Last date for submission of online bids is 02.02.2025 up to 15:00 hrs and date of opening of tender is on 03.02.2025 at 15:30 hrs. Submission of online bids will be through <https://eprocure.gov.in/eprocure/app>.

Hydrographic Chief

SECTION - I: NOTICE INVITING E-TENDER

NOTICE INVITING E-TENDER

a) Introduction:

Inland Waterways Authority of India (IWAI) invites online bids **from the reputed Contractors/Companies/Firms**. in two cover system (Cover – I: Technical Bid and Cover – II: Financial Bid) for O &M and Comprehensive Annual Maintenance Contract (CAMC) of RIS Stations under Phase-III (Patna to Varanasi).

S. no.	Items	EMD (in Rs.)	Tender Fee (in Rs)
1	O&M and Comprehensive Annual Maintenance Contract (CAMC) of RIS Station under Phase-III (Patna-Varanasi)	Rs. 24 lakhs	Rs.5,000/- + 18% GST= 5,900/-

b) Critical Data sheet:

Interested parties may download the Tender document online from the website <https://eprocure.gov.in/eprocure/appand> IWAI's website "www.iwai.nic.in" and are advised to the requisite tender fee as the cost of Bid document deposited to IWAI fund.

Document download start date	03.01.2025
Last date of submission of pre-bid queries	16.01.2025 up to 1500 hours
Pre-bid meeting	17.01.2025 at 1430 hrs
Bid Submission Last Date	02.02.2025 up to 1500 hrs
Bid Opening date	03.02.2025 at 1530 hrs
Cost of tender document	Rs. 5000/- + 18 % GST = Rs 5,900

c) Scope of the work:

The brief scope of work shall be as below:

IWAI established River Information Service System Phase-III akin to system under operation in countries like the Netherlands, Belgium, Germany, China & USA. The Phase-III of the RIS, provided by IWAI on the **Patna-Varanasi stretch** of National Waterway-1 on River Ganges to facilitate safe and accurate navigation in line with the recommendations of IALA Guidelines G1133 Ed1.1, January 2022 for Inland Water Ways.

Phase-III of RIS

1. In Phase-III, the vessels are monitored by installing 3 base station sites at Zamaniya, Govindpur and Maujampur.
2. Further, there is one control centre at MMT Ramnagar, Varanasi. The control stations monitor the vessels plying in this river stretch via Automatic Identification System (AIS) and communicate with Vessels via VHF. This control station at Varanasi also is to be repair.

Accordingly, this tender is being floated with the purpose of O&M and CAMC of RIS Phase-III (Patna to Varanasi).

d) Method of Selection:

Bidder will be selected on Least Cost Selection (LCS) basis.

e) Clarifications:

Clarification / Query if any on the Tender document shall be obtained from the following address:

The Hydrographic Chief

Inland Waterways Authority of India

Noida-201301

Tel: (0120) 2527667, 2522969 Fax (0120) 2522969

Website: www.iwai.nic.in Email: hc@iwai.gov.in, srafat@iwai.gov.in

- f) IWAI reserves the right to accept or reject any or all Tenders without assigning any reason and no correspondence shall be entertained in this regard.

SECTION – II: INSTRUCTIONS TO BIDDERS (ITB)

SECTION II: INSTRUCTION TO BIDDERS (ITB)

<p>1. Background</p>	<p>1.1</p>	<p>Inland Waterways Authority of India (IWAI) is an autonomous body of the Ministry of Shipping, Government of India (GoI). IWAI was setup in 1986 for regulation and development of Inland Waterways for the purposes of shipping and navigation. IWAI is primarily responsible for development, maintenance, and regulation of Inland Water Transport (IWT) on the National Waterways (NWs) in the country. Presently, there are 111 declared NWs in the country.</p>
	<p>1.2</p>	<p>IWT has the potential to provide a cost efficient, economic, reliable, safe, and environmentally friendly form of transport. When developed for use by modern inland vessels operating on dependable rights of way, it can reduce congestion and investment needs in rail and road infrastructure, promote greater complementarities in the riparian states, enhance intra-regional trade and, through increased economies of scale, significantly reduce overall logistics costs for the benefit of the entire economy and India's global trade competitiveness.</p>
	<p>1.3</p>	<p>IWAI established River Information System Phase-I akin to system under operation in countries like the Netherlands, Belgium, Germany, China & USA. The Phase-I of the RIS, which is first of its kind in India, was implemented and launched by IWAI on the Sagar- Farakka stretch of National Waterway-1 on River Ganges to facilitate safe and accurate navigation in line with the recommendations of PIANC vide In Com WG 125 (Part 3): Guidelines and Recommendations for River Information Services (2012). The RIS System was simultaneously inaugurated by Union Minister of Shipping, Road Transport and Highways on 6 January 2016. Simultaneously, IWAI installed RIS in Farakka-Patna and Patna-Varanasi stretch which has been designated as RIS Phase-II and RIS Phase-III.</p>
	<p>1.4</p>	<p>River Information Services (RIS) is a combination of modern tracking equipment related hardware and software designed to optimize traffic and transport processes in inland navigation. The system enhances swift electronic data transfer between mobile vessels and shore (Base stations) through advance and real-time exchange of information.</p> <ul style="list-style-type: none"> • RIS aims to streamline the exchange of information between waterway operators and users. • Enhance inland navigation safety in ports and rivers • Better use of the inland waterways • Environmental protection • Enable achievement of safe and efficient inland water transport • Avoid risks like Ship- to - Ship collisions, ship to bridge collisions and groundings

2. Introduction	2.1	The Employer will select a Company / Firm (the “Contractor”) in accordance with the method of selection specified in Clause 15 & Clause - 16 under Section – II: ITB.
	2.2	The name of the Assignment / Job has been mentioned in Section - III: Bid Data Sheet. Detailed scope of the Assignment / Job has been described in Section - VI: Terms of Reference (ToR).
	2.3	The date, time and address for submission of the Bids have been given in Section – III: Bid Data Sheet.
	2.4	Bidder shall bear all costs associated with the preparation and submission of their Bids.
	2.5	The Employer is not bound to accept any Bid and reserves the right to annul the selection process at any time prior to contract award, without thereby incurring any liability to the Bidder.

	6.5	Currency
		<p>Bidders shall express the price of their Assignment / job in Indian Rupees (INR).</p>
	6.6	Language
		<p>The Bid as well as all related correspondences exchanged between the Bidders and the Employer shall be in English language and shall be strictly as per the formats attached in this tender document. The Employer will evaluate only those Bids that are received in the specified formats and are complete in all respects. Any supporting document submitted by the Bidder with its Bid or subsequently, in response to any query / clarification from the Employer shall be in English and in case any of these documents is in another language, it must be accompanied by an accurate translation of all the relevant passages in English, and in such case, for all purposes of interpretation of the Bid, the translation in English shall prevail.</p>
	6.7	Bid Validity
		<p>Section - III: Bid Data Sheet indicates for how long the Bids submitted by the bidders must remain valid after the submission date. During this period, Bidders shall maintain the availability of Key Personnel nominated in the Bid and also the amount quoted for the services in the Financial Bid shall remain unchanged. Should the need arise, the Employer may request Bidders to extend the validity period of their Bids. Bidders who agree to such extension shall confirm that they will maintain the availability of the Key Personnel proposed in the Bid and that their Financial Bid will remain unchanged. Also, in their confirmation of extension of validity of the Bid, bidders could submit new staff in replacement, which would be considered in the final evaluation for contract award. The bidders who do not extend the validity of their bids,</p>

		shall not be considered for further evaluation.
	6.8	Number of Bids
		A Bidder can submit one bid only. In case a bidder submits or participates in more than one bid, the application of the bidder shall be rejected summarily.
	6.9	Joint Venture (JV) / Consortium
	6.9.1	The Joint Venture/consortium can be entered between two or more firms and limited to maximum three firms.
	6.9.2	The lead member shall be a legal Entity and should have at least 51% share of participation in a JV / Consortium.
	6.9.3	In case the Bidder is a JV of two members, then the minimum share of the Lead member shall be atleast 51% and the minimum share of the 2nd member shall be 29%, with a total share of all the JV / Consortium members being 100%. In case the Bidder is a JV / Consortium of three members, then the minimum share of the Lead Member shall be at least 51%, minimum share of the 2nd member shall be 29% and minimum share of the 3rd member shall be 15%, with a total share of all the JV / Consortium members being 100%. However, JV / Consortium will have to be registered under the provisions of Company Act 2013.
	6.9.4	There shall be a Joint Venture Agreement/ Memorandum of Understanding specific for the contract between the constituent firms, indicating clearly, amongst other things, the proposed distribution of responsibilities both financial as well as technical for execution of the work amongst them. A copy of the Joint Venture Agreement/ MOU in accordance with requirements mentioned shall be submitted along with the bid. The bidder has to submit documentary proof of "intent of forming JV/consortium" on Rs.100/- registered stamp paper at the time of submission of bid. The bidder is required to submit the Letter of Intent to enter into a JV / Consortium agreement should contain at least the following: <ul style="list-style-type: none"> - Name of the Lead Partner - Clearly mentioned Percentage share of JV / Consortium members adhering to the clause 6.9.3 mentioned above. - "All the partners shall jointly and severally liable for the execution of the Contract in accordance with the Contract terms".
	6.9.5	Lead partner's authorization shall be evidenced by submitting a power of attorney, duly notarized, signed by the legally authorized signatories of all the partners/members of JV/consortium. The Lead Partner shall be authorized to incur liabilities and to receive instructions for and on behalf of the partners of the Joint Venture, whether jointly or severally, and entire execution of the Contract (including payment) shall be carried out exclusively through the partner-in-charge. A copy of the said authorization shall be furnished in this Bid. In the event of default by any partner, in the execution of his part of the Contract, the Employer shall be so notified within 30 days by the Lead Partner, or in the case of the Lead Partner being the

		<p>defaulter, by the partner nominated as partner-in-charge of the remaining Joint Venture/consortium. The partner-in-charge shall, within 60 days of the said notice, assign the work of the defaulting partner to any other equally competent party acceptable to the Employer to ensure the execution of that part of the Contract, as envisaged at the time of bid. Failure to comply with the above provisions will make the Contractor liable for action by the Employer under the Conditions of Contract. If the Most experienced i.e. Lead Partner, defined as such in the Communication approving the qualification, defaults, it shall be construed as default of the Contractor and Employer will take action under the Conditions of Contract.</p> <p>Notwithstanding the permission to assigning the responsibilities of the defaulting partner to any other equally competent party acceptable to the Employer as mentioned in sub clause 6.9.7 above, all the partners of the Joint Venture/consortium will retain the full and undivided responsibility for the performance of their obligations under the Contract and/ or for satisfactory completion of the Works.</p> <p>The bid submitted shall contain all relevant information for each member of JV/consortium as per the requirement stipulated under clause 10.1 of ITB</p> <p>Lead member should have stake in the Joint Venture / consortium as stipulated in Clause 6.9.3 of Instructions to Bidders (ITB). However, the JV / Consortium members together shall meet the overall qualification Criteria stipulated in Clause 16.1 of ITB.</p> <p>In case of JV, for availing the benefits of MSME all the participating JV members must be registered under MSME acts and relevant provisions.</p> <p>For sustainability of JV, clause 45 of GCC shall be referred.</p>
<p>7. Conflict of Interest</p>	<p>7.1</p>	<p>Employer requires that selected bidder (the “Contractor”) provides professional, objective, and impartial advice and at all times holds the Employer's interests paramount, strictly avoids conflicts with other assignment(s) / job(s) or his own corporate interests and act without any consideration for future work.</p>
	<p>7.2</p>	<p>Without limitation on the generality of the foregoing, Bidders, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:</p>
	<p>(a)</p>	<p>Conflicting Activities: A firm or any of its affiliates who have been engaged by the Employer to provide goods, works or assignment/job other than design and build assignment / job for a project shall be disqualified from providing design and build assignment/job related to those goods, works or assignments / jobs. Conversely, a firm or any of its affiliates who have been hired to provide design and build assignment/ job for the preparation or implementation of a project, and any of its affiliates, shall be disqualified from subsequently providing goods or works or</p>

		assignment/job other than design and build assignment/job resulting from or directly related to the firm's design and build assignment/job for such preparation or implementation. For the purpose of this paragraph, assignment/ job other than design and build assignment/job are defined as those leading to a measurable physical output; for example, surveys, exploratory drilling, aerial photography, satellite imagery etc.
	(b)	Conflicting assignment/ job: A Contractor {including its Personnel and Sub-Contractor(s)} or any of its affiliates shall not be hired for any assignment/ job that by its nature may be in conflict with another assignment/ job of the Contractor to be executed for the same or for another Employer, for example a Contractor hired to prepare engineering design for an infrastructure project shall not be engaged to prepare an independent environmental assessment for the same project and a Contractor assisting an Employer in the privatization of public assets shall not purchase nor advise purchasers of such assets.
	(c)	Conflicting Relationships: A Contractor (including its Personnel and Sub-Contractors) that has a business or family relationship with a member of the Employer's staff who is directly or indirectly involved in any part of (i) the preparation of the Terms of Reference of the assignment/job (ii) the selection process for such assignment/job or (iii) supervision of the Contract, may not be awarded a Contract unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Employer throughout the selection process and the execution of the Contract.
	7.3	Contractors have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Employer, or that may reasonably be perceived as having this effect. Any such disclosure shall be made as per the standard forms of technical proposal provided herewith. If the Contractor fails to disclose said situations and if the Employer comes to know about any such situation at any time, it may lead to the disqualification of the Contractor during bidding process or termination of its Contract during execution of assignment.
	7.4	No agency or current employees of the Employer shall work as Contractors under their own ministries, departments or agencies. The contract is liable for cancellation if either the contractor himself or any of his employees or representatives are found to be persons / person who have held Class I post under IWAI immediately before retirement and has within two years of such retirement accepted without obtaining the previous permission of IWAI, or the Chairperson as the case may be, and employment as contractor, or in connection with the execution of the public works, or as an employee of such contractor. If the contract is terminated on account of the failure of the contractor to comply with this clause, IWAI shall be entitled to recover from him such damages as may be determined by the Engineer in Charge with due regard to

