- b] Make any modification in terms & conditions of tender, which is not acceptable to the IWAI, then the IWAI shall, without prejudice to any right or remedy, be at liberty to forfeit the EMD absolutely.
- c] The successful Bidder fails to furnish in full all the information as required by the tender, withdraws his tender or refuses to sign the contract in accordance with Clause - 24 of "Instructions to the Bidder" on issue of letter of intent, or refuses to provide the Security Deposit in accordance with Clause 3 of "General Conditions of the Contract".

4.3 The EMD will be returned to the unsuccessful Bidder after finalization of the tender and no interest will be paid on EMD.

5.0 Submission of Bid

The submission of bid by any Bidder(s) shall itself imply that the Bidder(s) has read and understood the tender documents, contract, terms and condition, wherein, further that he has understood the details of works and has made all such inquiries as may be necessary so as to satisfy himself as regards the entire scope of work specified in the tender document. And upon such satisfaction the Bidder(s) has found himself capable to perform all obligations mentioned under the tender document if adjudged successful bidder.

Bidder(s) shall be individual firm or Joint Venture (JV) or an Indian lead firm supported by another firm (s) (Indian). The bidder has to submit documentary proof of "intent of forming JV/consortium" on Rs.100/- notarized stamp paper at the time of submission of bid. However, successful bidder is required to submit proof of registration of JV/consortium before award of work. Experience of individual firms of the JV will also be considered for evaluation.

Joint venture is allowed with two or more partners. The lead partner should have minimum 51% equity participation. If a Bidder constitutes (under applicable laws) a joint venture they shall submit and comply with the following requirements;

a). There shall be a Joint Venture Agreement specific for the contract between the constituent firms, indicating clearly, amongst other things, the proposed distribution of responsibilities both financial as well as technical for execution of the work amongst them. For the purpose of this clause, the most experienced lead partner will be the one defined. A copy of the Joint Venture agreement in accordance with requirements mentioned shall be submitted along with the bid.

b). The bid, and in the case of the successful bidder, the Form of Agreement, etc., shall be signed and/ or executed in such a manner as may be required for making it legally binding on all partners (including operative parts of the ensuing Contract in respect of Agreement of Arbitration, etc.). On award of work, the Form of Agreement and Contract Documents shall be signed by all partners of the Joint Venture to conclude Contract Agreement.

c). Lead partner shall be nominated as being partner-in- charge; and this authorization shall be evidenced by submitting a power of attorney, duly notarized, signed by the legally authorized signatories of all the partners.

d). The partner-in-charge shall be authorized to incur liabilities and to receive instructions for and on behalf of the partners of the Joint Venture, whether jointly or severally, and entire execution of the Contract (including payment) shall be carried out exclusively through the partner-in-charge. A copy of the said authorization shall be furnished in this Bid.

e). All partners of the Joint Venture shall be liable jointly and severally for the execution of the Contract in accordance with the Contract terms, and a relevant statement to this effect shall be included in the authorization mentioned under sub clause (c) above as well as in the Form of Bid and the Form of Agreement (in case of a successful bidder).

f). In the event of default by any partner, in the execution of his part of the Contract, the Employer shall be so notified within 30 days by the partner-in-charge, or in the case of the partner-in-charge being the defaulter, by the partner nominated as partner-in-charge of the remaining Joint Venture. The partner-in-charge shall, within 60 days of the said notice, assign the work of the defaulting partner to any other equally competent party acceptable to the Employer to ensure the execution of that part of the Contract, as envisaged at the time of bid. Failure to comply with the above provisions will make the Consultant liable for action by the Employer under the Conditions of Contract. If the Most Experienced i.e. Lead Partner defined as such in the Communication approving the qualification defaults, it shall be construed as default of the Consultant and Employer will take action under the Conditions of Contract.

g). Notwithstanding the permission to assigning the responsibilities of the defaulting partner to any other equally competent party acceptable to the Employer as mentioned in sub clause (f) above, all the partners of the Joint Venture will retain the full and undivided responsibility for the performance of their obligations under the Contract and/ or for satisfactory completion of the Works.

h). The bid submitted shall include all the relevant information as required and furnished separately for each partner of the Joint Venture.

5.1 In case the Bidder is a Consortium, it shall comply with the following additional requirements:

(a) Number of members in a consortium shall be two or more partners;

(b) The proposal should contain the information required for each member of the Consortium;

(c) Members of the Consortium shall nominate one member as the lead member (the “Lead Member”), who shall have an equity share holding of at least 51% (fifty one per cent) of the paid up and subscribed equity of the Hydrographic Survey Contractor during the License Period. The nomination(s) shall be supported by a Power of Attorney, as per the format at APPENDIX-I (A)., signed by all the other members of the Consortium;

