1. INTRODUCTION

1.1 Background

1.1.1 The Inland Waterways Authority of India (“**Authority**”) is engaged in the development of Ramnagar Multimodal Terminal (“**Terminal**”) located at Varanasi in the State of Uttar Pradesh. The project cost (“**Project Cost**”) of the terminal is approximately INR 210 crore.

1.1.2 The Authority has decided to engage a private entity (“**Contractor**”) to operate the Terminal on ‘ Operation, Maintenance and Transfer’ (“**OMT**”) basis (“**Project**”).

1.1.3 The Authority has decided to carry out an international competitive bidding process for selection of the Contractor.

1.1.4 A brief description of the project may be seen in the Annexure XI of this RFQ. The Authority intends to qualify and short-list suitable Applicants (“**Bidders**”) who will be eligible for participation in the Bid Stage (“**Bid Stage**”). The Bid Stage shall involve a competitive bidding process in accordance with the procedure set out in the Request for Proposal (“**RFP**”) that shall be shared with the Bidders. Pursuant to the Bid Stage, the Authority shall select a suitable private entity who shall be declared as the selected Bidder (“**Selected Bidder**”).

1.1.5 The Selected Bidder shall be required to incorporate an SPV under the Companies Act, 2013 and shall be responsible for the Project as per the provisions of all applicable laws including but not limited to the National Waterways Act, 2016 or any subsequent enactment on the subject and in accordance with the provisions of operation, maintenance and transfer agreement (“**OMT Agreement**”) to be entered into between the Authority and the Contractor in the form provided by the Authority as part of the Bidding Documents pursuant hereto.

1.1.6 The details of expansion phases of the Terminal are set out in the Detailed Project Report (“**DPR**”) and would be provided along with RFP to the shortlisted applicants.

1.1.7 The expansion of the Terminal would comprise Phase 2 which is outside the scope of the current Project. There shall be a separate bid process for Phase 2.

1.1.8 The SPV for Phase 1 shall have the Conditional Right of First Refusal (“**CROFR**”) in the bid processes for Phase 2 of the Terminal and a Multimodal freight village (“**Freight Village**”) being proposed to be developed close to the Terminal. In the event, the SPV participates in the bids and is not the successful bidder but its bid is within the range of 10 (ten) percent of the most competitive bid received, the SPV can enforce the CROFR by matching the first ranked bid in terms of the selection criterion, subject to the condition that the SPV has satisfactory performance without any material default under the OMT Agreement at the time of exercising the CROFR. A material default is one that entitles the Authority to suspend its obligations and/ or terminate the OMT Agreement. The provisions of the CROFR shall cease to have effect upon the expiry of the OMT Agreement Period for Phase 1.

1.1.9 The Authority shall receive Applications pursuant to this RFQ in accordance with the terms set forth herein as modified, altered, amended and clarified from time to time by the Authority till the Application Due Date. All Applications shall be prepared and submitted in accordance with such terms on or before the date specified in Clause 1.3 for submission of Applications (the “**Application Due Date**”)

1.2 Brief description of Bidding Process

1.2.1 The Authority has adopted a two-stage bidding process (collectively referred to as the “**Bidding Process**”) for selection of the bidder for award of the Project. The first stage (the “**Qualification Stage**”) of the process involves qualification (the “**Qualification**”) of interested parties/ consortia who make an Application in accordance with the provisions of this RFQ (the “**Applicant**”, which expression shall, unless repugnant to the context, include the Members of the Consortium).

1.2.2 Document Fee

(a) The Applicant along with the application shall pay to the Authority a sum of INR 21,000 (INR Twenty One Thousand) as the processing fee of the RFQ document (“**Document Fee**”) in the form of a demand draft, issued by a scheduled Indian bank in favour of ‘**IWAI Fund**’ payable at **Noida, Uttar Pradesh, India**.

(b) Any Application not accompanied by the Document Fee shall be summarily rejected by the Authority and treated as non- responsive.

1.2.3 The Government of India has issued guidelines (see Annexure-X) for qualification of bidders seeking to acquire stakes in any public sector enterprise through the process of disinvestment. These guidelines shall apply *mutatis mutandis* to this Bidding Process. The Authority shall be entitled to disqualify an Applicant in accordance with the aforesaid guidelines at any stage of the Bidding Process. Applicants must satisfy themselves that they are qualified to bid, and should give an undertaking to this effect in the form at Annexure-I.