		the inconvenience caused to IWAI on account of such termination without prejudice to IWAI's right to proceed against such officer.
8. Acknowledgement by Bidders		It shall be deemed that by submitting the Proposal, the Bidder has:
	8.1	Made a complete and careful examination of this Tender;
	8.2	Received all relevant information from the Employer;
	8.3	Satisfied itself about all matters and necessary information required for submitting a competitive bid;
	8.4	Updated itself about any amendments / clarifications that have been posted on the website and e-procurement portal in terms of Clause 5.2 & 5.3 above;
	8.5	Acknowledged that it does not have a Conflict of Interest; and
	8.6	Agreed to be bound by the undertaking provided by it under the terms and conditions laid in this tender document.
9. Guidelines for e-submission of the Bids	9.1	The Bids should be submitted online through Central Public Procurement Portal for e-Procurement https://eprocure.gov.in/eprocure/app .
	9.2	Possession of valid Digital Signature Certificate (DSC) and enrolment / registration of the Bidders on the e-procurement / e-Tender portal is a prerequisite for e-Tendering
	9.3	Bidder should enroll in the e-Procurement site https://eprocure.gov.in/eprocure/app using the option available "Enroll Here" on the home page portal. Enrolment is free of charge. During enrolment / registration, the Bidders should provide the correct / true information including valid e-mail id. All the correspondence shall be made directly with the Bidders through email id provided.
	9.4	Bidders need to login to the site through their user ID / password chosen during enrolment / registration.
	9.5	Then the Digital Signature Certificate (Class - II or Class - III Certificates with signing key usage) issued by SIFY / TCS / node / e-Mudra or any Certifying Employer recognized by CCA India on e-Token / Smart Card, should be registered.
	9.6	The Bidder should only use the registered DSC and should ensure safety of the same.
	9.7	Bidder may go through the Tenders published on the site and download the required Tender documents / schedules in which the Bidder is interested.
	9.8	After downloading / getting the Tender document / schedules, the Bidder should go through them carefully and then submit the documents as asked.
	9.9	If the Bidder wish to seek any clarifications, this may be obtained online through the Tender site, or through the contact details as specified in Section – III: Bid Data Sheet. The Bidder should also take into account the addenda / corrigenda published before submitting the Bids online.
	9.10	Then the Bidder may log into the site through the secured log in by giving the user id / password chosen during enrolment /

		registration and then by giving the password of the e-Token / Smart card to access DSC.
	9.11	Bidder will then select the tender which he / she is interested in by using the search option & then moves it to the 'my favorites' folder.
	9.12	From the favorite's folder, he selects the tender to view all the details indicated.
	9.13	It is construed that the Bidder has read all the terms and conditions before submitting his / her offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the bid will be rejected.
	9.14	Bidder, in advance, should get ready the Bid documents to be submitted as indicated in the Tender document / schedule and generally, they can be in general PDF / xls / rar / jpg formats. If there are more than one document, they can be clubbed together and can be provided in the requested format as specified in Section – III: Bid Data Sheet. Each document to be uploaded online should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip /rar and the same can be uploaded, if permitted.
	9.15	The Bidders can update well in advance, the documents such as certificates, annual report details etc., under "My Space" option and these can be selected as per Tender requirements and then sent along with Bid documents during Bid submission. This will facilitate the Bid submission process making it faster by reducing upload time of Bids.
	9.16	Bidder should submit the Tender Fee and EMD for the amount as specified in Section – III: Bid Data Sheet. The original payment instruments should be posted / couriered / given in person so as to reach to the Employer on or before bid closing date & time. Scanned copy of the instruments for both these payments should be uploaded as part of the offer.
	9.17	While submitting the Bids online, the Bidder should accept the Terms & Conditions and proceed further to submit the Bid packets.
	9.18	The Bidder has to select the payment option as offline to pay the Tender Fee and EMD as applicable and enter details of the instruments.
	9.19	The details of the DD / any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during Bid submission time. Otherwise submitted Bid will not be acceptable.
	9.20	The Bidder has to scan digitally sign and upload the required Bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the Bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the Tender document including conditions of contract without any exception and have understood the entire document and are clear about the requirements of the Tender

		Document.
	9.21	The Bidder has to upload the relevant files required as indicated in the cover content as enumerated in clause 10 below.
	9.22	If the price Bid format is provided in a spread sheet file like BoQ_xxxx.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid / BOQ template must not be modified / replaced by the Bidder; else the Bid submitted is liable to be rejected for this Tender.
	9.23	The Bidders are requested to submit the Bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the Bid submission end Date & Time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the online submission of Bids by the Bidders at the eleventh hour.
	9.24	After the Bid submission, the acknowledgement number, given by the e-tendering system should be printed by the Bidder and kept as a record of evidence for online submission of Bid for the particular Tender and will also act as an entry pass to participate in the Bid opening date.
	9.25	The Bidder should ensure that the Bid documents submitted are free from virus. If the documents could not be opened, due to virus, during Tender opening, the Bid is likely or liable to be rejected.
	9.26	The time settings fixed in the server side and displayed at the top of the Tender site, will be valid for all actions of requesting, Bid submission, Bid opening etc., in the e-Tender system. The Bidders should follow these time settings during Bid submission.
	9.27	All the data being entered by the Bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during Bid submission & not be viewable by any one until the time of Bid opening.
	9.28	Any Bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers / Bid opener's public keys. Overall, the uploaded Tender documents become readable only after the Tender opening by the authorized Bid openers.
	9.29	The confidentiality of the Bids is maintained since the secured Socket Layer 128-bit encryption technology is used. Data storage encryption of sensitive fields is done.
	9.30	The Bidder should logout of the Tendering system using the normal logout option available at the top right-hand corner and not by selecting the (X) exit option in the browser.
	9.31	Any queries relating to the Tender document and the Terms & Conditions contained therein should be addressed to the TIA for a Tender or the relevant contact person indicated in the Tender.

	9.32	Any queries relating to the process of online Bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315.
10. Submission of Bids	(i)	The Hard Copy of original Power of Attorney (POA) and payment instruments in respect of Tender Fee & EMD, must be delivered to the office of authorized representative of IWAI as mentioned in Section III: Bid Data Sheet, on or before Bid Closing Date & Time.
	(ii)	Online Bids submitted without hard copies of original POA and payment instruments towards Tender Fee & EMD shall automatically become ineligible and shall not be considered for opening of bids.
	(iii)	In case of MSE registered firms, letter of claim of exemption for EMD & Tender Fee with documentary evidence in support of the claim must be delivered to the office of authorized representative of IWAI as mentioned in Section III: Bid Data Sheet, on or before Bid Closing Date & Time.
	(iv)	The Bidders are further advised to number all the pages and prepare a table of contents in the beginning of each Part referring the page numbers of the indexed items. The scanned copy of the Technical and Financial Bids, complete in all respects, should be submitted as per sequence mentioned below. Bids should be submitted in Two Covers: It may be noted that the successful bidder will have to pay the wages equal to the minimum salary/ remuneration to the deployment of technical manpower on outsource basis every month through RTGS to the respective bank account(s) of the outsourced staff and submit the proof. The bidder therefore has to quote in the BOQ only their service charges as a percentage of the estimated cost mentioned in the NIT. Since at present TDS is deducted at the rate of 2% of bill value, quotations of administrative/ service charge less than or equal the TDS would be treated as unresponsive and will not be considered.
	10.1	Cover – I: Technical Bid
	10.1.1	Part – I
	a.	Proof of Tender Fee as specified in Section – III: Bid Data sheet or claim of exemption with supporting documents.
	b.	Proof of EMD as specified in Section – III: Bid Data Sheet or claim of exemption with supporting documents

Note: If the Tender is submitted by a firm in partnership, it shall be signed by all the partners of the firm above, their full names and current business address, or by a partner holding the power of attorney for the firm for signing the Tender in which case a certified copy of the power of attorney shall accompany the Tender. A certified copy of the partnership deed and current business address of all the partners of the firm shall also accompany the Tender.
	10.1.2	Part – II
	a.	Annual Report / Audited Balance Sheets, for the last three financial years ending 31 st March of the previous financial year.
	b.	GST Registration certificate
	c.	Income Tax Return (ITR) filed by the Company for the last three financial years
	d.	PAN card of the Company
	e.	Section IV: Form - 4C for Average Annual Turnover
	f.	Bank account details, along with a cancelled cheque, for transaction through e-payment in format given at Annex-IV & V in Section-VIII.
	10.1.3	Part – III
		Complete Company Profile including the following details:
	a.	Background of the organization
	b.	Client completion certificate on client letter head for Similar Works executed by the Bidder in the last seven years. The submitted certificates shall comply with the conditions laid in Clause - 3 of ITB (Bidder Eligibility Criteria). Such eligible projects shall be supplied in Section IV: Form - 4B.
	c.	List of Litigation History
	d.	Undertaking in regard to clause 3.7 of Section II: ITB
	e.	Form 4L: List Ongoing Assignments along with Work Orders on client letterhead.

		It may be noted that the Technical Bid shall not contain any reference to the fee. Violation of this clause will lead to rejection of bid.
	10.2	Cover - II: Financial Bid
		Financial Bid in excel format (BoQ_XXXXX) provided along with this Tender as Form Fin – 1 of Section V shall be used for quoting prices.
		The prices shall be quoted by the Bidder entirely in Indian Rupees. All payments shall be made in Indian Rupees (INR).
	10.3	The total duration of the contract shall be as specified in Section – III: Bid Data Sheet.
11. Extension of Bid Submission Date	11.1	The Employer may extend the date of submission of bids by issuing an addendum / corrigendum and uploading the same on Employer’s website and e-procurement portal.
12. Late Proposals	12.1	Online proposals received by the Employer after the specified bid submission date & time or any extension thereof, pursuant to Clause – 11 above, shall not be considered for evaluation and shall be summarily rejected.
13. Liability of the Employer	13.1	The Bidders are advised to avoid last moment rush to submit bids online and they should upload their bids well in advance before the bid submission deadline. The Employer shall not be liable for failure of online submission of bids by the Bidder that may arise due to any reason whatsoever. It shall be construed that the procedure for online submission of bids, mentioned under Clause - 9 of ITB, has been read and understood by the bidder. The submission of hard copy is not a mandatory requirement. However, if the Bidder submits hard copy of the bid, it shall not be treated as a substitute to online bids submission and in case a bidder fails to submit bids online due to any reason, the hard copies of the bids shall not be considered for evaluation.
14. Modification / Substitution / Withdrawal of Bids	14.1	The tender once submitted may be modified, substituted or withdrawn by the Bidders before the last date of bid submission. No bid shall be modified, substituted or withdrawn after the deadline fixed for submission of bids.
15. Bid Opening and Evaluation Process	15.1	From the time the Proposals are opened to the time the Contract is awarded, any effort by Bidders to influence the Employer in the examination, evaluation, ranking of Proposals, and recommendation for award of Contract may result in the rejection of the Bidders’ Proposal.
	15.2	The Employer will constitute a Tender Evaluation Committee (TEC), which will carry out the evaluation process.
	15.3	Online Bid opening shall be carried out in two stages. Firstly, 'Technical Bid' of all the online Bids received shall be opened on the date and time mentioned in Section – III: Bid Data Sheet. 'Financial Bid' of those Bidders whose Technical Bid has been determined to be responsive and on evaluation fulfils the criteria as stipulated in the Tender document, shall be opened on a subsequent date, which will be notified to such Bidders. In the

		event of the specified date for the submission of bids being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day. Bids for which a notice of withdrawal has been submitted in accordance with Clause - 14 above shall not be opened.
	15.4	The TEC shall evaluate the Technical Proposals on the basis of their responsiveness to the ToR and by applying the eligibility & evaluation criteria, sub-criteria specified in Clause – 3 & 16. In the first stage of evaluation, a Proposal shall be rejected if it is found deficient or found not meeting the minimum eligibility criteria as mentioned in Clause - 3 and Clause - 16 of ITB. Only responsive Proposals shall be further taken up for evaluation. A Bid shall be considered responsive only if:
	a.	It is received by the Bid submission date and time including any extension thereof, pursuant to Clause – 11 above;
	b.	It is accompanied by the EMD & Tender Fee as specified in Clause 6.1 & 6.2 above;
	c.	It is received in the forms specified in Section - IV (Technical Proposal) and in Section - V (Financial Proposal);
	d.	It does not contain any condition or qualification or suggestion; and
	e.	It fulfils the eligibility & qualification criteria stipulated in Clause 3 and Clause 16.1 of ITB.
	15.5	After ascertaining the responsiveness of the bid, evaluation of each responsive Bid will be done as per clause 16.2 below. To assist in the examination, evaluation, and comparison of the bids, and qualification of the Bidders, the Employer may, at its discretion, ask any Bidder for a clarification of its bid, giving a reasonable time for response. Employer however, is not bound to accept the clarification submitted by the Bidder if found irrelevant. The Employer’s request for clarification and the response shall be in writing.
	15.6	The Employer shall inform the Bidders, whose Technical Bids are found responsive and on evaluation fulfils the criteria stipulated in the Tender document, of the Date, Time and Place of opening of the Financial Bids. The Bidders so informed, or their representative, may attend the meeting of online opening of Financial Bids.
	15.7	At the time of the online opening of the ‘Financial Bids’, the names of the technically qualified Bidders along with the Bid prices, the total amount of each Bid, and such other details as the Employer may consider appropriate will be announced by the Employer at the time of Bid opening.
	15.8	Bidder may, if deemed necessary by him, send a representative to attend the financial bid opening. Such representative shall have a letter of authorization from the bidder to attend the bid opening on its behalf.
16. Qualification	16.1	Minimum Qualification Criteria