- (d) The Proposal should include a brief description of the roles and responsibilities of individual members, particularly with reference to financial and technical obligations;
- (e) The members of a Consortium shall incorporate a special purpose vehicle as Hydrographic Survey Contractor under the provisions of Companies Act, 1956, (as their wholly owned subsidiary) to execute the Project, if awarded to the Consortium;
- (f) Members of the Consortium shall enter into a binding Joint Bidding Agreement, for the purpose of making the Proposal. The Jt. Bidding Agreement, to be submitted along with the Proposal, shall, inter alia
- (i) Convey the intent to form with shareholding/ ownership equity commitment(s) in accordance with this TENDER DOCUMENT, which would enter into the Contract and subsequently perform all the obligations of the bidder in terms of the Contract,
 - (ii) Clearly outline the proposed roles and responsibilities of each member;
 - (iii) Commit that in case such consortium of entities is the Preferred Bidder, the Preferred Bidder shall incorporate a wholly owned special purpose company under the provisions of Indian Companies Act, 1956, as the Hydrographic Survey Contractor; in who's subscribed and paid up capital, the Preferred Bidder shall collectively hold 100% equity during the License Period.
 - (iv) The Lead Member of such Preferred Bidder consortium shall at all time during the License Period hold equity equivalent to at least 51% of the subscribed and paid up capital of the Hydrographic Survey Contractor. Further, other consortium members whose technical/financial eligibility shall have been used for the purpose of qualification under this TENDER DOCUMENT shall hold at least 26% equity in the subscribed and paid up capital of Hydrographic Survey Contractor/operator during the License Period; Provided however that Authority may in its sole and absolute discretion permit a consortium member to divest [in full/partially] its equity shareholding in the subscribed and paid up capital of the Hydrographic Survey Contractor.
 - (v) Include a statement to the effect that all members of the Consortium shall be liable jointly and severally for all obligations of the Bidder consortium in relation to the Project until the expiry of the contract.
 - (vi) Statement of Legal Capacity as per Appendix-I(C);
 - (vii) Copy of Memorandum and Articles of Association of the both members of the Consortium;
 - (viii) Appendix-I(B) providing summary of Financial capacity of the Bidder.
- (g) Except as provided under this TENDER DOCUMENT and the Bidding Documents, there shall not be any amendment to the Jt. Bidding Agreement without the prior written consent of the Authority.
- (h) No change in the composition of a Consortium will be permitted by the Authority during the Bidding process
- (i) In computing the Technical Capacity and Financial Capacity of the Bidder/ Consortium Members, the Technical Capacity and Financial Capacity of their respective Associates would also be eligible as per the terms hereunder.
- If the Bidder is a public listed company, it shall submit a copy of its Annual Financial statements for the last 3 (three) financial years preceding the Proposal Due Date clearly setting out the relationship of Associates with the entity whose technical/financial capacity is relied upon. In case a bidder [other than a public listed company], relies on the eligibility capacity of its Associates, they shall be required to submit a Certificate from their respective statutory auditors stating that the entity whose Technical/Financial Capacity is considered for the purposes of this TENDER DOCUMENT and the Bidder are Associates in terms hereof. In case the experience of Associate is claimed by a Bidder, the Bidder shall ensure that such entity continues to remain its Associate through the term of Contract.
- For purposes of this TENDER DOCUMENT, Associate means, in relation to the Bidder/ Consortium Member, a person who controls, is controlled by, or is under the common control with

such Bidder/ Consortium Member (the “Associate”). As used in this definition, the expression “control” means, with respect to a person which is a company or corporation, the ownership, directly or indirectly, of more than 50% (fifty per cent) of the voting shares of such person, and with respect to a person which is not a company or corporation, the power to direct the management and policies of such person by operation of law.

(j) The Bidder shall enclose with its Proposal, to be submitted as per the format at Appendix-I(A), complete with its Annexes, the following:

(a) Technical Capacity:

For demonstrating the technical capacity, bidder is required to submit the following:

(i) Project Experience: Certificate of Incorporation of the project company along with certified copies of the audited financial results for last three financial years preceding the Proposal Due Date in case experience is claimed as a owner and/or operator of the Eligible Project

(ii) Certificate(s) from its statutory auditors or the concerned client stating the nature of association of the bidder with the project(s) for which eligibility is claimed (refer Appendix I - E).

(iii) In case of operator only, duly notarized Certificate of Incorporation of the owner company (client) as well as of the operator and certificate (work order, completion certificates/ agreements) from the owner for nature of association for the eligible projects

(b) Financial Capacity

(i) Certificate(s) from its statutory auditors specifying the Net Worth of the Bidder, in the financial year preceding the Proposal Due Date and also specifying that the methodology adopted for calculating such Net Worth conforms to the provisions of this Clause. For the purposes of this TENDER DOCUMENT, net worth (the “Net Worth”) shall mean the sum of subscribed and paid up equity and reserves from which shall be deducted the sum of revaluation reserves, miscellaneous expenditure not written off and reserves not available for distribution to equity share holders.

(ii) Certificate from its statutory auditors stating the annual turnover of the bidder in relation to the Eligible Projects during each of the preceding three (3) years before the Proposal Due Date.

- 5.4 Any neglect or omission or failure on the part of the contractor in obtaining necessary and reliable information upon the foregoing or any other matter affecting the contract shall not relieve the Contractor, of his responsibility/any risk/liability for completion of the work in strict accordance with the terms of the Contract.

CLAUSE – 6: CONTRACT DOCUMENTS

- 6.1 The language in which the contract documents shall be drawn up shall be English and if the said documents are written in more than one language, the language according to which the contract is to be constructed and interpreted shall be English and designated as the 'Ruling Language'.

- 6.2 The Contractor shall be furnished free of charge certified true copy of the contract document.
- 6.3 A copy of the Contract Documents furnished to the Contractor as aforesaid shall be kept by the Contractor on the Site in good order and the same shall at all reasonable time be available for inspection and use by the Engineer-in-Charge, his representatives or by other Inspecting officers of the IWAI.
- 6.4 None of these Documents shall be used by the Contractor for any purpose other than that of this contract.

