

NW 4

National Waterway 4 (NW 4) declared on 25.11.2008

The Kakinada-Puducherry stretch of Canals integrated Bhadrachalam - Rajahmundry stretch of River Godavari and Wazira Vijayawada stretch of River Krishna (1078 km)

Phased development

Phase 1: Muktyala to Vijayawada (Krishna River) (82 Km)

Phase 2: Vijayawada - Kakinada and Rajahmundry to Polavaram (233 Km)

Subsequent Phases: Commamur & Buckingham Canals and balance portion of Rivers Krishna & Godavari

Development works in Phase-1 stretch from Muktyala to Vijayawada of Krishna River are in progress.

MoU signed with Govt. of Andhra Pradesh for development of NW-4 in Andhra Pradesh on 14th April'2016.

NW-4 extended by National Waterway act-2016:

Revised length 2890Km

Additional Reaches:

River Krishna from Wazirabad to Galagali (628 KM)

River Godavari from Bhadrachalam to Nasik (1184Km)

Techno-economic feasibility studies are in progress for this extended portion of NW-4