Criteria & Bid Evaluation		To qualify for this tender, the Bidder must satisfy each of the qualifying criteria stipulated in Clauses 16.1.1 to 16.1.2 of ITB. Not satisfying any of the qualification criteria shall render the bid non-responsive and financial bids of such bidders shall not be opened.
	16.1.1	Qualification Criteria for Works
		The Bidder should have successfully completed “Similar Works” in previous 7 years before the last date of the Bid submission as per the criteria specified below:
	a.	3 similar completed services each costing not less than the amount equal to Rs 5.00 Crore of the estimated cost put to this tender, or
	b.	2 similar completed services each costing not less than the amount equal to Rs 6.00 Crore of the estimated cost put to this tender, or
	c.	1 similar completed service costing not less than the amount equal to Rs 10.00 Crores of the estimated cost put to this tender
		Note: The value of the “Completed Work(s)” considered by the Bidders shall be rounded off to the nearest two digits For this purpose, “ Similar Works ” has been defined in Section III: Bid Data Sheet.
	16.1.2	<u>Qualification Criteria for Average Annual Turnover for last three (03) financial years</u>
		The bidder should have an annual average turnover of Rs. 4.00 Crore during the preceding 3 years
	16.1.3	The minimum qualification, essential/desirable experience for each personnel to be engaged on out sourced basis shall be as defined in Section – VI Terms of Reference (ToR).
	16.1.4	In case a bidder fails to meet the eligibility, criteria stipulated in Clause 3 of ITB along with above mentioned minimum qualification criteria, the further process for technical evaluation will not be carried out and such bids shall be treated as non-responsive.
	16.2	<u>Bid Evaluation</u>
	16.2.1	The Bids shall be evaluated based on the eligibility & qualification criteria mentioned in Clause 3 & 16 of ITB. In case a bidder fails to meet the above-mentioned eligibility & qualification criteria, their bids shall be treated as non- responsive and financial bids of such bidders shall not be opened.
	16.2.2	The points earmarked for evaluation of Technical Bids for the responsive Bidders in terms of clause 3 & 16 of ITB would be as stipulated in Section III: Bid Data Sheet.
	16.2.3	<u>Technical Evaluation</u> The Technical Bids must score at least 60 marks out of 100 to become eligible for opening of Financial Bids. In other words, Financial Bids of only those Bidders who’s Technical Bids have a score of 60 marks or more (out of 100) would be opened for further processing.

		<p><u>Financial Evaluation & Final Evaluation</u> Price Bids of only those bidders who obtain the minimum qualification marks prescribed above will be opened and evaluated for final award of the Tender. The work will be awarded to the bidder who quotes the lowest amount as per the financial bid format. However, in case of two or more bidders quoting the lowest amount (same) the bidder who is ranked higher in the technical bid evaluation amongst them will be awarded the work.</p>
	16.2.4	A substantially responsive bid is one that conforms to all the terms, conditions, and specifications of the tender document without material deviation or reservation. A material deviation or reservation is one:
	a.	that affects in any substantial way the scope, quality, or performance of the Works;
	b.	that limits in any substantial way, inconsistent with the tender document, the Employer's rights or the bidder's obligations under the contract; or
	c.	Whose rectification would affect unfairly the competitive position of other bidders presenting substantially responsive bids. Further, a bid will not be considered substantially responsive if the bidder has not offered to undertake all the items of the work as listed in Bill of Quantity (BoQ) of Section V of tender document.
	16.2.5	The estimated effect of price adjustment (if any) provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account while evaluating bids.
	16.2.6	<p>The services will be awarded to the Bidder as per procedure mentioned below:-</p> <ul style="list-style-type: none"> • The Employer shall issue a Letter of Award to the selected Bidder. It may also notify all other Bidders about the decision taken (if requested by other Bidders). • The Consultant/Agency will sign the contract after fulfilling all the formalities / pre-conditions mentioned in the Tender Document, within 15 days of issuance of the Letter of Intent. • The Consultant/ Agency is expected to commence the Assignment/job on the date and at the location specified in Section III Data Sheet.
17. Award of Contract	17.1	<ul style="list-style-type: none"> • The Employer shall issue a LOA to the selected Bidder. It may also notify all other Bidders about the decision taken (if requested by other Bidders).
	17.2	<ul style="list-style-type: none"> • The Contractor will sign the contract after fulfilling all the formalities / pre-conditions mentioned in the Conditions of Contract in Section VII including submission of performance bank guarantee, within 21 days of issuance of the LOA.
	17.3	<ul style="list-style-type: none"> • The Contractor is expected to commence the Assignment / job at the location specified in Section III: Bid Data Sheet.

**SECTION – IV: TECHNICAL BID STANDARD
FORMS**

FORM 4A: LETTER OF BID
(To be submitted on the letter head of the Bidder)

To,
Hydrographic Chief
IWAI, A-13, Sector -1,
Gautam Buddha Nagar
NOIDA - 201301, U.P.

Sub:.....(*insert name of the work*)

Dear Sir,

1. Having examined the information and instructions for submission of tender, General & Special Conditions of Contract, Technical, General and detailed specifications, Bill of Quantities (BoQ) agreement and bank guarantee forms, etc. for the above named works, I/ We(*Name of Bidder*) hereby tender for execution of the works referred to in the tender document in conformity with the said Conditions of Contract, Schedule of quantities for the sum as stated in BoQ of this tender document or such other sum as may be ascertained in accordance with the said conditions of contract.
2. I / We undertake to complete and deliver the whole of the works comprised in the Contract within the time as stated in the tender and also in accordance in all respects with the specifications, Scope of work and instructions as mentioned in the tender document.
3. I / We am / are tendering for the works mentioned in the table below and submitting the EMD in the form of RTGS / NEFT / BG in favour of IWAI Fund payable at Noida from Nationalised / Scheduled bank of India as per the details given therein:

S. No.	RTGS / NEFT		Bank Guarantee		Total EMD (INR)
	Amount (INR)	Details of RTGS / NEFT (No. and Date) and details of the bank (Name of bank, branch, address)	Amount (INR)	Details of the Bank Guarantee (No and Date) and details of the bank (Name of bank, branch, address)	
1					

4. I/ We agree to abide by this tender. I/ We agree to keep the tender open for a period of days (*insert number of days of Bid Validity*) from the last date of Bid Submission or extension thereto as required by the IWAI and not to make any modifications in its terms and conditions.

5. I/ We agree, if I/ we fail to keep the validity of the tender open as aforesaid or I/ we make any modifications in the terms and conditions of my/ our tender, if I/ We fail to commence the execution of the works as above, I/ We shall become liable for forfeiture of my/ our EMD, as aforesaid and IWAI shall without any prejudice to another right or remedy, be at the liberty to forfeit the said EMD absolutely otherwise the said EMD shall be retained by IWAI towards part of security deposit to execute all the works referred to in the tender document upon the terms and conditions contained or referred to therein and to carry out such deviations as may be ordered. Should this tender be accepted, I/ We agree(s) to abide by and fulfil all the terms and conditions and provisions of this tender. No interest is payable on EMD and/ or Security Deposit.
6. I/ We have independently considered the amount of Liquidated Damages shown in the tender hereto and agree that it represents a fair estimate of the loss likely to be suffered by IWAI in the event of works not being completed in time.
7. If this tender is accepted, I/ We undertake to enter into execute at my/ our cost when called upon by the employer to do so, a contract agreement in the prescribed form. Unless and until a formal Agreement is prepared and executed, this tender together with your written acceptance thereto shall constitute a binding contract.
8. **I/We also declare that the firm has not been debarred / blacklisted during the last three years.** Any such discovery relating to debarment or blacklisting is brought to knowledge of the Employer at any stage of the tender / contract would be punishable under existing law and would lead to rescinding or termination of the contract.
9. I/ We understand that IWAI is not bound to accept the lowest or any tender it may receive and may reject all or any tender without assigning any reason.
10. I/ We certify that the tender submitted by me / us is strictly in accordance with the terms, conditions, specifications etc. as contained in the tender document, and it is further certified that it does not contain any deviation to the aforesaid documents.

FORM 4B: ELIGIBLE PROJECTS
(To be submitted on the letter head of the Bidder)
Format for Responsiveness of Bid (Eligible Projects) Project Specific
Experience

[Using the format below, provide information on each assignment for which your firm, and each associate for this assignment, was legally contracted either individually as a corporate entity or as one of the major companies within an JV for carrying similar works under this assignment.]

“Similar Works¹” have been defined in Section III: Bid Data Sheet

S. No.	Client Name ² , Name of work & location of project	Contract Value in INR	Date of start of work	Scheduled completion date	Actual completion date	Details of work (including Similar Work).	Remarks
		Financial ³ value of similar work satisfactorily completed					

Firm's Name :

Authorized Signature :

Notes:

- For the purpose of evaluation, Bidders should assume 7% inflation for Indian Rupees every year and 2% for foreign currency portions per year simple annually.

¹Exhibit only those projects completed in the last Seven (7) years from the **Last Date of Bid Submission**.

²The Bidder shall submit proof of experience from the Client for meeting the minimum qualification details. The Client Certificate submitted by the Client shall contain the details as enlisted in Clause 3.2 of ITB. The works claimed by the Bidder, if not supported with proof of completion as laid down under Clause 3.2 of ITB from the Client will not be considered.

³Against the Contract of works having several components other than the Similar Works, only the relevant component shall be evaluated for contract value, payment value and the actual execution period for the relevant component only should be submitted / specified.

2. Bidders should mention the maximum value of similar works as defined in Clause 16.1.1 of ITB executed during the last seven years (adjusted last day of the month previous to the one in which this Tender is invited).
3. In case of foreign currency, it should first be escalated at the rate mentioned above and then the amount so derived shall be converted to INR at the exchange rate prevailing last day of the month previous to the one in which this Tender is invited.
4. Exchange rate should be taken from official website of RBI (<https://www.rbi.org.in/scripts/ReferenceRateArchive.aspx>)
5. In case exchange rate for the currency in consideration, is not available on RBI website (mentioned above), Bidders shall quote exchange rates from websites such as www.xe.com, www.oanda.com, along with copy of the exchange rate used by the Bidder for the conversion.
6. Any additional comments / information to substantiate that the said work conforms to the specified similar works can also be indicated by the bidder, as deemed fit.

Please limit the description of each project in two A4 size sheet of paper. Descriptions exceeding two (02) A4 size sheet of paper may or may not be considered for evaluation.

FORM 4C: AVERAGE ANNUAL TURNOVER
(To be submitted on the letter head of Chartered Accountant / Statutory Auditor)

Sl. No.	Financial Years	Annual Turnover in INR
1.	
2.	
3.	
4.	Total (1+2+3)	
5.	Average Annual Turnover	<i>[indicate sum of the above figures divided by 3]</i>

Certificate from the Statutory Auditor

This is to certify that*[Name of the Firm][Registered Address]* has received the payments shown above against the respective years.

Name of Authorized Signatory

Designation:

Name of Firm:.....

(Signature of the Statutory Auditor Seal of the Firm)

Note:

In case the Bidder does not have a statutory auditor, it may provide the certificate from a practicing chartered accountant.

FORM 4D: POWER OF ATTORNEY

(To be executed on non-judicial stamp paper of appropriate value in accordance

with relevant Stamp Act and duly notarised. The stamp paper to be in the name of the company who is issuing the Power of Attorney)

**SECTION -VI: TERMS OF REFERENCE
(ToR)**

- All the stations has been built up on land leased by IWAI and each site has 2 nos porta cabins: - 1 for housing the equipment's (List at Table-A) and 2nd for accommodation of the staff deputed for O&M and CAMC. All the stations have electric supply and have 1 nos DG set for ensuring round the clock operation. A monopole tower of 30 m height has been put up at each RIS Station and all the antennae's have been installed on top of it.
 - Land Lease, Maintenance of Porta Cabins, electricity bills, WPC License fee of RIS Stations is being carried out by IWAI.
- a) **Fuel to DG set-** The fuel supply to DG Set is within the scope of Contractor. The DG Sets serves as stand-by in case of electric failure. All the stations has been duly decked up with a 10 KVa auto start/cut Genset. The AMC of DG Set and battery replacement is also within the scope of contractor. Every DG set has 1 battery each of 12V 90 Ah. The fuel charge reimbursement will made on producing of supporting document/bill.
 - b) **UPS:-**All the station has been provided with a 5 KVA UPS. All the UPS have 16 nos (12V 65 Ah) batteries for catering up to 2 hrs of backup. The annual replacement of batteries shall be in the scope of Contractor for which reimbursement will made on producing of supporting document/bill
 - c) **Internet Services and WAN-** All the existing RIS Stations has been provided with MPLS connectivity through BSNL at all the 6 Control/Base Stations. In addition to the lease line a secondary backup connectivity (MW/RF Link/VSAT) is proposed for which the Contractor has to enter into SLA with the service provider and pay the charges to the vendor for which reimbursement will made on producing of supporting document/bill The BoQ caters for this services. In case the uptime falls below the guaranteed level, IWAI will impose the following penalties on the payment due on account of internet charges of the concerned period on pro rata basis.

