notification

No. PWD 104 PSP 03, Bangalore, dated 5th October, 2006

Whereas the draft of the Karnataka Inland Vessels Rules 2005 was published as required by Sub-section (1) of section 74 of the Inland Vessels Act, 1917 (Central Act 1 of 1917) in Notification No. PWD 104 PSP 2003, dated: 23-12-2005 in Part IV-A of the Karnataka Gazette (extraordinary) dated: 23rd December, 2005 inviting objections and suggestions from the persons likely to be affected there by.

Whereas the said Gazette was made available to the Public on 23rd December, 2005.

And whereas no objections and suggestions have been received on the said draft.

Now, therefore, in exercise of the powers conferred by sections 19, 19R and 67 read with section 74 of the Inland Vessels Act, 1917 (Central Act 1 of 1917), the Government of Karnataka hereby makes the following rules, namely:-

CHAPTER - I

PRELIMINARY

1. Title, extent and commencement:- (1) These rules may be called the Karnataka Inland Vessels Rules, 2006.

(2) They shall extend to the whole of the State of Karnataka.

(3) They shall come into force from the date of their publication in the Official Gazette.

2. Definitions:- (1) In these rules unless the context otherwise requires:-

(a) "Act" means the Inland Vessels Act, 1917 (Central Act I of 1917);

(b) "Certificate of Survey" means of the certificate of survey referred to in section 9 of the Act;

(c) "Form" means forms appended to these rules;

(d) "Government" means the Government of Karnataka;

(e) "Registering Authority" means the Officer appointed under section 19B of the Act;

(f) "Schedule" means schedule appended to these rules;

- (g) "Section " means section to the Act;
- (h) "Surveyor" means the Officer appointed Under section 4 of the Act.
- (i) "Vessel" means Inland Vessel as defined in the Act.
- (j) "G.R.T" means Gross Registered Tonnage.
- (k) "N.R.T" means Net Registered Tonnage.

(2) Any term or expression used, but not defined in these rules, shall have the meaning assigned to it in the Act.

CHAPTER –II SURVEY OF VESSELS

3. Application for Survey: (1) The owner or Master of the vessel shall make an application for survey to the Director of Ports and Inland Water Transport in Form No.I, fifteen clear days before the date on which the applicant would like to have the vessel surveyed.

(2) The application shall be accompanied by the following records in respect of the vessel namely:-

- (a) records evidencing the title of the applicant in respect of the vessel.
- (b) receipts evidencing payment of such fees to the Government as specified in the schedule for the survey.
- (c) the latest certificate of survey.
- (d) the latest certificate of registration .

4. Forwardal of application: (1) On receipt of the Application being received by the Director of Ports and Inland Water Transport, it shall be forwarded to the Surveyor for conducting necessary survey.

(2) On receipt of an application along with all enclosures for survey, the Surveyor shall fix the time, date and place of survey and shall give intimation in Form – II thereof to the applicant with a list of requisite preparation for the survey of the vessel.

5. Manner of Survey and the duties of surveyor:- (1) The survey shall be made at the time and on the date and at the place specified in the intimation referred to in sub-rule (2) of rule 4.

Provided it shall be opened to the Surveyor to postpone the survey for reasons to be recorded and in case of such postponement, the survey shall be made only after fresh intimation in the manner herein before provided:

Provided further that the Surveyor may require the vessel to be brought over to dry dock or any other suitable place, if such step is, for reasons to be recorded, considered necessary by the Surveyor for the purpose of the survey and no survey need be made in pursuance of and application unless the directions of the Surveyor in this regard are complied with by the applicant:

Provided also that no survey shall be made on public holiday unless it is mutually convenient for the Surveyor and the applicant and unless the additional fees as provided therefore in these rules are paid by the applicant.

(2) The survey shall be made by actual inspection of the vessel and every part thereof including the machinery thereof and any other article in the vessel, the inspection of which is relevant for the purposes of the Act.

(3) At the survey, the Surveyor shall satisfy himself as to the particulars specified in section 7 of the Act.

