

MINUTES OF THE PRE-BID MEETING HELD ON 20.7.2015 AT IWAI, H.O. NOIDA IN RESPECT OF TENDER FOR CAPITAL DREDGING, WIDENING, BANK PROTECTION ETC. IN EDAPPALLYKOTA - KOLLAM STRETCH OF NW-3

Clarifications on queries submitted by Bidders			
Sl. No.	Reference to Tender	Details of queries	Reply
A	M/s IMS SHIP MANAGEMENT Pvt. Ltd.		
1	Pg.6 Clause V	Average annual financial turnover on construction works should be at least 100% of the estimated cost during the immediate last 3 consecutive financial years and should not have incurred any loss in more than two years during the last five years ending March of the previous financial years.	
		(i) Please clarify whether dredging work can be considered as construction work.	The word “ construction ” may be read as “ similar ”. The similar works have been defined as “dredging on rivers / canals / reservoir or ports or inland waterways and construction of bank protection.” The query stands clarified in view of above change.
		(ii) Average annual financial turnover on construction works can be reduced to 40% instead of 100% of the estimated cost.	The Average annual financial turnover has been kept as 100% of the estimated cost based on CPWD works manual and cannot be reduced.
2		Please clarify if Joint Ventures are allowed.	JV is not allowed as per tender.
3	Pg. 6 Clause III	Experience of having successfully completed similar works i.e., dredging on rivers/canals/reservoir or ports or inland waterways and construction of bank protection during last 7 years ending last day of month previous to the one in which this tender is invited. Please clarify whether only dredging experience will considered for pre - qualification.	The bidders should have experience of dredging works as well as construction of bank protection as per tender document.