Uptime per location (monthly)	Penalty in % on the monthly payment.
95%	0%
90% but < 95%	10%
90% but < 85%	25%
Below 85%	No payment

- d) **Civil/Electrical/General maintenance:-** All the RIS Stations has been provisioned with 2 nos. Porta Cabin of size 20 ft x 8 ft x 8ft. One of the porta cabins houses the equipment's and simultaneously office also. Other Porta Cabin has been provisioned for accommodation of operators and requisite furniture, kitchen appliances has been provided therein. In addition, to this the land within the premises is to be maintained in neat and tidy form of RIS premises are within the scope of Contractor for which reimbursement will made on producing of supporting document/bill.

Comprehensive Annual Maintenance Contract

- The Contractor has to accordingly carry out the CAMC of equipment's installed at all the 4 RIS Station. The CAMC will include changing of recommended spares and changing the equipment's, if required. The Contractor will provide the preventive maintenance schedule of equipment's within 45 days of getting the work order. The sufficient quantity of spares are to be maintained and an inventory to this effect needs to be submitted every quarter.
- The equipment's installed at 4 nos. RIS Stations are as per the list at Table-1 of ToR. All these equipment are in working condition. A joint survey, including existing contractor, if available, successful bidder and a representative of IWAI officer shall carryout Handover Takeover inspection jointly. A Handover-Takeover Report shall be sign by all three above mentioned parties. If during this inspection if any equipment is found faulty, same will be either repair/replaced by the previous (existing) contractor or IWAI shall pay to new contractor to repair/replace the defective equipment.
- The successful bidder contractor shall commence work immediately after signing Handover- Takeover Report and new contractor shall not be liable for defective equipment unless it is repaired/replaced and handed over to new contractor. However, under these circumstances, IWAI shall pay full contract amount to new contractor as if every equipment are in working condition as it is not a fault of a new contractor.
- As the above instruments/equipment's are of 2015 vintage suitable system up gradation charges has been considered in the BoQ to bring the equipment's at par with latest standards for which supporting document/invoice is to be attached for reimbursement.
- RIS Phase-III is to be integrated with RIS Phase-I and Phase-II.

Operation and Maintenance

- a) This will entail provision of qualified manpower (as described below) to ensure round the clock operation of RIS Stations. The RIS Stations in past has been successfully utilised for crisis management during the various cyclone. The details of manpower required station-wise is as follows.

S.No	Station	Operator/Technician	Manager
1)	Zamaniya	3	
2)	Ramnagar, Varanasi	3	1
3)	Govindpur	3	-
4)	Maujampur	3	-
	Total	12	1

- b) **Staff - Qualification and Training requirement:**

- i. **Manager-** The manager shall be a degree holder in electronic & communication engineering duly trained by OEM covering necessary subject of VTS & AIS equipment and associated software. The Manager shall be V103/1 certificate holder or trained by IALA certificate holder.
- ii. **Operator-** Operator shall be diploma holder in electronics & communication engineering or Ex. Petty Officer/ Chief Petty Officer (Radar Plotter I of Indian Navy and have undergone IALA VTS Operator Training V103/1 for the personnel monitoring the control station) or diploma holder in electronic and communication engineering who will be subsequently trained by a qualified IALA trainer / Engineer approved by the competent Authority. The training as elaborated above is to be imparted within 1 month. The monthly payment for O&M will be considered only after the training has been imparted.

I. Other Conditions

- Labour Laws & Workmen Compensation Act: All the employees to be deployed should be governed by the prevailing Labour Laws, Workmen Compensation Act and all other prevailing Act/ rules implemented from time to time.
- Statutory dues: The contractor has to remit all statutory dues/ contribution like EPF, ESI, Group Insurance, etc. for their employees deputed for the work.
- AC Supply shall be available. Conditioning of supply, by introduction of **minimum 5 KVA** Stabiliser, will be contractor's responsibility.
- The provision of networking setup for the control stations and base stations is the entire responsibility of the contractor which will be provided at no extra cost.
- The Control Stations will work in co-ordination with other base stations. The Control Stations manager will guide the ship until he handover the monitoring of the particular ship to the next station OR ships goes out of the range of the RIS.
- The operating personnel will be responsible for monitoring of Vessels plying in the same area and will provide complete guideline and follow the track of the ship. They will interact with ships though VHF or any other available communication mode and ensure smooth movement of vessels. Duties and responsibilities enumerated below for each category are general in nature and will be further guided by IWAI from time to time.
- The standard operating procedure will have to establish by the contractor in co-ordination with Control Station and IWAI. The set procedures for dealing the vessels movement shall be strictly followed IMO/PIANC guidelines.
- The operation of RIS is strictly confidential as it will deal with the security and surveillance of the vessels movement in the complete RIS coverage area hence, in no manner or way the personnel are allowed to pass any information or any data to any person in any form who is not authorized. If any information is to be provided to any third party, than

it should be supplied only on the written consent of the concern authorities.

II. DUTIES AND RESPONSIBILITIES OF STAFF

i. RIS Manager

- RIS Manager will be over all in charge of operation of the respective Control Stations of RIS Phase-III and further co-ordination with RIS Phase-II & RIS Phase-I. He will be responsible for satisfactory and efficient operation in order to ensure uninterrupted service of the RIS.
- They will be responsible for entire vessel movements in the RIS area and their proper co-ordination.
- They are responsible for data collection, data evaluation and traffic characteristics of NW-1 (Patna-Varanasi Stretch).
- They will arrange, in case of any interruption/failure of the navigational aids, for the prompt promulgation of notices to Mariners under the laid down procedure.
- They will advise IWAI in working out traffic separation scheme or any related issues with RIS Operation.
- The manager has to submit the report for any eventuality /mishap/driftng/collision of any vessel along with the recommendations to avoid such mishaps to the IWAI immediately.
- The manager may also liase or share data for port authority/ police /district Administration/Coast Guard/Navy/IWAI head office
- In case of rough weather it is advisable that the manager should guide the ships for their position considering overall safety of marine traffic in the Patna-Varanasi Stretch.
- Any other duties as assigned from time to time.
- Working of all the equipment is responsibility of the RIS Manager and he has to maintain all the equipment. In case of repairing requirement of any equipment it should be preferably done through the authorized service dealer of the equipment. The time permitted for the repairing period will be given as per the authorized dealer's standard. However, the manager is responsible to see that the operation of RIS should not hamper for want of any repairing, considering the availability of various connectivity.
- Maintain the logbook and all the relevant record for his duties. To maintain and record all the instructions given by EIC.

ii. RIS Operator

- RIS Operator will control the functioning of Control/Base station in shift.
- They will be responsible for entire vessel movements in their respective jurisdictions and their proper co-ordination during the duty hours.
- The ships and their position, speed, heading and track will be monitored by the operator on the console and he will advise the master of the ships during the entire movement for safe sailing.
- Any other duties as assigned from time to time.
- Maintain the logbook and all the relevant record for his duties
- To maintain and record all the instructions given by EIC.

All the control/base stations have to maintain the record in physical as well as soft form as available with the system. The manager should take care of all the records from any damage / loss / theft.

III. Submission of Report

- i. The station RIS Manager has to submit the reports and details of the RIS to the EIC and concern authorities as maybe instructed. The list of primary reporting is mentioned as under. Notwithstanding that whatever instructions for reporting the events have to be followed station RIS Manage should.
- ii. For any eventuality / mishap/disaster the Control Station Manager should submit the real time report to the concerns as mentioned in the duty list of RIS manager above
- iii. A weekly detailed report stating the parameters of ships and noticeable event should be submitted to IWAI Noida/IWAI Patna/IWAI Varanasi.
- iv. Reports on the new directives, suggestions, working method issued by different authorities.

IV. Administrative and sundry expenses:

- i. The contractor is responsible for all the administrative charges like stationeries, housekeeping, watch keeping, vehicle, drinking water etc. Accordingly, they have to make their every arrangement at their own. The expenses shall have to be borne by the contractor. The contractor has to maintain the premises used by them and the RIS room very neat and clean all the time.
- ii. Maintenance of Porta cabin shall be responsibility of contractor. Outside porta cabin jungle clearance and maintenance will be done by IWAI.
- iii. Security will be provided by IWAI.
- iv. All stations are provided with Bore well and overhead tank for water. In some places civil supply connection is provided along with reservoir (storage tank).
- v. The arrangement for the accommodation is already available at all the sites. No separate T.A. / D.A shall be admissible.
- vi. With this setup the operation of VTMS is planned, however the Contractor shall make the arrangement so that the proxy arrangement to be made before any of the concern official leaves the station. In no case absence of any of person will be allowed.
- vii. The arrangement is to be made to secure the continuous presence of all the employee and round the clock operation of the RIS Stations. However, IWAI will not make any payment for any reserve provisions made by the contractor.

COMPATIBILITY/INTEROPERABILITY WITH OTHER RIS SYSTEM ON NW1

The National Waterway I (NW1) stretches from Allahabad to Haldia covering a distance of 1620 KM. RIS System from Haldia to Patna (in two stretches being executed by one contractor - Phase I & II) is presently under O&M and CAMC. It is envisaged that the entire stretch of waterway shall have seamless data information and voice compatibility. In view of the above, successful bidder shall ensure for compatibility/interoperability in respect of AIS Data (AIVDM Messages) and voice communication with the upcoming set up at Varanasi Control Room, the ship data of entire NW-1 shall be available. In other words, the contractor of Phase-III should interface the system of Phase-III with the RIS system in Phase-I and Phase-II, so that the Operator sitting at Phase-III Control Room at Varanasi, should be able to monitor all the ships plying in the entire NW-1 stretch, on Electronic Navigable Chart (ENC), provided in Phase-III system. If necessary, Contractor of Phase-III may replace the RIS software to achieve above parameters. The Authority shall strive to coordinate with all the contractors in achieving this objective.

The bidder shall clearly describe his vision upon the seamless exchange of data between RIS phase I, II & III. This vision shall be worked out in detail so the information from and to the users on the river is not hindered by possible different systems between RIS Phase I, II & III. Proven concepts shall be preferred as solution. The vision of the bidder shall be given for now and to for a later time where maintenance of Phase I & II comes to an end. Specific attention should be given to the sending of messages to and from the shore by the operator. It should be possible to send messages to all ships in a stretch covering not only Phase 3 RIS but Phase I, II & III together.

SUPPLY/INSTALLATION/COMMISSIONING OF OTHER EQUIPMENTS

1.) Repair/Supply of equipment at Varanasi Control Station:

S. no.	Name of Equipment/Description	Model/Make
1	Cisco 4221 Router	4221 Series Similar or Better
2	SAAB R40 AIS Station (1+1 Standby)	R40 Similar or Better
3	VHF Antenna	CX4 Similar or Better
4	VHF remote client	Similar or Better
5	ICOM-IC M424 G-VHF	IC M424 G Similar or Better
6	Met Sensors	Similar or Better
7	Isolation Transformer	Similar or Better
8	Crop (Central RIS Operating Processor/Data Base Server)	R430 Similar or Better
9	Surge Protector Device	300 Series Similar or Better
10	Goose Mic	Lane, LEM-390 Similar or Better

- a) Bidder shall visit site and note the required Qty. of defective items for making station operational and check the possibility of repairing before quoting.
- b) No additional payment will be done for supply, Installation & Commissioning including transportation for replaced equipment's.

2.) Repair/Supply of equipment at Swaroopganj Base Station:

S. no.	Name of Equipment/Description	Model/Make
1	2 nos. AIS (1+1 Standby)	SAAB/ SAAB R-40 Similar or Better
2	VHF Base Station	JMC/ JMCRT-2500 Similar or Better
3	Pressure Sensor	Similar or Better
4	ROIP Gate Way	Similar or Better
5	Surge Arrestor for 3 phase	Similar or Better
6	Surge Arrestor for single phase	Similar or Better

- a) Bidder shall visit site and note the required Qty. of defective items for making station operational and check the possibility of repairing before quoting.
- b) No additional payment will be done for supply, Installation & Commissioning including transportation for replaced equipment's

3) Repair/Supply of Ship Station equipment's at SL Ghaghra and SL Kosi :

S. no.	Name of Equipment/Description	Model/Make
1	DGPS receiver (Koden, KGP-913 MkIID)	4221 Series Similar or Better
2	Echosounder with transducer	Lawrance, HDS-5x Similar or Better
3	Short range Radar	Lawrance, HDS-8x Similar or Better
4	VHF sets with Antenna	ICOM, IC-M24 Similar or Better
5	AIS Transponder Inland Class-A	Emtrack,A100 Similar or Better
6	Multifunctional Display	Advantech, FPM-7181W-P3AE Similar or Better.

- a) Bidder shall visit site and note the required Qty. of defective items for making ship station operational and check the possibility of repairing before quoting.
- b) No additional payment will be done for supply, Installation & Commissioning including transportation for replaced equipment's.
- c) The location for repair and supply will be informed by EIC and no addition cost will not be entertain for deployment.
- d) All the equipment's are to be interfaced with a suitable software for operational condition.

Note: The successful bidder has to ensure integration of RIS Phase-III with Phase-I & II. No extra amount is to be paid for license/upgrade required to be carried out for integration. All shall be deemed to be included in the contract price.

Payment Schedule

(i) O&M and CAMC of RIS Control (1 no.)/Base Stations (03 nos.)

The Payment for total amount quoted for 03 years for Operation & Maintenance and CAMC will be done on quarterly basis i.e. after 3 (three) months after repairing and functioning of the control/base stations under RIS Phase-III. The period starts from the date of repairing and fully functioning of the control/base stations.

O&M payment shall be made month wise. The payment to the manpower reimbursed on producing of legible proof of payment made to deployed manpower by the Contractor. The period starts from the date of repairing and fully functioning of the control/base stations.

ii) Miscellaneous expenditure including Capex/Opex for ILL/MW link, Fuel charges, Civil/Electrical/General maintenance work, System updgradation charge, Battery replacement as directed by EIC.

