Office Order

Subject: Communication related to IT Matters – reg.

The internal and external websites, software and portals developed in IWAI for digitization of various processes are not effectively interlinked. Many of the modules within these platforms are scattered and loosely coupled.

- IT-PMU has been set up with the primary objective for identification of gaps or issues and to take measures resolving the same. As part of this initiative, the Competent Authority has directed that all files/matters related to IT initiatives be communicated and routed through IT Section and IT-PMU without exception.

Yours faithfully,

(Santosh Rai)
PCSA