CLAUSE – 7: DISCREPANCIES AND ADJUSTMENT OF ERRORS

- 7.1 Detailed drawings shall be followed in preference to small-scale drawings and figured dimensions in preference to scaled dimensions. The case of discrepancy between the Schedule of Quantities and prices, the Specifications and/ or the drawings, the following order of precedence shall be observed : -
- (a) Description in the Schedule of Quantities and Prices.
 - (b) Relevant Specifications and Special Conditions, if any.
 - (c) Drawings.
 - (d) General Specifications.
- 7.2 The contractor shall study and compare the drawings, specifications and other relevant information given to him by the Engineer-in-Charge and shall report in writing to the Engineer-in-Charge any discrepancy and inconsistency which he notes. The decision of the Engineer-in-Charge regarding the true intent and meaning of the drawings and specifications shall be final and binding.
- 7.3 Any error in description, quantity or price in Schedule of Quantities and Prices or any omission there from shall not vitiate the Contract or release the Contractor from the execution of the whole or any part of the Works comprised therein according to drawings and specifications or from any of his obligations under the contract.
- 7.4 If on check there is difference in the amount worked out by contractor in the schedule of quantities and prices and General summary the same shall be adjusted in accordance with the following rules:
- (a) In the event of error occurring in the amount column of schedule of quantities and prices as result of wrong multiplication of unit price and quantity, the unit price shall be regarded, as firm and multiplication shall be amended on the basis of the quoted unit price.
 - (b) All errors in totaling in the amount column and in carrying forward totals shall be corrected.
 - (c) The totals of various sections of schedule of quantities and price amended shall be carried over to the General Summary and the tendered sum amended accordingly. The tendered sum so altered shall, for the purpose of tender, be substituted for the sum originally tendered and considered for acceptance instead of the original sum quoted by the bidder. Any rounding off of quantities or in sections of schedule of quantities and prices or in General summary by the bidder shall be ignored.

CLAUSE-8: DUTIES AND POWERS OF THE ENGINEER-IN-CHARGE REPRESENTATIVE

- 8.1 The duties of the representative of the Engineer-in-Charge are to watch and supervise the works and to test and examine any equipment to be used or workmanship employed in connection with the works.
- 8.2 The Engineer-in-Charge may, from time to time in writing, delegate to his representative any of the powers and authorities, vested in the Engineer-in- Charge and shall furnish to the contractor a copy of all such written delegation of powers and authorities. Any written instruction or written approval given by the representative of the Engineer-in-Charge to the contractor within the terms of such delegation shall bind the contractor and the IWAI as though it has been given by the Engineer-in-Charge.
- 8.3 Failure of the representative of the Engineer-in-Charge to disapprove any work or equipment shall be without prejudice to the power of the Engineer-in-Charge thereafter to disapprove such work or equipment and to order the pulling down or removal thereof. The contractor shall, at his own expense, again carry out such works as directed by the Engineer-in-Charge.
- 8.4 If the Contractor is dissatisfied with any decision of the representative of the Engineer-in-Charge, he will be entitled to refer the matter to the Engineer-in- Charge who shall thereupon confirm, reverse or vary such decision and the decision of the Engineer-in-Charge in this regard shall be final and binding on the contractor.

CLAUSE – 9: ASSIGNMENT AND SUB-LETTING

The Contractor shall not sub-let, transfer or assign the whole or any part of the work under the contract. Provided that the Engineer-in-Charge may at his discretion, approve and authorize the Contractor to sub-let any part of the work, which in his opinion, is not substantial, after the contractor submits to him in writing the details of the part of the work(s) or trade proposed to be subject, to name of the sub-contractor thereof together with his past experience in the said work/trade and the form of the proposed sub-contract. Nevertheless any such approval or authorization by the Engineer-in-Charge shall not relieve the contractor from his any or all liabilities, obligations, duties and responsibilities under the contract. The contractor shall also be fully responsible to the IWAI for all the acts and omissions of the sub-contractor, his employees and agents or persons directly employed by the contractor. However, the employment of piece rate works shall not be construed as sub-letting.

41.8 The Arbitrator shall give reasons for the award if the amount of claim in dispute is Rs. 1,00,000/- and above.

41.9 The work under this Contract shall continue during Arbitration proceedings and no payments due from or payment by the Authority shall be withheld on account of such proceedings except to the extent which may be in dispute.

41.10 The Arbitration and Conciliation Act 1996 with any statutory modifications or re-enactment thereof and the rules made there under and being in force shall apply to the Arbitration proceedings under this clause.

41.11 The parties to the agreement hereby undertake to have recourse only to arbitration proceedings under for Arbitration Act 1996 and the venue of the arbitration proceeding shall be Noida/ New Delhi and the parties will not have recourse to Civil Court to settle any of their disputes arising out of this agreement except through arbitration.

NOTE: In case of contract with another Public Sector Undertaking, following Arbitration Clause shall apply: "Except as otherwise provided, in case of a contract with a public Sector Undertaking if at any time any question dispute or difference whatsoever arises between the parties upon or in relation to, or in connection with this agreement, the same shall be settled in terms of the Ministry of Industry, Department of Public Enterprises O.M No. 3/5/93-PMA dt.30.06.93 or any modifications / amendments thereof. "The arbitrator shall have the power to enlarge the term to publish the award with the consent of the parties provided always that the commencement or continuation of the arbitration proceeding shall not result in cessation or suspension of any of other rights and obligations of the parties of any payments due to them hereunder.

CLAUSE – 42: VALIDITY OF TERMS & CONDITIONS

42.1 The parties agree that if any term or provision of this contract is declared by a Court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be effected and the right and obligations of the parties shall be construed and enforced as if this contract did not contain the particular term or provision held to be invalid.

CLAUSE – 43: DEFECT LIABILITY PERIOD

43.1 Defect Liability period will be till clearance of final bill after recovering all losses, damages etc.

CLAUSE – 44: WHEN THE CONTRACT CAN BE DETERMINED

36.1 Subject to other provisions contained in this clause, the Engineer-in-Charge may, without prejudice to his any other rights or remedy against the contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this contract or otherwise, and whether the date of completion has or has not elapsed, by notice in writing absolutely determine the contract in any of the following cases:

- (i) If the contractor having been given by the Engineer-in-Charge a notice in writing to rectify, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or unworkman like manner shall omit to comply with the requirement of such notice for a period of seven days thereafter.
- (ii) If the contractor has, without reasonable cause, suspended the progress of the work or has failed to proceed with the work with due diligence so that in the opinion of the Engineer-in-Charge he will be unable to secure completion of the work by the date for completion and continues to do so after a notice in writing of seven days from the Engineer-in-Charge.
- (iii) If the contractor fails to complete the work within the stipulated date or items of work with individual date of completion, if any stipulated, on or before such date(s) of completion and does not complete them within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge.
- (iv) If the contractor persistently neglects to carry out his obligations under the contract and/ or commits default in complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-Charge.