Payment shall be paid quarterly i.e. after 3 (three) months after repairing and functioning of the control/base stations under RIS Phase-III.

iii) Payment for Supply/Repairing of equipment's.

a) 80 % Payment for the quoted amount will be released upon the equipment repaired and brought to operational condition.

(b) 20% payment for the quoted amount will be released 3 months after satisfaction functioning of the system.

- All the payments shall be made in Indian Rupees only and shall be subject to applicable Indian Laws for withholding taxes, if any.

GST remittance challan will also provide by the contractor after payment by IWAI.

The "Authority" may terminate this contract at any time for unsatisfactory performance by the Contractor (s), for which "AUTHORITY" shall inform in writing and a proportionate amount, if any, shall be payable for that part of the supply only.

DECLARATION FOR THE SERVICE FOR QUALIFIED PERSONNEL FOR OPERATION AND MAINTENANCE

The Contractor shall declare to the Authority that the services supplied under the contract will comply strictly with the contract and shall be first class and free from defects in every case. The Contractor shall further declare to the Authority that all services by the Contractor for the purpose of the CAMC will be of the most suitable grade, and for their intended purposes. The Contractor shall also declare that the services to be carried out under this contract will conform with generally accepted professional standards.

In the event of occurrence of a fault, and onsite personnel not in a position to overcome the fault, the on-duty person shall inform the CAMC Contractor by phone/email as well as to the Engineer-in Charge and HQ Office Noida giving nature and details of fault (including the date of occurrence) as well as details of attempt made to overcome the fault. On receipt of such notice, the Contractor shall promptly depute their most experienced engineer for the repair or, if required, replace the defective equipment or parts thereof.

If the Contractor, having been notified, fails to remedy the defects (s) in accordance with the contract, the Authority may proceed to take such remedial action as may be necessary at the Contractor expense. The Contractor warranty pursuant to this clause is without prejudice to any other rights or remedies, which the Authority may have against the Contractor under the contract.

Notwithstanding the above, the availability of the system shall not be affected. The contractor is required to maintain minimum 98 % availability of the system. The availability shall be defined as per IALA Manual. If the services is not available to the waterway users for continuous 48 hours, the services shall be considered not available.

The manpower supplied under the contract shall consist of qualified and experienced personnel and shall have valid educational and relevant experience certificate for operation of equipment, instruments installed in the RIS reference station. During the deployment period, the Contractor has to carry out maintenance.

The Contractor shall pay a sum equal to 0.05% of the cost of the CAMC to the station for each day of the work that remains incomplete beyond the stated period of 48 hours on every such occasion provided that such sum will not exceed 10% of the Contract value for the site.

Should it appear to the "AUTHORITY" at any time during the execution of the work that the maintenance /workmanship is unsatisfactory, the AUTHORITY shall have full powers to get the work done through some other contractor/firm as he may consider necessary for the proper execution of the work and shall debit the cost of such/expenses to the contractor which shall be the first charge upon the bill of the contractor.

Notwithstanding the above, the availability of the system shall not be affected. The contractor is required to maintain minimum 98 % availability of the system. The availability shall be defined as per IALA Manual.

Schedule of Work

Comprehensive Annual Maintenance Contract consists of (a) preventive maintenance and (b) corrective maintenance of all the parts of the RIS system and includes the supply and replacement of all the parts/component of main & hot standby system.

In addition to the RIS equipment this contract includes the repair and maintenance of the computer hardware, software, complete RIS/IM/Beacon Rx , antenna systems including Antenna Tuning Unit, Whip/T Antenna, UPSs, DG Sets, etc.

The contractor shall supply free of cost the future updated version of the broadcast station controller software and any other software essential for the smooth operation of the systems.

The contractor should be ready to provide maintenance/repair support on all the days irrespective of any type of holidays.

The contractor shall provide all types of preventive maintenance with tools and plants. It shall include checking of healthiness and regulation of the power supplies, the electrical connections, and various voltages on the PCBs, to run standard test program /software and diagnostics for each system.

Physical cleaning of the interior of the cabinet, checking of any overheating of the components on the PCBs and physical checking of socket mounted ICs connectors and cables for any loose connections shall form the part of preventive maintenance.

The Contractor shall have own test and repair center facility with all special test instruments required for repairs and testing including field checks. Also the contractor shall have trained and experienced engineers for repairs of PCB containing Surface Mounted Devices fitted in the system. The contractor shall furnish documentary evidence to the above, which shall, if required, be verified by the Authority.

The Contractor shall stock all spares and complete spare system having configuration equivalent or better than the configuration of the respective system being maintained for immediate replacement at the site. The authority, at its desecration, may visit and verify such facilities.

The contractor's engineer may visit the sites, every month, for checking the health of the system and for carrying out the preventive maintenance, if required. However, the breakdown maintenance shall be carried out immediately, but not later than 48 hours from the time of reporting.

During the CAMC period, no escalation clause shall be entertained.

**SECTION - VII: GENERAL CONDITIONS OF CONTRACT
(GCC)**

SECTION VII: GENERAL CONDITIONS OF CONTRACT

1. Definitions		
	1.1	“Employer” means the Chairperson, Inland Waterways Authority of India and his successors.
		“Authority / Department / Owner” shall mean the Inland Waterways Authority of India, which invites tenders on behalf of the Chairperson, IWAI and includes therein-legal representatives, successors and assigns.
	1.1.3	“Chairperson” means Chairperson of Inland Waterways Authority of India.
	1.1.4	“Chief Engineer” means the Chief Engineer of the Authority, as the case may be.
	1.1.5	“Director” means the Director of the Authority, as the case may be.
	1.1.6	“Deputy Director” means the Deputy Director of the Authority, as the case may be.
	1.1.7	“Contractor” means the successful Bidder who has been awarded the contract to perform the work covered under this tender document and shall be deemed to include the Contractor’s successors, executors, representatives or assigns approved by the Engineer.
	1.1.8	“Contractor's Representative” means the person named by the Contractor in the Contract or appointed from time to time by the Contractor, who acts on behalf of the Contractor.
	1.1.9	“Employer's Personnel” means the Engineer, the assistants and all other staff, labour and other employees of the Engineer and of the Employer; and any other personnel notified to the Contractor, by the Employer or the Engineer, as Employer's Personnel.

1.1.14	“Contract” means the documents forming the tender and acceptance thereof and the formal agreement executed between the competent authority on behalf of the Chairman, Inland Waterways Authority of India and the contractor, together within the documents referred to therein including these conditions, the specifications, designs, drawings and instructions issued from time to time by the Engineer and all these documents taken together shall be deemed to form one contract and shall be complementary to one another.
1.1.15	“Party” means either the Employer or the Contractor as the case may be and “Parties” means both of them.
1.1.16	“Commencement Date” means the date notified under clause 12.1.
1.1.17	“Day” means a calendar day beginning and ending at midnight.
1.1.18	“Week” means seven consecutive calendar days.
1.1.19	“Month” means one Calendar month
1.1.20	“GCC” means the General Conditions of Contract.
1.1.21	“SCC” means the Special Conditions of Contract.
1.1.22	“Work / Works” means work / works to be executed in accordance with the contract.
1.1.23	“Work Order” means a letter from the Authority conveying the acceptance of the tender/offer subject to such reservations as may have been stated therein.
1.1.24	“Letter of Acceptance” means the formal letter issued by

		the Employer to successful bidder to notify the acceptance of the offer of contractor and shall specify including other terms and conditions, total contract price in consideration of execution & completion of works and the remedying of any defect therein by the contractor in accordance with the terms and conditions of the contract.
	1.1.25	“Bill of Quantities” means the price schedule and complete bill of quantities forming part of the Contract.
	1.1.26	“Contract Price” means the price as specified in the letter of acceptance subject to additions and adjustments thereto or deductions therefrom as may be made pursuant to the offer.
	1.1.27	“Cost” means all expenditure reasonably incurred (or to be incurred) by the Contractor, whether on or off the Site, including overhead and similar charges, but does not include profit.
	1.1.28	“Accepted contract Amount” means the amount accepted in the Letter of Acceptance for the execution and completion of the Works including remedying of any defects.
	1.1.29	“Applicable Law” means the laws and any other instrument having the force of law in India for the time being.
	1.1.30	“Approval” means consent by the Employer in writing
2. Interpretations	2.1	Where the contract so requires, words imparting the singular only shall also include the plural and vice versa. Any reference to masculine gender shall whenever required include feminine gender and vice versa.
	2.2	Heading and marginal notes in these General Conditions shall not be deemed to form part thereof or be taken into consideration in the interpretation of construction thereof of the contract.
	2.3	Wherever in the Contract, provision is made for the giving or issuing of any notice, consent, approval, certificate or determination by any person, unless otherwise specified such notice, consent, approval, certificate or determination shall be in writing and the words “notify”, “certify” or “determine” shall be construed accordingly. Any such consent, approval, certificate or determination shall not

		unreasonably be withheld or delayed.
	2.4	<p>Law and Language</p> <p>The Contract shall be governed by the law of the country (Indian Law).</p> <p>The language for communications shall be English.</p>
	2.5	<p>Priority of Documents</p> <p>The documents forming the Contract are to be taken as mutually explanatory of one another. For the purposes of interpretation, the priority of the documents shall be in accordance with the following sequence:</p>
	(a)	the Contract Agreement,
	(b)	the Integrity Agreement
	(c)	the Letter of Acceptance / Firm work order
	(d)	Special Conditions of Contract
	(e)	General Conditions of Contract
	(f)	The priced Bill of Quantities
	(g)	The Drawings and Annexures.
	(h)	The Technical Specification
	(i)	Addendum / Corrigendum
	(j)	Minutes of the Meeting of Critical Design Review
	(k)	Technical Bid
	(l)	Post bid correspondences and any other document forming part of contract.
		If any ambiguity or discrepancy is found in the documents, the Employer / Engineer shall be the sole authority to issue any necessary clarification or instruction in this regard.
	2.6	<p>Contract Agreement</p> <p>The Parties shall enter into a Contract Agreement within 21 days after the issue of the Letter of Acceptance. The Contract Agreement shall be in the format annexed to the</p>

		bid. The costs of stamp duties and similar charges (if any) imposed by law in connection with entry into the Contract Agreement shall be borne by the Bidder.
	2.7	Joint and Several Liability If the Contractor constitutes (under applicable Laws) a joint venture or consortium of two or more persons/ companies
	(i)	these persons / companies shall be deemed to be jointly and severally liable to the Employer for the performance of the Contract;
	(ii)	These persons / companies shall notify the Employer of their leader who shall have authority to bind the Contractor and each of these persons / companies.
	(iii)	The Contractor shall not alter its composition or legal status without the written prior consent of the Employer.
3. Signing of Agreement	3.1 (a)	The parties to the contract are the contractor and the owner.
	(b)	Authority of Persons signing the Contract on behalf of the Contractor A person signing the tender or any other document in respect of the contract on behalf of the contractor without disclosing his authority to do so shall be deemed to warrant that he has authority to bind the contractor. If it is discovered at any time that the person so signing had no authority to do so, the Chairman on behalf of Authority may, without prejudice to any other right or remedy of the owner, cancel the contract and hold such person liable to the owner for all costs and damages arising from the cancellation of the contract including any loss which the owner may sustain on account of such purchase. The provisions of clause 11 apply to every such purchase as far as applicable.
	(c)	Address of the Contractor and notices & communication on behalf of the Owner
	(i)	For all purposes of the contract including arbitration there under, the address of the contractor mentioned in tender shall be the address to which all communication addressed to the contractor shall be sent, unless the contractor has notified a change by a separate letter containing no other communication and sent by registered

		post due to The Chairman, Inland Waterways Authority of India, A-13, Sector-1, NOIDA, Gautam Budh Nagar Distt (U.P.) 201301. The Contractor shall be solely responsible for the consequence of an omission to notify a change of address in the matter aforesaid.
	(ii)	Any communication or notice on behalf of the owner, in relation to the contract may be issued to the contractor by the owner, and such communications and notices may be served on the contractor either by email or fax or courier or registered post or under certificate of posting or by ordinary post or by hand delivery at the option of the owner.
	3.2	Authority of the Chairman For all purposes of the contract including arbitration proceeding there under, the Chairman on behalf of the Authority shall be entitled to exercise all the rights and powers of the owner.
4. Performance Security & Security Deposit	4.1	For All Bidders including MSE Registered Firms The contractor shall be required to deposit an amount equal to 5% of the contract value of the work as Performance Security in the form of an irrevocable bank guarantee bond of any nationalized / scheduled bank of India in accordance with the form prescribed within 15 days of the issue of the LOA.
	4.2	A sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the contractor till the sum along with the sum already deposited as the earnest money in the form of RTGS will amount to security deposit of 5% of the contract value of work. The Earnest money of the successful bidder submitted in the form of RTGS will be retained as Security Deposit. Bank guarantee will not be accepted as security deposit. In case of MSE registered firms, deduction of a sum of 10% of the gross amount of the bill from each running bill till that amount reaches 5% of the contract value of the work as Security Deposit will also be made.
	4.3	Release of Performance Security & Security Deposit The Performance Bank Guarantee shall be valid up to the stipulated date of completion plus ninety days beyond that. No claim shall be made against such bank guarantee and such bank guarantee shall be returned to the Contractor within 21 days of the completion of the aforesaid period. In case of extension of time, the Contractor shall get the validity of the Performance Bank Guarantee extended to cover such extension of time of the work.
	4.4	The total security deposit shall remain with the Owner till the completion of the contract or the payment of the final bill payable in accordance with agreement conditions