- (4) (a) If as a result of the survey any defect material for the purpose of the Act is found in the vessel or in any part thereof or in any machinery or article therein, intimation of such defect shall be given to the applicant with a direction to rectify such defect within the period to be specified in such intimation.
- (b) On receipt of information from the applicant regarding rectification of such defects, further survey shall be made and at such further survey, the Surveyor shall before giving the declaration referred to in section 7, satisfy himself as to the rectification of such defect.
- (c) The Surveyor may refuse to give the declaration referred to in section 7 until the defect is rectified as directed by him.
- (5) Where a vessel offered for survey in pursuance of an application in that behalf by the Owner is withdrawn by the Owner owing to any default or any other act or conduct by the owner and the survey is hindered or made impossible, no survey of the vessel shall be made based on that application, but it shall be open to the owner to file a fresh application for survey.
- (6) (a) The surveyor shall as and when so required by the Director of Ports and Inland Water Transport, furnish to him such information as he has in respect of any vessel and if he is not in possession of such information, he shall obtain such information from the Owner or Master and furnish to the Director of Ports and Inland Water Transport.
- (b) The Owner or Master of the vessel shall be bound to give such information on a requisition in that behalf by the Surveyor.
- (7) Notwithstanding anything in these rules, it shall be competent for the Surveyor to go on board any vessel and inspect it or any part thereof or any machinery or article thereon relevant to the purpose of the Act, if such inspection becomes necessary for or in connection with any of the purposes of the Act.

6. Declaration of Survey:- (1) Every declaration of survey referred under section 7 of the Act by the Surveyor shall be furnished in duplicate to the Director of Ports and Inland Water Transport in Form 3.

(2) The notice to be given under sub section 1 (b) of section 9 of the Act to the Owner or Master by the Director of Ports and Inland Water Transport when a certificate is ready for delivery.

(3) The Director of Ports and Inland Water Transport giving such declaration shall obtain from the Owner or Master of the vessel the current or expired certificate of survey if any in respect of the vessel.

7. Notice: Notice under clause (b) of sub section (1) of section 9 in respect of vessel shall be in Form 4.

8. Application : Every application for a certificate of survey shall be made to such Officer authorised under sub section (2) of section 9 of the Act in Form 5 .

9. Certificate of Survey : The Certificate of survey in respect of a passenger vessel shall be in Form No.6 and that of non passenger vessel shall be in Form No.7.

10. Change of Name : (1) In case change of name vessel in respect of which a certificate of survey had been granted under the Act is desired, the Owner or Master of the vessel shall forward the certificate of survey to the Officer appointed under sub section (2) of section 9 of the Act along with an application in form 8.

(2) Such Officer shall, after due enquiry by himself or through any other Officer, cause such change as is necessary to be effected in the certificate of survey, which shall there upon be returned to the owner.

11. Duplicate Certificate: The Director of Ports and Inland Water Transport on an application made to him by the owner or master of the vessel in this behalf and on payment of the necessary fees as specified in the schedule annexed to these rules issue a duplicate copy of certificate of survey clearly marked thereon as "DUPLICATE" in red ink, if he is satisfied that the original certificate has been destroyed, loss mislaid, mutilated or defaced. With a condition that if the Owner or Master subsequently finds the original certificate, he shall surrender the duplicate certificate forthwith to the Director of Ports and Inland Water Transport.

12. Suspension or Cancellation: No certificate of survey granted under the Act or any endorsement made therein shall be suspended or cancelled except after giving the owner a reasonable opportunity of being heard in respect of the grounds on which suspension or cancellation is proposed.

13. Application for Registration: Every application for registration shall be in Form 9 which shall be accompanied by the following:

- 15. a Statement by the owner that the provisions of the Act and these rules have been complied with.
- 16. a certificate of survey.
- iii) receipt evidencing payment of such fees as specified in the schedule for the registration of the vessel.
- iv) the document of title to the vessel; and
- v) builders certificate.

14. Name of Inland Vessel : (1) When applying for the registry the owner shall specify a few the names which he proposes to adopt for the vessel in the order of preference. If the first or Second or Third Name of the proposed by the owner is the same as or similar to the name by which any other Inland Vessel has previously registered at that place of registry, the registering authority shall register the vessel by that name which has not been registered as on that date which is found in the order of preference.

15. Procedure for Registration: (1) On receipt of the application for registration, the registering authority appointed under clause (b) of sub section (1) of section 19B of the Act shall give the notice in Form 10 to the applicant informing him of the time and date of the enquiry in respect of the vessel.

(2) For the purpose of enquiry under these rules, it shall be competent for such authority:

- (a) to inspect the vessel or any part thereof or any machinery therein or any article therein relevant for the purpose of such enquiry;
- (b) to call for any record from the owner or master of the vessel and examine it in so far as such records are relevant for the purpose of such enquiry; and
- (c) to have such assistance as he deems fit for the purpose of such inspection.

(3) The owner, the master and every member of the crew of the vessel shall afford to such authority all reasonable facilities for the enquiry and furnish such information as the authority requires for the purpose of such enquiry.

(4) The Registering authority shall issue certificate of Registration in form 11

16. Manner of display of distinguishing mark:- (1) The distinguishing mark (hereinafter called the registration mark) assigned to a vessel under section 19H shall be displayed conspicuously on larboard or starboard of the vessel in a prominent place.