- (v) If the contractor shall offer or give or agree to give to any person in IWAI service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of contract.
- (vi) If the contractor shall enter into a contract with IWAI in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Engineer-in-Charge.
- (vii) If the contractor shall obtain a contract with IWAI as a result of wrong tendering or other non-bonafide methods of competitive tendering or commits breach of integrity pact.
- (viii) If the contractor being an individual, or if a firm, any partner thereof shall at any time be adjudged insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any Insolvency Act for the time being in force for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors.
- (ix) If the contractor being a company shall pass a resolution or the court shall make an order that the company shall be wound up or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or the creditor to appoint a receiver or a manager or which entitle the court to make a winding up order.
- (x) If the contractor shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days.
- (xi) If the contractor assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or otherwise parts with or attempts to assign, transfer, sublet or otherwise parts with the entire works or any portion thereof without the prior written approval of the Engineer -in-Charge.

When the contractor has made himself liable for action under any of the cases aforesaid, the Engineer-in-Charge on behalf of the IWAI with the approval of the competent authority mentioned in schedule 'B' shall have powers:

- (a) To determine the contract as aforesaid (of which termination notice in writing to the contractor under the hand of the Engineer-in-Charge shall be conclusive evidence). Upon such determination, the Earnest Money Deposit, Security Deposit already recovered and Performance Guarantee under the contract shall be liable to be forfeited and shall be absolutely at the disposal of the IWAI.
- (b) After giving notice to the contractor to measure up the work of the contractor and to take such whole, or the balance or part thereof, as shall be un-executed out of his hands and to give it to another contractor to complete the work. The contractor, whose contract is determined as above, shall not be allowed to participate in the tendering process for the balance work.

In the event of above courses being adopted by the Engineer-in-Charge, the contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or

with a view to the execution of the work or the performance of the contract. And in case action is taken under any of the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereof or actually performed under this contract unless and until the Engineer-in-Charge has certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.

6.0 TECHNICAL & SPECIAL CONDITIONS

Technical Conditions:

1. OBJECTIVE:

The objective of the contract is to conduct **detailed Hydrographic Survey in Eluru Canal (65 Kms) from Eluru to Vijayawada and in Krishna River (153 Kms) from Vijayawada to Wazirabad (National Waterway No. 4)**, for assessment of river training works and further development cost for eco-friendly navigation.

2. Terms of Reference (ToR) for undertaking detailed Hydrographic Survey in Eluru Canal (65 Kms) from Eluru to Vijayawada and in Krishna River (153 Kms) from Vijayawada to Wazirabad (National Waterway No. 4).

The Scope of work shall cover all technical aspects of hydrographic survey at par with International Standards including the following for development of the river/canal for inland navigation:-

The detailed hydrographic survey is to be carried out by using Automated Hydrographic Survey System (using digital Echo sounder for depth measurement, DGPS Beacons Receivers for position fixing and Hypackmax or equivalent software for data logging). The survey is to be conducted in WGS'84 datum.

The horizontal control is to be made from either one of the following methods:-

- i. Transfer of positions from GTS Bench Marks or position established at bridges, barrages, Railway Stations etc.
- ii. Using RTK GPS with minimum 24 hours observations at some permanent platform/base.
- iii. DGPS receiving direct Satellite corrections or receiving DGPS corrections from Beacons.
- iv. IWAI is already having permanent Bench Mark Pillar at Eluru and that can further be used for fixing of positions.

The vertical control is to be established with respect to the chart datum / sounding datum from the following methods:-

- i. Chart datum/ sounding datum already established by Port Authorities, Central Water Commission/ State Irrigation Department and at their gauge stations along the river/canal.
- ii. Standard method shall be adopted for transfer of datum in rivers/canals. For tidal reaches standard transfer of datum as per Admiralty Manual shall be adopted.
- iii. IWAI is already having permanent Bench Mark Pillars at Eluru and that can further be used for fixing of datums.

Other Terms of Reference for the survey work shall be as given below: -

BENCH MARK PILLARS

- a. Construct Bench Mark Pillars of dimension 0.3m x 0.3m x 1.5m (0.6m above GL) RCC pillar with 6mm thick 50mm dia GI pipe inserted (as per construction drawing of Survey Pillar in the tender document), at every 10km interval. Detailed description of the bench mark along with its position and value to be given in the report for future recovery.

WATER LEVEL GAUGES

- i. Water level gauges are to be erected at every 10 km interval along the canal/river

Readings are to be taken at 1 hr interval for 12 hours (6 AM to 6 PM) or for the entire period of survey. The gauges are to be connected to a nearest Bench Mark by leveling and its datum value shall be established w.r.to MSL & CD. Water level gauges are to be installed temporarily during the survey period.

- b. At least 2 gauges (one U/s and one D/s at 10 Km apart) shall be read simultaneously and soundings to be carried out within the gauge stations. Soundings are to be reduced for datum of a gauge for 5km length of the canal/river on both side of a gauge.