		whichever is later, provided the Engineer is satisfied that there is no demand outstanding against the Contractor.
	4.5	No interest will be paid on security deposit.
	4.6	If the Contractor neglects to observe or fails to perform any of his obligations under the contract, it shall be lawful for the Owner to forfeit either in whole or in part, the Security Deposit furnished by the Contractor. However, if the Contractor duly performs and completes the contract in all respects and presents in absolute "NO DEMAND CERTIFICATE" in the prescribed form, the Owner shall refund the Security Deposit to the Contractor after deduction of cost and expenses that the Owner may have incurred and other money including all losses and damages which the Owner is entitled to recover from the Contractor.
	4.7	In case of delay in the progress of work, the Owner shall issue to the Contractor a notice in writing pointing out the delay in progress and calling upon the Contractor to explain the causes for the delay within 3 days of receipt of the notice or 10 days from issuance of notice whichever is earlier. If the Owner is not satisfied with the explanations offered, he may withhold payment of pending bills in whole or in part and / or get the measures of rectification of progress of work accelerated to the pre-defined level at the risk and cost of the Contractor and if necessary, forfeit the Security Deposit.
	4.8	All compensation or other sums of money payable by the Contractor under the terms of the contract or any other contract or on any other account whatsoever, may be deducted from or paid by the sale of a sufficient part of his security or from any sums which may be due or may become due to the Contractor by the Owner on any account whatsoever. Also in the event of the Contractor's Security Deposit falls short of such deductions or sale, as aforesaid the Contractor shall, within 14 days of receipt of notice of demand from the Employers representative make good the deficit in his Security Deposit.
	4.9	In case the contractor fails to commence the operation after handing over of the survey launch to him or when the contractor has defaulted for more than thirty days or when covered from the contract as penalty or deduction and the contractor fails to pay such amount even after due notice is given to him in this regard, the Owner shall at its own discretion encash the bank guarantee furnished as performance guarantee and /or recover the sum from his security deposit.
5. Sufficiency of Tender	5.1	The contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates quoted in the schedule of Quantities and Prices which shall (except as otherwise provided in the contract) cover all his obligations

		under the contract and all matters and things necessary for the proper execution and completion of the works in accordance with the provisions of the contract and its operation during execution of work.
6. Contract Documents	6.1	The language in which the contract documents shall be drawn up shall be English and if the said documents are written in more than one languages, the language according to which the contract is to be constructed and interpreted shall be English.
	6.2	The Contractor shall be furnished free of charge certified true copy of the contract document.
	6.3	A copy of the Contract Documents furnished to the Contractor as aforesaid shall be kept by the Contractor on the Site in good condition and the same shall at all reasonable time be available for inspection and use by the Engineer-in-Charge, his representatives or by other Inspecting officers of the Authority.
	6.4	None of these Documents shall be used by the Contractor for any purpose other than that of this contract.
7. Discrepancies and Adjustment of Errors	7.1	In case of discrepancy between the Schedule of Quantities and prices, Specifications, the following order of precedence shall be observed: -
	(a)	Description in the Schedule of Quantities and Prices.
	(b)	Contract Specifications and Special Conditions, if any.
	7.2	The contractor shall study and compare the drawings, specifications and other relevant information given to him by the Engineer-in-Charge and shall report in writing to the Engineer-in-Charge any discrepancy and inconsistency which he notes. The decision of the Engineer-in-Charge regarding the correct intent and meaning of the drawings and specifications shall be final and binding.
	7.3	Any error in description, quantity or price in Schedule of Quantities and Prices or any omission there from shall not vitiate the Contract or release the Contractor from the execution of the whole or any part of the work(s) comprised therein according to specifications or from any of his obligations under the contract.
	7.4	If on check there is difference in the amount worked out by contractor in the schedule of quantities and prices and General summary the same shall be adjusted in accordance with the following rules:

	(a)	In the event of error/discrepancy occurring in the rates written in figures and words, then the rate which corresponds with the amount worked out by the contractor shall, unless otherwise proved, be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rate written either in figures or in words, then the rate quoted by the contractor in words shall be taken as correct. When the rate quoted by the contractor in figures and words tally, but the amount is not worked out correctly, the rate quoted by the contractor will, unless or otherwise proved, be taken as correct.
	(b)	All errors in totaling in the amount column and in carrying forward totals shall be corrected.
	(c)	The totals of various sections of schedule of quantities and price amended shall be carried over to the General Summary and the tendered sum amended accordingly. The tendered sum so altered shall, for the purpose of tender, be substituted for the sum originally tendered and considered for acceptance instead of the original sum quoted by the tenderer. Any rounding off of quantities or in sections of schedule of quantities and prices or in General summary by the tenderer shall be ignored.
8. Duties and Powers of the Engineer-In-Charge Representative	8.1	The duties of the representative of the Engineer-in-Charge are to watch and supervise the work performed by various category of Technical Manpower with respect to discharge of the intended duty.
	8.2	The Engineer-in-Charge may, from time to time in writing, delegate to his representative any of the powers and authorities, vested in the Engineer- in- Charge and shall furnish to the contractor a copy of all such written delegation of powers and authorities. Any written instruction or written approval given by the representative of the Engineer-in-Charge to the contractor within the terms of such delegation shall bind the contractor and the Authority as though it has been given by the Engineer-in-Charge.
	8.3	Failure of the representative of the Engineer-in-Charge to disapprove any work or materials shall be without prejudice to the power of the Engineer-in-Charge thereafter to disapprove such work. The contractor shall, at his own expense, again carry out such works as directed by the Engineer-in-Charge.

	8.4	If the Contractor is dissatisfied with any decision of the representative of the Engineer-in-Charge, he will be entitled to refer the matter to the Engineer-in-Charge who shall thereupon confirm, reverse or vary such decision and the decision of the Engineer-in-Charge in this regard shall be final and binding on the contractor.
9. Assignment and Sub-Letting	9.1	The Contractor shall not sub-let, transfer or assign the whole or any part of the work under the contract. Provided that the Engineer-in-Charge may at his discretion, approve and authorize the Contractor to sub-let any part of the work, which in his opinion, is not substantial, after the contractor submits to him in writing the details of the part of the work(s) or trade proposed to be sublet, the name of the sub-contractor thereof together with his past experience in the said work/trade and the form of the proposed sub-contract. Nevertheless, any such approval or authorization by the Engineer-in-Charge shall not relieve the contractor from his any or all liabilities, obligations, duties and responsibilities under the contract. The contractor shall also be fully responsible to the Authority for all the acts and omissions of the sub-contractor, his employees and agents or persons directly employed by the contractor. However, the employment of piece rate works shall not be construed as sub-letting.
10. Facilities to Other Contractors	10.1	The contractors shall, in accordance with the requirements of the work as decided by the Engineer-in-Charge, afford all reasonable facilities to other contractors engaged contemporaneously on separate contracts and for departmental labour and labour of any other agency properly authorized by Authority or any statutory body which may be employed at the site for execution of any work not included in the contract which the Authority may enter into in connection with or ancillary to the works. In all matters of conflict of interest, the Engineer-in-Charge shall direct what compromise should be made and his decision shall be final and binding on the parties.
11. Change in the Constitution of The Firm to be Intimated	11.1	Where the contractor is a partnership firm, prior approval in writing of the Engineer-in-Charge shall be obtained before any change is made in the constitution of the firm. Where the contractor is an individual or a Hindu Undivided Family business concern, such approval, as aforesaid, shall like-wise be obtained before the contractor enters into any partnership agreement where under the partnership firm would have the right to carry out the works hereby undertaken by the contractor. If prior approval as aforesaid is not obtained the contractor shall be deemed to have been assigned in contravention to Clause 31 hereof and the same action will be taken and the same consequences shall ensure as provided for in the said clause-31.

12. Commencement of Work	12.1	The contractor shall commence the work and supply the manpower at the respective sites within 15 days of the issue of Contract Agreement. If the contractor commits default in mobilization of resources, as aforesaid, the Engineer-in-Charge shall without prejudice to any other right or remedy be at liberty to cancel the contract and forfeit the earnest money/security deposit.
13. Works to be carried out in accordance with specification and orders etc.	13.1	The contractor shall execute the whole and every part of the work in the most substantial and workman like manner in strict conformity with the specifications laid down in the contract document or as may be laid down by the Engineer-in-Charge under the terms of the contract. The contractor shall also conform exactly, fully and faithfully to the specifications and instructions in writing in respect of the work, duly signed by the Engineer-in-Charge as may be issued from time to time.
	13.2	The contractor shall be entitled to receive, on demand, in addition to the contract documents, in accordance with the provisions of contract, the documents set forth herein in respect of the work on commencement or during the performance of the contract:
	(a)	Specifications or revisions thereof from time to time
	(b)	Explanations, instructions etc.
		Such further explanation, modifications and instruction, as the Engineer-in-Charge may issue to the contractor from time to time in respect of the work shall be deemed to form integral part of the contract and the contractor shall be bound to carry out the work accordingly.
	13.3	All instructions and orders in respect of the work shall be given by the Engineer-in-Charge in writing. However, any verbal instructions or order shall be confirmed by the Engineer-in-Charge as soon as practicable without loss of time and only such written instruction shall be deemed to be valid.
14. Setting Out the Works	14.1	The contractor shall provide all assistance and adhere to the instruction of E.I.C during the course of the contract.
15. Urgent Work	15.1	If any urgent work (in respect of which the decision of the Engineer-in-Charge shall be final and binding) becomes necessary, the contractor shall execute the same as may be directed by Engineer-in-Charge, provided the directions are in accordance and confirmatory with provisions in Clause - 8.
16. Deviations, Variations and	16.1	The Engineer-in-Charge shall have power (i) to make alteration in, omissions from, additions to, or substitutions for the original specifications and

Extent		instructions that may appear to him to be necessary or advisable during the progress of the work, and (ii) to omit a part of the works for any reasons and the contractor shall be bound to carry out the works in accordance with any instructions given to him in writing signed by the Engineer-in-Charge and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted work which the contractor may be directed to do in the manner specified above as part of the works, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided.
17. Contractor's Supervision	17.1	The contractor shall either himself supervise the execution of the works or shall appoint at his own expense, a qualified and experienced Engineer as his accredited agent approved by the Engineer-in-Charge, if contractor has himself not sufficient knowledge or experience to be capable of receiving instruction or cannot give his full attention to the works. The contractor or his agent shall be present at the site(s) and shall supervise the execution of the works with such additional assistance in each trade, as the work involved shall require and considered essential by the Engineer-in-Charge. Further the directions/instructions given by the Engineer-in-Charge to the contractor's agent shall be considered to have the same force as if these had been given to the contractor himself.
	17.2	If the contractor fails to appoint a suitable agent as directed by the Engineer-in-Charge, the Engineer-in-Charge shall have full powers to suspend the execution of the works until such date as a suitable agent is appointed by the contractor and takes over the charge of supervision of the work. For any such suspension, the contractor shall be held responsible for delay so caused to the work.
18. Instructions and Notice	18.1	Except as otherwise provided in this contract, all notices to be given on behalf of the Authority and all other actions to be taken on its behalf may be given or taken by the Engineer-in-Charge or any officer for the time being entrusted with the functions, duties and powers of the Engineer-in-Charge.
	18.2	All instructions, notices and communications etc. under the contract shall be given in writing and any such oral orders / instructions given shall be confirmed in writing and no such communication which is not given or confirmed in writing shall be valid.
	18.3	All instructions, notices and communications shall be deemed to have been duly given or sent to the contractor, if delivered to the contractor, his authorized agent, or left at, or posted to the address given by the contractor or his authorized agent or to the last known place of abode or business of the contractor or his agent of services by post

		shall be deemed to have been served on the date when in the ordinary course of post these would have been delivered to him and in other cases on the day on which the same were so delivered or left.
19. Laws Governing the Contract		The Courts at Noida only shall have the jurisdiction for filing the award of the arbitration and for any other judicial proceedings.
20. Work during night or on Sundays and holidays	20.1	Subject to any provisions to the contrary contained in the contract, none of the works shall be carried out during Sundays and national holidays without the permission in writing of the Engineer-in-Charge. However, when work is unavoidable or necessary for safety of life, property or works, contractor shall take necessary action immediately and advise the Engineer-in-Charge accordingly.
	20.2	The Engineer-in-Charge at its discretion may, however, direct the contractor that the work may be carried out on holidays, Sundays and/or in extra shifts to ensure completion of works under the contract as scheduled.
21. Technical Expertise	21.1	The vendor shall be authorised representative of OEM for any/all of the equipment's detailed in ToR
Technical Man power	21.1(a)	The contractor shall provide personnel in required numbers for the intended work to the satisfaction of the Engineer-in-Charge. The Contractor shall not employ in connection with the works any person who has not completed eighteen years of age the minimum age specified in Indian Labour Law.
	(b)	The minimum qualification and essential / desirable experience for each personnel to be deployed is given in Section VI: ToR.
	(c)	If any foreigner is employed by the contractor on the work within the site the later shall ensure that such foreigner possesses the necessary special permit issued by the Civil Authorities in writing and also comply with the instructions issued there-from from time to time. In the event of any lapse in this regard on the part of such foreigner the contractor shall be personally held responsible for the lapse & IWAI shall not be liable in any event.
	(d)	The Contract is liable for cancellation if either the contractor himself or any of his employee is found to be a person who has held Class-I post under the IWAI immediately before retirement and has within two years of such retirement accepted without obtaining the previous permission of the IWAI or of the Chairman as the case may be and employment as contractor for, or in connection with the execution of the public works, or as an employee of such contractor. If the contract is terminated on account of the failure of the contractor to comply with the

