The Bids are to be submitted only online at <https://eprocure.gov.in/eprocure/app>. The prescribed amount of EMD of this tender is also to be deposited through RTGS/NEFT to the above account. Bid without tender cost & EMD will be **rejected**.

11. A signed declaration stating that no alteration has been made in any form in the downloaded tender document is to be enclosed with the tender by the bidder

12. Tenderer shall agree to the terms & conditions of the tender and submit the tender online duly signed on each page for agreeing the same.

13. The complete bid as per the tender documents should be placed online at <https://eprocure.gov.in/eprocure/app> by **15:00 hrs. on 30-06-2025** and will be opened online on **01-07-2025 at 15:30 hrs** at IWAI, Guwahati. All bidders except Micro and Small Enterprises (MSEs) as defined in MSE Procurement Policy issued by Department of Micro, Small and Medium Enterprises (MSME) or Department or Startups as recognized by Department for promotion of Industrial and Internal Trade (DPIIT) on submission of a valid registration certificate as per the Government of India rules.

14. Under provision of this contract the work shall be awarded initially for the period from **October / November 2025 to March 2026**. However, subsequently IWAI shall reserve the right to extend the work for a period of another three years to the successful contractor subjected to performance of the contractor at the same terms and conditions of this contract of 2025-26 and with escalation of rates (as quoted by him for 2025-26) @ 5% (five percent) per year **(after completion of one year)** and after getting the willingness from the concerned contractor and subject to their satisfactorily performance of the works.

15. As the work shall involve considerable inspection activity, co-ordination and supervision with assistance of mechanized crafts/ boats engaged by the contractor as specified under the contract, which will be simultaneously used by the contractors pilot, departmental pilot and other offices of IWAI and other agency, if need be, all mechanized crafts to be deployed by the contractor should be in well maintained conditions, having valid registration and survey certificates issued by the competent authority (IWT Directorate, Govt of Assam) fitted with certified life saving equipments like life jackets, accommodation and toilet facility including facility for preparation of food, a good work and required number of certified crew members.

16. IWAI reserves the right to accept or reject any or all tenders without assigning any reason and no correspondence shall be entertained in this regard. The department will also have the right to award the work for different stretch to different bidders at the lowest received rate to ensure that the works are undertaken smoothly at all stretches simultaneously.

Pre-Qualification Criteria:-

1) The tenderer shall be registered with Central Public Works Department, Railways, MES and State PWD/ Irrigation Department or non-registered contractors having experience of working with IWAI.

2) Tenderer shall have Permanent Account Number issued by Income Tax Deptt.

3) The tenderer shall be registered with GST department and GST component shall be shown separately in the bill/ invoice by the tenderer. The GST shall be paid as per prevailing rule.

4) Average annual financial turnover during last three years ending 31st March of the previous financial year, should be at least 30% of the cost of the work for each stretch as mentioned in this tender.

5) Experience of having successfully completed similar works of erection and regular maintenance of bandal or **RC works** in Major Rivers of India like **Barak (NW-16)**, Brahmaputra (NW-2) and Ganga (NW-1) etc. during the last 7 years ending last day of month previous to the one in which this tender is invited should be either of following for each stretch:

- a) Three similar works costing not less than 40% of the estimated cost (ie., Rs. 24.93 lakhs); **or**
- b) Two similar works costing not less than 50% of the estimated cost (i.e., Rs. 31.16 lakhs); **or**
- c) One similar work completed not less than 80% of the estimated cost (ie., Rs. 49.85 lakhs)

6. Latest certificate of solvency from nationalized / scheduled Bank included in the second schedule of the RBI Act for not less than the value as indicated below:

Sl. No.	Development & maintenance of Navigational channel (Fairway) in Sridharpur – Ujjainigram stretch of NW-16 during 2025-26	Bank solvency required (Rs. in lakhs)
1	Sridharpur (ch. 26 km) – Ujjainigram (ch. 48 km)	24.93

7) The tenderer must be having his own team of bandal sardars and have adequate infrastructure for the work including registered and river worthy mechanized boats with valid registration and survey certificate (issued by the Competent Authority, IWT Directorate, Govt. of Assam) which will be deployed by the contractor for the purpose of supervision of the erection and maintenance of bandal in their stretch of activity including use by IWAI officers for channel checking, hydrographic survey and inspection. The contractor quoting for stretch Sridharpur to Ujjainigram (as mentioned above) has to have at least one registered and river worthy powered mechanized vessels/boats with valid survey certificate (issued by the Competent Authority, IWT Directorate, Govt. of Assam) and one bandal sardar deployment in each site of above stretch. Documentary evidence of ownership of the mechanized vessels/boats (valid registration and survey certificate) either in the name of the firm or in the name of the owner/partners of the firm and bio data of the bandal sardar indicating their past years of experience have to be scanned and attached with the technical bid.

8) The bidder should see the General Conditions, Technical & Special Conditions of contract very carefully before bidding.