BATHYMETRIC AND TOPOGRAPHICAL SURVEY

- c. Bathymetric and Topographical survey in Eluru Canal is to be conducted for 100m wide corridor, to assess the extent of land acquisition required for 100m wide corridor (100m wide corridor includes width of the canal). Permanent structures located within this corridor are also required to be indicated on the report & charts.
- d. Cross-section sounding lines are to be run from bank to bank at 50m interval in Eluru Canal and at 100m interval in Krishna river, to identify the navigable channel.
- e. Continuous soundings are to be taken by running the sounding boat at constant speed on the cross-section so as to get smooth contours. Intermediate line is to be run at bends, if the line spacing is more than the specified above.
- f. For cross-sectional bathymetric survey more than 60m in Eluru canal, spot levels at 50m line spacing x 20m length grid, on both banks should be taken. If Island or sandchur exist in the middle of the canal, spot levels on the same spacing should also be taken and indicated in the charts along the same cross-section line.
- g. If bathymetry cross-section is limited up to 60 mts width in Eluru canal, then Contractor has to cover 100m corridor including spot levels in 50m line spacing x 20m length of canal (50m x 20m grid) on both banks.
- h. If bathymetry cross-sectional is limited up to 20 mts width in Eluru canal, then Contractor has to run three (03) nos. longitudinal lines. One in centre and one each at equal interval (near the edges of water).
- i. If bathymetry cross-sectional is limited up to 10 mts width in Eluru canal, then Contractor has to run one (01) no. longitudinal line at centre only. No payment will be made for running longitudinal lines other than above.
- j. **For Eluru Canal:** Spot levels at 50m x 20m grid are to be taken on both banks of the canals beyond water line for 100 m corridor (100m corridor includes canal width, where canal width is less than 100m). Spot levels at 50m x 20m grid are to also be taken on both banks for wider portions where width is more than 100m.
- k. **For Krishna river:** Spot levels at 100m line spacing x 25m grid are to be taken on both banks of the river beyond water line up to 50m after high bank on both the banks. If Island or sandchur exist in the middle of the river, spot levels on the same spacing should also be taken and indicated in the charts along the same cross-section line.
- l. Surveys in non-approachable areas are to be informed by the Contractor and joint inspection (Contractor's representative & Engineer-In-Charge or his representative) will be held to confirm the non-approachable areas.
- m. *The survey area consists of canal sections, rivers, sea openings of different dimensions. Hence, a standard width cannot be specified. Bidder has to inspect the area to be surveyed and satisfy themselves with respect to site conditions before submission of bid. Line km in the BOQ caters both bathymetric & spot levels. However, variation in quantity is $\pm 20\%$.*
- n. The soundings are to be reduced to the chart datum/ sounding datum established at every gauge stations.

CURRENT VELOCITY AND DISCHARGE MEASUREMENT

- o. The current velocity and discharge at every 10 km interval shall be observed once in a day during the survey period. Current velocity and discharge at every 10 km interval are to be measured only once at different depths while carrying out survey in that region.
- p. Current meter measurement should be taken at depth surface, 0.5d, 0.3d and d (d-measured depth of water) & values indicated in the report along with position.
- q. Measurements at different depths may be taken by single equipment over three different time spans.
- r. Measurement of current velocity at different depth is to be measured for at least 15 minutes or as per listed calibration period of the equipment, under use for this project.
- s. Current velocity and discharge can also be measured with the help of ADCP during survey, at every 10km interval.

WATER AND BOTTOM SAMPLES

- s. Water and bottom samples are to be collected from the deepest route at every 10 km interval and are to be tested and the results/characteristics of the soil and the water are to be incorporated in the report. Soil sample can be collected by a grab and water sample at depth surface, 0.5d, 0.3d & d (d-measured depth of water) by any approved systems. The following tests are to be carried out for Bottom samples:-
 - i) Grain size distribution
 - ii) Specific gravity,
 - iii) PH value
 - iv) Cu, Cc
 - v) Clay silt%and Sediment concentration for Water Samples.

SURVEY CHART AND REPORT PREPARATION

- t. The survey chart is to be prepared on a scale of 1:1,000 for canal and of 1:5,000 for rivers.
- u. Contours of 0m, 1m, 1.8m, 3 m, 5m and 10 m are to be indicated on the charts.
- v. Reduced spot levels w.r.to MSL to be indicted on the charts. Spot level values are to be given w.r.t. Mean Sea Level (MSL) & Soundings w.r.t. Chart Datum / Sounding Datum. A separate file (xyz) (soft copy only) is also to be created for spot levels w.r.t. Chart Datum / Sounding Datum for dredging calculation purpose.
- w. On completion of the cross-sections, dredge channel is to be identified/ established by linking deepest soundings on the cross-sections. Dredging quantity is to be estimated for developing a navigational channel of dimension of 32m x 1.8m for Krishna river and 14m x 1.6m for Eluru Canal, with side slope of 1:2, w.r.t. chart datum/sounding datum.
- x. Dredging quantity is to be indicated in the report for per km length of the canal/river.
- y. Minimum & maximum reduced depth and length of shoal for per km length of the canal/river is also to be indicated in the report.
- z. Current meter measurement values shall be indicated in the report along with position.
- aa. The results/characteristics of the soil and the water are to be incorporated in the report.
- bb. Photographs of the prominent features are to be taken and included in the report along with its position.
- cc. Shallow patches /shoal and submerged sand-chur having less than 1.0 m depth, rocky outcrops, rapids and other navigational impediments are to be indicated on the charts.
- dd. Permanent structures located within this corridor are also required to be indicated.
- ee. All prominent shore features (locks, bridges, aqueducts, survey pillars if available etc) and other conspicuous objects are to be fixed and indicated on the chart and included in the report.
- ff. Identify cross structures which are obstructing navigation.
- gg. Details (horizontal and vertical clearances above High Flood Level in non-tidal area and High Tide Level in tidal area) of bridges, aqueducts, electric lines, telephone lines, pipe

lines, cables en-route are to be collected and indicated on the chart and also included in the report along with their co-ordinates and location.

- hh. A brief write up on condition of the locks (if available) are also to be included in the report.
- ii. Details of water intake/ structures are to be collected and shown on the charts and include in the report.
- jj. Availability of berthing place, existing jetty, ferry ghats, approach roads etc. are to be indicated on the charts and include in the report.
- kk. Conditions of the banks, whether protected or unprotected shall be indicated on the chart and include in the report. Estimate the length of bank protection required.
- ll. The chart shall also be suitably updated with prominent land features from the Topo-sheets/site.