		above clause, the IWAI shall be entitled to recover from him such damages as may be determined by the Engineer-in-Charge with due regard to the inconvenience caused to the IWAI on account of such termination without prejudice to the IWAI's right to proceed against such officer.
	21.2	The contractor shall in respect of personnel employed by him either directly or through sub-contractor comply with or cause to be complied with the contract labour (Regulation and Abolition) Act 1970 amended from time to time and Rules framed there under in regard to all matters provided therein.
	21.3	The Contractor shall also comply with the provisions of all Acts, Laws, any Regulation or Bye Laws of any Local or other Statutory Authority applicable in relation to the execution of works such as:
	(i)	Payment of Wages Act, 1936 (Amended)
	(ii)	Minimum Wages Act, 1948 (Amended).
	(iii)	The Contract Labour (Regulation & Abolition) Act, 1970 with Rules framed there under as amended.
	(iv)	Workmen Compensation Act, 1923 as amended by Amendment Act no.65 of 1976.
	(v)	Employer's Liability Act 1938 (Amended)
	(vi)	The Industrial Employment (Standing orders) Act 1946 (Amended).
	(vii)	The Industrial Disputes Act. 1947 (Amended)
	(viii)	Payment of Bonus Act.1965 and Amended Act No. 43 of 1977 and No. 48 of 1978 and any amended thereof:
	(ix)	The Personal Injuries (Compensation Insurance) Act 1963 and any modifications thereof and rules made there under from time to time. The Contractor shall take into account all the above and financial liabilities in his quoted rates and nothing extra, whatsoever, shall be payable to him on this account.
		The list is indicative only; otherwise the contractor should be aware of all the Acts/Labour Laws and should follow diligently on the work. The contractor shall be fully and personally responsible for the violation of any Act/Labour Law
	21.4	The Contractor shall be liable to pay his contribution and the employees' contribution to the State Insurance Scheme in respect of all labour employed by him for the execution of the contract, in accordance with the provision of "the Employees State insurance Act 1948" as amended from time to time. In case the Contractor fails to submit full details of his account of labour employed and the

		contribution payable, the Engineer-in- Charge shall recover from the running bills the contribution amount as assessed by him. The amount so recovered shall be adjusted against the actual contribution payable for Employees State Insurance
	21.5	The Engineer-in-Charge shall on a report having been made by an inspecting officer as defined in the Contract Labour (Regulation and Abolition) Act and Rules or on his own in his capacity as Principal Employer, have the power to deduct from the amount due to the contractor any sum required for making good the loss suffered by worker(s) by reason of non-fulfilment of the conditions of the Contract for the benefit of Workers, non-payment of remuneration or on account of deduction made from the remuneration of the workers which are not justified by the terms of the contract or non- observance of the said Act and Rules framed there under with amendments made from time to time.
	21.6	The Contractor shall indemnify the Authority against any payments to be made under and for observance of the Regulation Laws, Rules as stipulated in Clause-22.4 above without prejudice to his right to claim indemnity from his sub-contractors. In the event of the contractor's failure to comply with the provisions of all the Acts/Laws stipulated in Clause-22.4 or in the event of decree or award or order against the contractor having been received from the competent authority on account of any default or breach or in connection with any of the provisions of the Acts/Laws/Rules mentioned in Sub-Clause 22.4 above, the Engineer-in-Charge without prejudice to any other right or remedy under the contract shall be empowered to deduct such sum or sums from the Bill of the contractor or from his security deposit or from other payment due under this contract or any other contract to satisfy within a reasonable time the provisions of the various Acts/Laws/Rules/Codes as mentioned under Sub-Clause 22.4 above, on the part of the contractor under the contract on behalf of and at the expenses of the contractor and make payment and /or provide amenities/facilities/services accordingly. In this regard, the decision of the Engineer-in-Charge shall be conclusive and binding on the contractor.
	21.7	In the event or the Contractor committing a default or breach of any of the provisions of the aforesaid Contract's Labour (Regulation and Abolition) Act and Rules as amended from time to time or furnishing any information or submitting or filling any form/Register/Slip under the provisions of these Regulations which is materially incorrect then on the report of the Inspecting officer as defined in the relevant Acts and Rules as referred in Clause 22.4, the Contractor shall without prejudice to any other liability pay to the Authority a sum not exceeding Rs.50/- (Rs. Fifty only) as liquidated damages for every

		default, breach or furnishing, making, submitting, filling materially incorrect statement as may be fixed by the Engineer-in-Charge. The decision of the Engineer-in-Charge in this respect shall be final & binding.
	21.8	The Contractor shall at his own expenses comply with or cause to be complied with the Provisions/ Rules provided for welfare and health of Contract Labour in the Contract Labour (Regulation and Abolition) Act and other relevant Acts and Rules framed there under or any other instructions issued by the Authority in this regard for the protection of health and for making sanitary arrangements for workers employed directly or indirectly on the works. In case the contractor fails to make arrangements as aforesaid, the Engineer-in-Charge shall be entitled to do so and recover the cost thereof from the contractor.
	21.9	The Contractor shall at his own expense arrange for the safety or as required by the Engineer-in-Charge, in respect of all Personnel employed for performance of the Works and shall provide all facilities & safety gears in connection therewith. In case the contractor fails to make arrangements and provide necessary facilities as aforesaid, the Engineer-in- Charge shall be entitled to do so and recover the cost thereof from the Contractor. But this will not absolve the contractor of his responsibility or otherwise thereof.
	21.10	In the event of any injury, disability or death of any workmen in or about the work employed by the contractor either directly or through his sub-contractor, contractor shall at all time indemnify and save harmless the Authority against all claims, damages and compensation under the Workmen Compensation Act. 1923 as amended from time to time or in other Law for the time being in force and Rules there-under from time to time and also against all costs, charges and expenses of any smooth action by proceedings arising out of such accidents or injury, disability or death of a workmen and against all sum or sums which may with the consent of the contractor be paid to compromise or compound any claim in this regard. If any award, decree or order is passed against the contractor for recovery of any compensation under the Workmen Compensation Act, 1923, for any injury, disability or death of a workman by any competent court, the said sum or sums shall be deducted by the Engineer-in-Charge from any sum then due or that may become due to the contractor or from his security deposit or sale thereof in full or part under the contract or any other contract with the Authority towards fulfilment of the said decree, award or orders.
	21.11	Provided always that the contractor shall have no right to claim payments/claims whatsoever on account of his compliance with his obligations under this clause and Labour Regulations.

	21.12	The contractor shall not otherwise than in accordance with the statutes ordinance and Government Regulations or orders for the time being in force import, sell, give, barter or otherwise dispose of any alcoholic liquor or drugs to permit or suffer any such import, sale, gift, barter or disposal by his sub-contractor, agent or employees.
	21.13	The contractor shall not give, barter or otherwise dispose of to any person or persons any arms or ammunition of any kind or permit to suffer the same as aforesaid.
	21.14	The Contractor shall employ for the execution of the works only such persons as are skilled and experienced in their respective trades and Engineer-in-Charge shall be at liberty to object to and require the contractor to remove from the works any persons employed by the Contractor for the execution of the works who, in the opinion of the Engineer-in-Charge, misconduct himself or is incompetent or negligent in the proper performance of his duties.
		The contractor shall forthwith comply with such requisition and such person shall not be again employed upon the works without permission of the Engineer-in-Charge.
22. Force Majeure	22. 1	The term Force Majeure shall herein mean Riots (other than among the contractor's employees), Civil Commotion (to the extent no insurable), war (whether declared or not), invasion, act of foreign enemies, hostilation, civil war, rebellion, revolution, insurrection, military or usurped power, damage from aircraft, nuclear fission, acts of God, such as earthquake (above 7 magnitude on Richter Scale), lightning, unprecedented floods, fires not caused by contractor's negligence and other such causes over which the contractor has no control and are accepted as such by the Engineer-in-Charge, whose decision shall be final and binding. In the event of either party being rendered unable by Force Majeure to perform any obligation required to be performed by them under this contract, the relative obligation of the party affected by such Force Majeure shall be treated as suspended for the period during which such Force Majeure cause lasts, provided the party allowing that it has been rendered unable as aforesaid, thereby shall notify within 15 days of the alleged beginning and ending thereof giving full particulars and satisfactory evidence in support of such cause.
	22.2	For delays arising out of Force Majeure, the bidder shall not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure and neither the Authority nor the bidder shall be liable to pay extra costs provided it is mutually established that Force Majeure conditions did actually exist.
	22.3	If any of the Force Majeure conditions exists in the places of operation of the bidder even at the time of submission

		bid, he shall categorically specify in his bid and state whether they have been taken into consideration in their quotations.
23. Liability for damage, defects or imperfections and rectification thereof	23.1	If the personnel supplied by the contractor injure any person or destroy or damage any item belonged to IWAI including the vessel on which they are deployed during the tenure of a contract, the contractor shall upon receipt of a notice in writing in that behalf from Engineer-in-charge make good the same at his cost.
	23.2	All damages caused by accidents or carelessness of the contractor or any of his employees or any property belonging to the Authority is wasted or is misused by the contractor or any of his employees shall be to the account of the contractor, who shall make good the loss.
	23.3	Performance Guarantee/Security Deposit may also be forfeited at the discretion of Authority to partially make good the loss suffered by the Authority
24. Contractor's Liability and Insurance	24.1	From commencement to completion of the work(s) as a whole, the Contractor shall take full responsibility for the care thereof and for taking precautions to prevent loss or damage by the personal supplied by the contractor.
	24.2	Neither party to the contract shall be liable to the other in respect of any loss or damage which may occur or arise out of "Force Majeure" to the works or any part thereof on to any material or article at site but not incorporated in the works or to any person or anything or material whatsoever or either party provided such a loss or damage could not have been foreseen or avoided by a prudent person and the either party shall bear losses and damages in respect of their respective men and materials. As such liability of either party shall include claims/ compensations of the third party also.
	24.3	Provided, however, in an eventuality as mentioned in sub-clause - 25.2 above, the following provisions shall also have effect:
	(a)	The Contractor shall, as may be directed in writing by the Engineer-in-Charge proceed with the completion of the works under and in accordance with the provisions and conditions of the contract, and
	(b)	The Contractor shall, as may be directed in writing by the Engineer-in-charge, at his own cost, repair and make good so much of the loss or damage as has been occasioned by any failure on his part to perform his obligations under the contract or not taking precautions to prevent loss or damage or minimize the amount of such loss or damage, Final assessment of loss or damage shall be decided by the Engineer-in-Charge and his decision shall be final and binding.

	24.4	The contractor shall indemnify and keep indemnified the Authority against all losses and claims for death, injuries or damage to any person or any property whatsoever which may arise out of or in consequence of the service during the contract period and also against all claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect of or in relation thereto, and such liabilities shall include claims/compensations of the third party.
	24.5 (a)	Before commencing execution of the work, the Contractor shall without in any way limiting his obligations and responsibilities under this condition, insure against any damage, loss or injury which may occur to any property (excluding that of the Authority but including the Authority building rented to the contractor wholly or in part and any part of which is used in part and any part of which is used by him for storing combustible materials) public liability by arising out of the carrying out of the contract. For this purpose the contractor shall take out, pay all costs and maintain throughout the period of his contract public liability with the following coverage.
	(i)	Public liability limits for bodily injury or death not less than Rs. 1,00,000 for one person and Rs. 2,00,000 for each accident.
	(ii)	Property liability limits for each accident not less than Rs. 1,00,000/-
	(iii)	The Contractor shall prove to the Engineer-in Charge from time to time that he has taken out all the insurance policies referred to above and has paid the necessary premiums for keeping the policies alive till legacy of the contract.
	(b)	The Contractor shall ensure that similar insurance policies are taken out by his sub-contractor (if any) and shall be responsible for any claims or losses to the Authority resulting from their failure to obtain adequate insurance protection in connection thereof. The Contractor shall produce or cause to be produced by his sub-contractors (if any) as the case may be, relevant, policy or policies and premium receipt as and when required by the Engineer-in-Charge.
	(c)	If the contractor and/or his sub- contractor (if any) shall fail to effect and keep in force the insurance referred to above or any other insurance which he/they may be required to effect under the term of the Contract then and in any such case the Authority may, without being bound to effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time deduct the amount so paid by the Authority from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor.

