i.	Attention to ITB Clause 6.3 on requirement of "the 40% of the proposed minimum monthly hire charge for three (3) years put to this tender In case a Bidder intends to bid for more than one vessel, then the qualification criteria of Bank Solvency shall be the sum of individual requirement of each vessel for which the Bidder is submitting the bid. It is requested that the solvency amount be “for the 40% of the proposed minimum monthly hire charge for one Year (1)” The said request is because the banks provide solvency based on the value of the company in the previous financial year. On account of the corona pandemic	No change is considered in present tender.

	<p>the companies have incurred losses and business has not happened. Due to this the valuation of our company has lowered.</p> <p>Moreover, even though the tender is for the three years, the funds required at the most of operation of vessels will be for two months.</p> <p>It is requested that the Bank Solvency be taken at value of one year and not three years.</p>	
ii.	<p>IWAI is also taking Bank Guarantee for 3 months of hire and 3% of contract value as performance security, this also amounts to four months of hire. We also request this be reconsidered as two months BG and 1 month Performance security.</p>	<p>No change is considered in present tender.</p>