DATA SUBMISSION

- mm. All raw data and processed data of Automatic Hydrographic Survey System are required to be submitted along with bills and reports.
- nn. All surveyed field data including leveling data (csv file)
- oo. All position data of ground features, waterway structures are to be submitted in both hard copies and soft copies.
- pp. Two copies of the draft survey chart and report (hard & soft copies both) shall be submitted within 45 days period of completion of field survey work.
- qq. Five copies of the final survey charts & reports (hard & soft copies both) shall be submitted within 30 days period after communicated modification/comments on draft report / charts, by IWAI.
- rr. The soundings are to be reduced to the chart datum/ sounding datum established at every gauge stations. **However, soft copy of the PROJECT data (RAW, EDIT, SORT, TIDE and Contours) are to be submitted with un-reduced and reduced soundings. Further, out of two sets of draft survey charts and five sets of final survey charts (both soft & hard copy), one set is to be submitted with un-reduced soundings.**

3. Survey equipment :

Contractor to mobilize the required survey vessels / boat and equipment at survey site, required for carrying out bathymetric survey as per **TECHNICAL & SPECIAL CONDITIONS**, such as:

- i. Suitable survey VESSEL / boat with minimum draft.
- ii. The Digital echo sounders with necessary spares and consumables.
- iii. Survey instruments such as DGPS receiver (any company DGPS with sub-meter accuracy), Computer compatible & loaded with suitable Hydrographic Survey Software like HYPACK MAX or equivalent Software, Plotters, Total Stations (1mm accuracy) and levels for establishing proper ground control. The Automatic Hydrographic survey system should have on-line & off-line processing/recording facilities.
- iv. Suitable current meters for current observations
- v. Qualified team of surveyors and other supporting staff. Land Survey team: Minimum qualification - ITI (survey) / Diploma in Civil / SR-II (Survey Recorder Grade-II, Indian Navy). Bathymetric Survey: Minimum qualification - Diploma in Civil with 3 years Hydrographic survey experience or SR-II.

4. SPECIFICATIONS

4.1. Vessels / Boat

- a) Contractor is free to deploy any vessel / boat suitable for bathymetric surveys, subject to safety of personnel & equipment. It is advisable to use inflatable boat for shallow depths.

4.2. Echo Sounder

- a) Can be a single/dual frequency type standard dry/thermal paper recording system with a range up to 60 mtr and sufficient resolution.
- b) The contractor should provide adequate backup power, spares and recording papers and other consumables for uninterrupted survey operations.
- c) Digital echo sounder with recording paper roll (for Bar Check only) is required to be used. Bar check is to be carried out before start and end of survey. Necessary corrections in soundings are to be applied, if any.

4.3. Position Fixing

The position fixing should be done by using differential global positioning system not less than 12 channel receivers for sub-metre accuracy.

4.4. Shore Survey Equipment

Land survey party should be equipped with land survey equipment like theodolite, Auto levels, Total Station with required accuracy standard for Horizontal and Vertical Control.

4.5. Current Meter

Contractor may use either Acoustic based (ADCP) or Impeller based Current Meter.

Calibration certificate - From any certified agency like CWPRS, Pune or OEM test certificate would suffice.

4.6. Computer and Hydrography Survey Software

Suitable computer compatible & loaded with the automatic hydrographic survey software like HYPACK MAX or equivalent software is to be used for the survey purpose. All other computer Peripherals like color Plotter, Printer etc. to be used for generating out puts.

Contractor may use Hydaspro / HypackMax or equivalent software. However, data is to be submitted to IWAI in HypackMax format (RAW data, Edit data, Sort data, Planned lines, etc.). Drawings are to be submitted in DWG format of AutoCAD.

5. TIME SCHEDULE

The time schedule of execution of the entire assignment will be as follows:

- i) Zero date of this project will be taken as date of issue of work order.
- ii) The contractor should complete mobilization of equipment and manpower complete within 15 days from zero date.
- iii) The actual river survey work should commence within 20 days from zero date.
- iv) The actual survey work should be completed within 120 days (One hundred twenty days) after commencement of work.
- v) Two copies of the draft survey chart and report (hard & soft copies both) shall be submitted within 45 days period of completion of field survey work.
- vi) Five copies of the final survey charts & reports (hard & soft copies both) shall be submitted within 30 days period after communicated modification/comments on draft report / charts, by IWAI.

Note: LD clause will be applicable on above Time Schedule.

6. PROGRESS OF WORKS

Progress report is required to be submitted before 5th calendar day of every month clearly indicating the following;-

- i) General site location map.
- ii) Area covered and details of activities carried out
- iii) Details of instruments/vessel used
- iv) Co-ordinates & descriptions of reference control points used for the surveys.
- v) Reference B.M. used.
- vi) Brief descriptions of waterways indicating status of minimum depth available.
- vii) All surveyed field data
- viii) Any destructions / hindrance for development of waterways
- ix) Any other information relevant for waterway development for navigation.

7. FINAL REPORTS

The draft report shall be submitted on completion of field survey. After getting the comments of IWAI, the final report will be presented including the description of equipment used, methodology survey accuracy checks etc., as per the TOR.

8.0 SPECIAL CONDITIONS

8.1 The contractor will study the requirements of the survey operations as explained in earlier sections and will take total responsibility for mobilizing all the survey equipment, vessels and the requisite personal and complete the surveys as required within the stipulated time.

8.2 In order to avoid serious time lag between field survey and submission of final survey charts/drawing the contractor is expected to setup a base office at a suitable location where periodically the field data collected are brought and plotting works are carried out. This is also expected to help the contractor to fulfill the gaps in information before finalization.