(2) The measurement of the letters and figures of the registration mark shall be 15 cm x 18 cm.

17. Book of Registration:- (1) The book of registration referred to in section 19C of the Act shall be in Form 12 which shall be bound volumes with machine numbered pages.

18. Report of Alteration :- (1) The report of alteration referred to in sub-section (1) of section 19J of the Act shall be made by the owner of the vessel within thirty days of the alteration.

19. Suspension of Certificate of Registration:- No certificate of registration shall be suspended under section 19N of the Act after giving the owner a reasonable opportunity of being heard in respect of the grounds on which the suspension of the certificate is proposed.

20. Appeal:- (1) Every appeal under section 19P of the Act shall be in Form 13 which shall be accompanied by the following, namely:-

- (a) two copies (of which at least one shall be in original or an attested copy) of the order appealed against;
 - (b) receipt evidencing payment of the fee for the appeal specified in the schedule.
 - (c) such other records as are necessary for the disposal of the appeal.
- (2) (a) The notice of appeal referred to in sub-section (2) of section 19P of the Act shall be in Form 14 and shall contain the particulars specified therein;
- (b) The notice shall be communicated to the registering authority through post, through a messenger or by any other method which has the effect of communicating the notice under acknowledgement.

21. Duplicate of the Certificate:- (1) The authority which issued the certificate of registration shall issue a duplicate of the certificate of registration to replace a certificate lost, destroyed or mutilated.

Provided that no such duplicate certificate shall be issued unless, -

- (a) in the case of a certificate lost, it is proved to the satisfaction of the authority that all measures possible for tracing out the certificate have been exhausted;
- (b) in the case of the a certificate destroyed, such authority is satisfied after due enquiry that the certificate has actually been destroyed; and
- (c) in the case of mutilated certificate, the owner delivers up such certificate to such authority.

(2) Every duplicate of the certificate shall on the face of it be stamped with the word "Duplicate" in red ink.

(3) in the case of the certificate lost if, subsequent to the issue of the a duplicate certificate, the original certificate is found, the later shall be delivered up to registering authority who shall take such action in respect of the original certificate as he deems fit.

22. Transfer of Vessel:- (1) If a vessel is transferred to any person, whether resident within the State or not, the transferor and the transferee shall make joint report of the transfer to the registering authority concerned within thirty days of such transfer along with a receipt evidencing payment of fees for such transfer:-

Provided that no transfer shall be made to any person resident in any country outside India without the previous approval of the Government.

(2) The certificate of registration in respect of the vessel shall also be surrendered along with such report

(3) Instrument creating a mortgage of a vessel or a share therein shall be in the Form 15.

- (b) A transfer of a mortgage or a share therein shall be in Form 16 ; and
- (c) The discharged of mortgage shall be in Form 17.

(4) On production of the instrument of mortgage or the instrument of discharge of such mortgage the registering authority shall record it on the book of registration to the effect that the Inland Vessel is mortgaged or, as the case may be, the Inland Vessel is discharged from the said mortgage.

(5) It shall be competent for the registering authority appointed under clause (b) of section 19B of the Act to call for and examine any such instrument and any person having custody, possession or control of the instrument shall be bound to make available such instrument to such authority.

23. Fees:- The fees payable under the Act shall be as specified in the Schedule appended to these rules.

24. Re-survey of the Vessel:- Where a resurvey is necessitated on account of any default, at or omission on the part of owner or master or any member of the crew the owner shall be liable to pay fees as if such resurvey were a fresh survey.

25. Refund:- No fee paid under the Act shall be refundable.

26. Vessels owned by Minors:- (1) Where a vessel is registered in the name of a person as the guardian of a minor, the ownership of the vessel shall remain with the minor and on attainment of majority he may apply to the registering authority for altering the entries in the register relating to the vessel.

(2) The registering authority shall then issue a fresh certificate of registry in the name of the applicant.

27. Provisional Certificate of Registry:- (1) Where an application for registry of a new vessel is pending before a registering authority and the registering authority is, having regard to the circumstances of the case, of opinion that the vessel shall not be determined at the place till the issue of the Certificate of registry, he may issue a provisional certificate of registry in Form 18 annexed to these rules.

(2) A provisional certificate shall be valid for such period not exceeding three months as may be specified therein.

Provided that the registering authority may if he is satisfied that, in the circumstances of the case, it is necessary to do so, extend the period of validity by a further period not exceeding two months.

(3) The provisional certificate shall on the expiry of the period of the validity or at the time of the issue of a regular certificate of registry, whichever is earlier, be surrendered to the registering authority.

By Order and in the name of the Governor of Karnataka

N.S. Vishwanath
Under Secretary to Government
Public Works Department (PORTS)