1.2.4 In the Qualification Stage, the Applicants would be required to furnish all the information specified in this RFQ. Only those Applicants that are short-listed by the Authority shall be invited to submit their Bids for the Project in the Bid Stage.

1.2.5 At the end of the Qualification Stage, the Authority would announce a list of 6 (six) shortlisted applicants, who shall be issued the RFP for the Bid Stage. In the event, one or more of the Bidders do not procure the Bidding Documents, the Authority reserves the right to include other applicants into the pool of the shortlisted applicants for the Bid Stage.

1.2.6 In the Bid Stage, the Bidders will be called upon to submit their financial offers (“**Bids**”) in accordance with the RFP and other documents to be provided by the Authority (collectively the “**Bidding Documents**”). The Bidding Documents for the Project will be provided to every Bidder on payment of a process fee for the RFP which will be specified by the Authority under the RFP. The Bid shall be valid for a period of not less than 120 (one hundred and twenty) days from the date specified in Clause 1.3 for submission of bids (“**Bid Due Date**”).

1.2.7 In the Bid Stage, the Bidder will be required to deposit, along with its Bid, a bid security of INR 2 crore (INR two crore) (“**Bid Security**”), refundable no later than 180 (One hundred and eighty) days from the Bid Due Date, except in the case of the Selected Bidder whose Bid Security shall be retained till he provides a Performance Security under the OMT Agreement. The Bid Security shall be submitted in the form of a bank guarantee, acceptable to the Authority. The validity period of the Bank Guarantee shall not be less than 180 (one hundred and eighty) days from the Bid Due Date, inclusive of a claim period of 60 (sixty) days, and shall be extended as may be mutually agreed between the Authority and the Bidder from time to time. The Bid shall be summarily rejected if it is not accompanied by the Bid Security.

1.2.8 Generally, the Highest Bidder shall be the Selected Bidder. The remaining Bidders shall be kept in reserve and may, in accordance with the process specified in the RFP, be invited to match the Bid submitted by the Highest Bidder in case such Highest Bidder withdraws or is not selected for any reason. In the event that none of the other Bidders match the Bid of the Highest Bidder, the Authority may, in its discretion, invite fresh Bids from the remaining Bidders or annul the Bidding Process, as the case may be.

1.2.9 During the Bid Stage, Bidders are invited to examine the Project in greater detail, and to carry out, at their cost, such studies as may be required for submitting their respective Bids for award of the contract including implementation of the Project.

1.2.10 The Selected Bidder shall pay a Royalty (“**Royalty**”) in terms of INR per metric ton (“**MT**”) of cargo handled at the terminal to the Authority. The Royalty shall be the sum of Base Rate (“**Base Rate**”) and Additional Fee (“**Additional Fee**”). The Base Rate (in INR per MT) may be defined by the Authority in the Bidding Documents for key cargo categories such as bulk, break-Bulk, containers and liquid cargo etc. The bidding parameter (“**Bid Parameter**”) may be the Additional Fee in percentage terms to be paid over and above the Base Rate to the Authority.

1.2.11 The Project shall be awarded to the Bidder quoting the highest additional fee in percentage terms. The Bid Parameter shall be quoted in 2 decimals, for instance, 9.87%. If the Base Rate, say, for bulk cargo is INR 100 per MT and the winning bidder has quoted an additional fee of 9.87%, the Royalty payable by the Operator to the Authority shall be INR 109.87 per MT. The exact details shall be clarified in the Bidding Documents.

1.2.12 The OMT Agreement period shall be for 30 years from the date of signing of the OMT agreement (“**Appointed Date**”).

1.2.13 The Operator shall pay Royalty to the Authority for the period commencing from the 3rd (third) anniversary of the Appointed Date till the end of Agreement Period or on termination whichever is earlier.

Annexure X: Guidelines of the Department of Disinvestment

(Refer Clause 1.2.3)

No. 6/4/2001-DD-II

Government of India Department of Disinvestment

Block 14, CGO

Complex,

New Delhi. Dated 13 July, 2001.

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.
- (b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- (c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.

(d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.

(e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.

(f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.

(g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