8.3 The contractor will provide free access to the Engineer - in charge or his representative(s) who will inspect and verify the data during the field work stage itself. Any correction pointed out should be carried out and information's as required should be provided without any undue delay. These contracts do not provide for any down time of equipment or boat, hence the contractor should insure that these are avoided if not kept at minimum. The contractor has to arrange transport vehicle, boat for Engineer-in-Charge / representative during their visit at site.

8.4 IWAI will not accept any liability towards loss damage of any equipment vessel/survey equipment or any other type of loss, during the course of execution of contract. The contractor shall be responsible for paying all wharfage or other local charges.

8.5 Details of Bench Marks, Satellite Imageries, Topo-sheets, previous available reports/data will be supplied by IWAI, with required undertaking. An introductory letter will be issued by IWAI to the successful bidder for collecting other information from State / Central Government.

8.6 The prices shall include all the taxes, levies cess, octroi, excise, service tax or any other local or central taxes as applicable/ charged by Center or State Government. No extra in this regard shall be paid.

8.7 No forms regarding sales tax, trade tax or any other exemption, etc. will be supplied by IWAI. However, department would assist to the contractor for arranging these documents at contractors

cost by writing to the concerned authorities only. Supply or arrangement of these forms, if required, shall be responsibility of the contractor.

8.8 All arrangements for establishment, watch & ward of stores and security of sites, permits, license, appropriate vehicles for transportation, handling, etc. shall have to be made by the contractor at his own cost and nothing extra on this account shall be paid.

8.9 In case of any obstruction in conducting the survey in the awarded stretch during the contract period, due to any Atomic/ Thermal Power Plant etc., IWAI will issue introductory letter. Contractor will provide contact details of such authorities, photo ID of survey personnel to be deployed in such area.

9.0 PAYMENT

a) Payment will be made as per the stages mentioned at Clause 34.1 of General conditions of contract.

b) CERTIFICATE OF BILLS

i) Interim bill shall be submitted by the contractor on or before the date fixed for the work executed.

ii) Payment on account for amount admissible shall be made on the certification of IWAI in charge for the sum to which the contractor is considered entitled by way of interim payment for the work executed.

iii) Payment of the contractor's bill shall be made by the IWAI within 30 days from the date of submission of the bill subject to the acceptance.

c) PAYMENT OF FINAL BILL

The final bill shall be submitted by the contractor within one month of the date fixed for completion of the work or of the date the certificate of completion furnished by the field in charge of IWAI. No further claims in this regard unless as specify here in under shall be entertained.

d) The Engineer-in-charge or his representative will inspect, co-ordinate, and certify the work. He has the right to inspect at any time during the contract period for which contractor's authorized agent shall be available at site during such inspection.

e) **In case, if the quantity exceeds the awarded quantity, the Contractor shall inform to the Engineer-in-Charge or his authorized representative before completion of the awarded quantity and seek prior approval before undertaking such extra work. The Engineer-in-Charge or his authorized representative will examine such work as per agreement clauses. The limit of variation of work is $\pm 20\%$.**

10.0 OTHER CONDITIONS

(i) The right to award split up work or to reject the offer without assigning any reason is reserved with the IWAI.

(ii) The rate shall be quoted only in Indian Rupees and payment shall be made in Indian Rupees only.

(iii) In case of delay in work E-I-C may reduce the quantity of work without affecting the main objective of the project.

Preamble

WHEREAS the Principal / Owner has floated the Tender (NIT No. IWAI/HY/NW-4/EK/2014/1) (hereinafter referred to as “Tender/Bid”) and intends to award, under laid down organizational procedure, contract for “**Detailed Hydrographic Survey in Eluru Canal (65 Kms) from Eluru to Vijayawada and in Krishna River (153 Kms) from Vijayawada to Wazirabad (National Waterway No. 4)**” hereinafter referred to as the “Contract”.

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as “Integrity Pact” or “Pact”), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

Article 1: Commitment of the Principal/Owner

- 1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:

- (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.
 - (c) The Principal/Owner shall endeavour to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- 2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

1. It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the IWAI all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
2. The Bidder(s)/Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
 - a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the tender process or execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the contract.
 - b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
 - c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 - d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

- e) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
- 3. The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 4. The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a wilful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests.
- 5. The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the bidder/contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

- 1. If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days' notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.
- 2. Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the tender process prior to the award of the contract or terminated/determined the contract or has accrued the right to terminate/determine the contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.
- 3. Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a bidder or Contractor, or of an employee or a representative or an associate of a bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- 1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- 2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.
- 3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- 1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Subcontractors/ sub-vendors.
- 2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
- 3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6: Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, IWAI.

Article 7: Other Provisions

APPENDIX-I (D): Joint Bidding Agreement

(To be executed on Stamp paper of appropriate value)

THIS JOINT BIDDING AGREEMENT is entered into on this the day of 20...

AMONGST

1. {..... Limited, a company incorporated under the Companies Act, 1956} and having its registered office at (hereinafter referred to as the “**First Part**” which expression shall, unless repugnant to the context include its successors and permitted assigns)

AND

2. {..... Limited, a company incorporated under the Companies Act, 1956} and having its registered office at (hereinafter referred to as the “**Second Part**” which expression shall, unless repugnant to the context include its successors and permitted assigns)

The above mentioned parties of the FIRST and SECOND PART are collectively referred to as the “**Parties**” and each is individually referred to as a “**Party**”

WHEREAS,

- (A) Inland Waterways Authority of India (the “**Authority**”), has invited Proposals (the “**Proposals**”) by its Request for Proposal dated (The “**tender Document**” for “**detailed Hydrographic Survey in Eluru Canal (65 Kms) from Eluru to Vijayawada and in Krishna River (153 Kms) from Vijayawada to Wazirabad (National Waterway No. 4)**” (the “**Project(s)**”) through public private partnership.
- (B) The Parties have read and understood the TENDER Document and are interested in jointly bidding for the Project as members of a Consortium and in accordance with the terms and conditions of the TENDER document and other TENDER documents in respect of the Project, and
- (C) It is a necessary condition under the TENDER document that the members of the Consortium shall enter into a Joint Bidding Agreement and furnish a copy thereof with the Proposal.

NOW IT IS HEREBY AGREED as follows:

1. Definitions and Interpretations

In this Agreement, the capitalised terms shall, unless the context otherwise requires, have the meaning ascribed thereto under the TENDER.

2. Consortium

- 2.1 The Parties do hereby irrevocably constitute a consortium (the “**Consortium**”) for the purposes of jointly participating in the Bidding Process for the Project.
- 2.2. The Parties hereby undertake to participate in the Bidding Process only through this Consortium and not individually and/ or through any other consortium constituted for this Project, either directly or indirectly or through any of their Associates.

3. Covenants

The Parties hereby undertake that in the event the Consortium is declared the Preferred Bidder and awarded the Project, it shall incorporate a wholly owned special purpose company under the provisions of Indian Companies Act, 1956, as the O&M Consultant; in whose subscribed and paid up capital, the Preferred Bidder i.e. the parties herein shall collectively hold 100% equity during the License Period.

4. Role of the Parties

The Parties hereby undertake to perform the roles and responsibilities as described below:

- (a) Party of the First Part shall be the Lead member of the Consortium and shall have the power of attorney from all Parties for conducting all business for and on behalf of the Consortium during the Bidding Process and until the signing of the **Detailed Hydrographic Survey in NW-4 Contract** when all the obligations shall become effective;
- (b) Party of the Second Part shall be assisting the Lead member in the manner as recorded herein for carrying out the entire scope of work awarded under the **Detailed Hydrographic Survey in NW-4 Contract**._____
- (c) Parties shall jointly and severally endeavour to carry out the works, if awarded to them pursuant to the bidding process conducted by the Authority, in accordance with the terms and conditions specified in the TENDER Documents and such other agreements/Contracts/Work Orders as may be executed from time to time between the Authority and the Consortium’s Special Purpose Company.

5. Joint and Several Liability

The Parties do hereby undertake to be jointly and severally responsible for all obligations and liabilities relating to the Project and in accordance with the terms of the TENDER and the **Detailed Hydrographic Survey in NW-4 Contract**, till such time as prescribed in accordance with the **Detailed Hydrographic Survey in NW-4 Contract**.

6. Shareholding

- 6.1 The Lead Member of such Preferred Bidder consortium shall at all time during the License Period hold equity equivalent to at least 51% of the subscribed and paid up capital in the

special purpose company incorporated by the parties to work as the Hydrographic Survey Contractor. Further, other consortium members whose technical/financial eligibility shall have been used for the purpose of qualification under this TENDER shall hold at least 26% equity in the subscribed and paid up capital Hydrographic Survey Contractor during the License Period; Provided however that Authority may in its sole and absolute discretion permit a consortium member to divest [in full/partially] its equity shareholding in the subscribed and paid up capital of the Hydrographic Survey Contractor.

- 6.3 The Parties undertake that they shall comply with all equity lock-in requirements set forth in the **Detailed Hydrographic Survey in NW-4 Contract**.

7. Representation of the Parties

Each Party represents to the other Parties as of the date of this Agreement that:

- (a) Such Party is duly organized, validly existing and in good standing under the laws of its incorporation and has all requisite power and authority to enter into this Agreement;
- (b) The execution, delivery and performance by such Party of this Agreement has been authorized by all necessary and appropriate corporate or governmental action and a copy of the extract of the charter documents and board resolution/ power of attorney in favour of the person executing this Agreement for the delegation of power and authority to execute this Agreement on behalf of the Consortium Member is annexed to this Agreement, and will not, to the best of its knowledge:
 - (i) Require any consent or approval not already obtained;
 - (ii) Violate any Applicable Law presently in effect and having applicability to it;
 - (iii) Violate the memorandum and articles of association, by-laws or other applicable organizational documents thereof;
 - (iv) Violate any clearance, permit, concession, grant, license or other governmental authorization, approval, judgment, order or decree or any mortgage agreement, indenture or any other instrument to which such Party is a party or by which such Party or any of its properties or assets are bound or that is otherwise applicable to such Party; or
 - (v) Create or impose any liens, mortgages, pledges, claims, security interests, charges or Encumbrances or obligations to create a lien, charge, pledge, security interest, encumbrances or mortgage in or on the property of such Party, except for encumbrances that would not, individually or in the aggregate, have a material adverse effect on the financial condition or prospects or business of such Party so as to prevent such Party from fulfilling its obligations under this Agreement;
- (c) This Agreement is the legal and binding obligation of such Party, enforceable in accordance with its terms against it; and

(d) There is no litigation pending or, to the best of such Party's knowledge, threatened to which it or any of its Affiliates is a party that presently affects or which would have a material adverse effect on the financial condition or prospects or business of such Party in the fulfilment of its obligations under this Agreement.

(e) Such Party has read and understood the tender Documents and is executing this Agreement for the purposes as recorded hereinabove out of its own free will;

8. Termination

This Agreement shall be effective from the date hereof and shall continue in full force and effect at all times during the subsistence of the **Detailed Hydrographic Survey in NW-4** Contract is achieved under and in accordance with the **Detailed Hydrographic Survey in NW-4** Contract, in case the Project is awarded to the Consortium. However, in case the Consortium is either not pre-qualified for the Project or does not get selected for award of the Project, the Agreement will stand terminated in case the Bidder is not pre-qualified or upon return of the Proposal Security by the Authority to the Bidder, as the case may be.

9. Miscellaneous

9.1 This Joint Bidding Agreement shall be governed by laws of India.

9.2 The Parties acknowledge and accept that this Agreement shall not be amended by the Parties without the prior written consent of the Authority.