<p>25. Foreclosure of contract in full or in part due to abandonment or reduction in scope of work</p>	<p>25.1</p>	<p>If at any time after acceptance of the tender the Authority decides to abandon or reduce the scope of the works for reason whatsoever and hence does not require the whole or any part of the works to be carried out, the Engineer-in-Charge (with the prior approval of competent authority) shall give notice in writing to that effect to the contractor and the Contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he could not derive in consequence of the fore closure of the whole or part of the works.</p>
<p>26. Termination of contract on death</p>	<p>26.1</p>	<p>If the Contractor is an individual or a proprietary concern and the individual or the proprietor dies, or if the Contractor is a partnership concern and one of the partners dies, then, unless the Engineer-in-Charge is satisfied that the legal representatives of the individual contractor or of the proprietor of the proprietary concern and in the case of partnership, the surviving partners are capable of carrying out and completing the contract, the Engineer-in-Charge shall be entitled to terminate the Contract as to its incomplete part without the Authority being in anyway liable to payment of any compensation whatsoever on any account to the estate of the deceased Contractor and/or to the surviving partners of the Contractor's firm on account of termination of the Contract. The decision of the Engineer-in-Charge that the legal representatives of the deceased contractor or the surviving partners of the Contractor's firm cannot carry out and complete the works under the contract shall be final and binding on the parties. In the event of such termination, the Authority shall not hold the estate of the deceased Contractor and/or the surviving partners of the Contractor's firm liable for damages for not completing the contract. Provided that the power of the Engineer-in-Charge of such termination of contract shall be without prejudice to any other right or remedy which shall have accrued or shall accrue to him under the contract.</p>
<p>27. Carrying Out Part of Work at The Risk and Cost of The Contractor</p>	<p>27.1</p>	<p>If the contractor</p>
	<p>(i)</p>	<p>At any time makes default during the currency of work or does not execute any part of the work with due diligence and continues to do so even after a notice in writing of 7 days in this respect from the Engineer-in-Charge; or</p>
	<p>(ii)</p>	<p>Commits default in complying with any of the terms and conditions of the contract and does not remedy it or takes effective steps to remedy it within 7 days even after a notice in writing is given in that behalf by the Engineer-in-Charge; or</p>
	<p>(iii)</p>	<p>Fails to complete the work (s) or items of work with individual dates of completion, on or before the date (s) so</p>

		determined, and does not complete them within the period specified in the notice given in writing in that behalf by the Engineer-in-Charge.
	27.2	The Engineer-in-Charge without invoking action under clause 37 may, without prejudice to any other right or remedy against the contractor which have either accrued or accrue thereafter to IWAI, by a notice in writing to take the part work/ part incomplete work of any item (s) out of his hands and shall have powers to:
	(a)	Carry out the part work/ part incomplete work of any items (s) by any means at the risk and cost of the contractor.
	27.3	The Engineer-in-Charge shall determine the amount, if any, is recoverable from the contractor for completion of the part work/ part incomplete work of any item (s) taken out of his hands and execute at the risk and cost of the contractor, the liability of contractor on account of loss or damage suffered by IWAI because of action under this clause shall not exceed 10% of the tendered value of the work.
	27.4	In determining the amount, credit shall be given to the contractor with the value of work done in all respect in the same number and at the same rate as if it had been carried out by the original contractor under the terms of his contract. The certificate of the Engineer-in-Charge as to the value of work done shall be final and conclusive against the contractor provided always that action under this clause shall only be taken after giving notice in writing to the contractor. Provided also that if the expenses incurred by the IWAI are less than the amount payable to the contractor at his agreement rates, the difference shall not be payable to the contractor.
	27.5	Any excess expenditure incurred or to be incurred by IWAI in completing the part work/ part incomplete work of any item (s) or the excess loss of damages suffered or may be suffered by IWAI as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to IWAI in law or as per agreement be recovered from any money due to the contractor on any account, and if such money is insufficient, the contractor shall be called upon in writing and shall be liable to pay the same within 30 days.
	27.6	If the contractor fails to pay the required sum within the aforesaid period of 30 days, the Engineer-in-Charge shall have the right to recover the same in accordance with the provisions of the contract.
	27.7	In the event of the above course being adopted by the Engineer-in-Charge, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any engagements or made any advance on any

		account or with a view to the execution of the work or the performance of the contract.
28. Completion Time and Extensions	28.1	The Engineer-in-Charge will make available to the contractor the required working environment to enable the contractor to commence & proceed with the execution of the work in accordance with agreed programme.
	28.2	If after the award of the work the contractor commits defaults in commencing the execution of work as aforesaid, IWAI shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee absolutely.
	28.3	However, if the commencement of the work (s) be delayed by:-
	(i)	Force majeure as per clause 23, or
	(ii)	Abnormally bad weather, or
	(iii)	Serious loss or damage by fire, or
	(iv)	Civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or
	(v)	Delay on the part of other contractors or tradesman engaged by Engineer-in-Charge in executing work not forming part of the contract, or
	(vi)	Non-availability of stores, which are the responsibility of Government to supply or
	(vii)	Non-availability of breakdown of Tools and Plant to be supplied or supplied by Government or
	(viii)	Any other cause which, in the absolute discretion of the Engineer-in-Charge is beyond the Contractor's control.
		then immediately upon the happening of any such events as aforesaid, the contractor shall inform the Engineer-in-Charge accordingly, but the contractor shall nevertheless use constantly his best endeavors to prevent and/or make good the delay and shall do all that may be required in this regard. The Contractor shall also request, in writing, for extension of time, to which he may consider himself eligible under the contract, within fourteen days of the date of happening of any such events as indicated above.

		(Clarification with regard to point (vi) above, the survey launches will be handed over to the contractor and it is the responsibility of the contractor to arrange for any store or tools required during the contract period for maintenance and operation).
	28.4	Request for extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay on the prescribed form to the competent authority as indicated in Schedule 'B'. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.
	28.5	In any such case as may have arisen due to any of the events, as aforesaid, and which may have been brought out by the contractor in writing, the Competent Authority mentioned in Scheduled 'B' may give a fair and reasonable extension of time, after taking into consideration the nature of the work delayed and practicability of its execution during the period of extension.
	28.6	Such extensions shall be communicated to the contractor by the Engineer-in-Charge in writing. The contractor shall not be entitled to claim any compensation or over run charges whatsoever for any extension granted.
29. Liquidated Damages for Delay	29.1	If the contractor fails to supply the required technical manpower for more than 72 hrs., he shall without prejudice to any other right or remedy of the Authority on account of such default, pay compensation (not by way of penalty) at the rate of twice the amount payable to the contractor for the period of non-supply of those number of technical manpower which he has failed to supply or the technical manpower have remained absent and in the event of more than three such occasions of non-supply or absence of manpower or more than 10% of the manpower required to be supplied are either not supplied or remained absent then the compensation to be paid will be at the rate of 1.5 % per week of delay to be computed on per day basis on the total value of the contract subject to a maximum of 10% of the total value of the contract.
	29.2	The amount of liquidated damages may be adjusted or set-off against any sum payable to the contractor under this or any other contract with the authority.

	29.3	All sums payable by way of compensation under any of the conditions will be considered as reasonable compensation without reference to the actual loss or damage which will have been sustained.
	29.4	Payment of such damages shall not relieve the contractor of his obligation to complete the work or from any other of his obligation or liabilities under the contract.
30. When the Contract Can Be Determined	30.1	Subject to other provisions contained in this clause, the Engineer-in-Charge may, without prejudice to his any other rights or remedy against the contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this contract or otherwise, and whether the date of completion has or has not elapsed, by notice in writing absolutely determine the contract in any of the following cases:
	(i)	If the contractor having been given by the Engineer-in-Charge a notice in writing to rectify, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or un-workman like manner shall omit to comply with the requirement of such notice for a period of seven days thereafter.
	(ii)	If the contractor has, without reasonable cause, suspended the progress of the work or has failed to proceed with the work with due diligence so that in the opinion of the Engineer he will be unable to secure completion of the work by the date for completion and continues to do so after a notice in writing of seven days from the Engineer.
	(iii)	If the contractor fails to complete the work within the stipulated date or items of work with individual date of completion, if any stipulated, on or before such date(s) of completion and does not complete them within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge.
	(iv)	If the contractor persistently neglects to carry out his obligations under the contract and/ or commits default in complying with any of the terms and conditions of the contract and does not remedy it or

		take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Engineer- in-Charge.
	(v)	If the contractor shall offer or give or agree to give to any person in IWAI service. or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of contract.
	(vi)	If the contractor shall obtain a contract with IWAI as a result of wrong tendering or other non-bonafide methods of competitive tendering or commits breach of integrity pact.
	(vii)	If the contractor being an individual, or if a firm, any partner thereof shall at any time be adjust insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any Insolvency Act for the time being enforce for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors.
	(viii)	If the contractor being a company shall pass a resolution or the court shall make an order that the company shall be wound up or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or the creditor to appoint a receiver or a manager or which entitle the court to make a winding up order.
	(ix)	If the contractor shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days.
	(x)	If the contractor assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not

		be deemed to be subletting) or otherwise parts with or attempts to assign, transfer, sublet or otherwise parts with the entire works or any portion thereof without the prior written approval of the Engineer -in-Charge.
	30.2	When the contractor has made himself liable for action under any of the cases aforesaid, the Engineer- in-Charge on behalf of the IWAI with the approval of the competent authority shall have powers:
	(i)	To determine the contract as aforesaid (of which termination notice in writing to the contractor under the hand of the Engineer-in-Charge shall be conclusive evidence). Upon such determination, the Earnest Money Deposit, Security Deposit already recovered and Performance Guarantee under the contract shall be liable to be forfeited and shall be absolutely at the disposal of the IWAI.
	(ii)	After giving notice to the contractor to measure up the work of the contractor and to take such whole, or the balance or part thereof: as shall be un-executed out of his hand and to give it to another contractor to complete the work. The contractor, whose contract is determined as above, shall not be allowed to participate in the tendering process for the balance work.
	(iii)	The event of above courses being adopted by the Engineer-in-Charge, the contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of the contract. And in case action is taken under any of the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereof or actually performed under this contract unless and until the Engineer- in-Charge has certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.
31. Inspection	31.1	Periodic inspection will be carried out by the EIC or his representative. The contractor can have the inspection schedules finalized with the Engineer-in-charge.

32. Payment On Account	32.1	<p>Bill shall be submitted by the contractor quarterly (Fin-2A & Fin 3) on or before the date fixed by the Engineer-in-Charge. The Engineer-in-Charge shall then arrange to have the bills verified with reference to the daily attendance information sheet/ e-attendance sheet.</p> <p>For O&M (Fin-2B) – the charges shall be paid on monthly basis. (Refer ToR)</p>
	32.2	<p>Towards its fee for the services rendered to IWAI, the Service Provider shall be paid “Service Charges”, excluding GST, at the rate approved through the tender in terms of percentage of the Cost to his Organization (CTO) for rendering the actual professional support services to IWAI.</p>
	32.3	<p>The Cost to the Service Provider’s organization shall be deemed to be such amount / figure which is worked out by totalling all the expenses (including those on account of Remuneration, conveyance, allowances, reimbursements, etc. of the personnel deployed or utilized by the Service Provider for rendering professional support services to IWAI) incurred by the Service Provider.</p>
	32.4	<p>The service provider will submit the invoices/bills in triplicate for reimbursement along with a declaration/proof (of ECS reimbursement) that remuneration of all the staff deployed has been paid. Payments to the service provider would be strictly on certification by the concerned officer that the services were satisfactory and attendance as per the bill preferred by the service provider. The payment shall be made by IWAI within 30 days from the date of receipt of the invoice only on the basis of number of working days for which duty has been performed by each manpower. Amount deducted from the bill / claim for the days of absence in a month shall be as per the approved rate per day per person quoted by the service provider.</p> <p>The invoice(s) shall be accompanied by supporting documents including copies of receipts issued by the personnel/employees to the Service Provider in respect of payment of salary/ remuneration, allowances, reimbursements etc., acknowledgement/ receipts issued by concerned Government Departments in respect of and towards proof of deduction and deposit of GST and others relevant documents etc., as applicable.</p> <p>Note: The service provider shall pay the salary / remuneration to the outsourced staff only through</p>

		<i>ECS by 5th of the following month without waiting for the clearance of bill from IWAI. The details in this regard will accompany the monthly invoice submitted for reimbursement to IWAI. Also, the statutory remittances claimed from IWAI should be evidenced by relevant documentary proof.</i>
33. Taxes, duties and levies etc.	33.1	P.F, Insurance Premium etc. to be paid by the contractor and deposited with the appropriate Authority. Proof of such payment shall have to be attached with the bill of successive month. Regarding GST may be quoted separately in BOQ.
34. Tax Deduction At Source	34.1	TDS at the applicable rate as per Income Tax Act/Rules shall be deducted from all the payment/advances made against the contract.
35. Payment of final bill	35.1	The final bill shall be submitted by the contractor within one month from the date of completion of the work or of the date the certificate of completion furnished by the Engineer-in-Charge. No further claim in this regard unless as specified herein under shall be entertained. Payment of final bill shall be made within three months if the amount of the contract is up to Rs. 15 lakhs and six months if the value of the work exceeds Rs. 15 lakhs. If there shall be any dispute about any item or items of the work then the undisputed item or items only shall be paid within the said period of three months or six months, as the case may be. The contractor shall submit a list of the disputed items within thirty days from the disallowance thereof and if he fails to do so, his claim shall be deemed to have been fully waived and absolutely extinguished.
36. Over Payments And Under Payments	36.1	Whenever any claim whatsoever for the payments of a sum of money to the Authority arises out of or under this contract against the contractor, the same may be deducted by the Authority from any sum then due or which at any time thereafter may become due to the contractor under this contract and failing that under any other contract with the Authority or from any other sum whatsoever due to the contractor from the Authority or from his security deposit, or he shall pay the claim on demand.
	36.2	The Authority reserves the right to carry out post-payment audit and technical examination of the final bill including all supporting vouchers, abstracts, etc. The authority further reserves the right to enforce recovery of

		any over payment when detected notwithstanding the fact that the amount of the final bill may be included by one of the parties as an item of dispute before an arbitrator appointed under clause 40 of this contract and notwithstanding the fact that the amount of the final bill figures in the arbitration award.
	36.3	If as a result of such audit and technical examination any over payment is discovered in respect of any work done by the contractor or alleged to have been done by him under contract, it shall be recovered by the Authority from the contractor by any of all of the methods prescribed above, and if any under payment is discovered, the amount shall be duly paid to the contractor by the Authority.
	36.4	Provided that the aforesaid right of the Authority to adjust over-payment against amount due to the contractor under any other contract with the Authority shall not extend beyond the period of two years from the date of payment of the final bill or in case the final bill is a MINUS bill, from the date the amount payable by the Contractor under the MINUS final bill is communicated to the contractor.
	36.5	Any sum of money due and payable to the Contractor (including the security deposit returnable to him) under the contract may be withheld or retained by way of lien by the Engineer-in-Charge or Authority against any claim of the Authority or such other person or persons in respect of payment of a sum of money arising out of or under any other contract made by the contractor with the Engineer-in-Charge or Authority or with such other person or persons. The sum of money so withheld or retained under this clause by the Engineer-in-Charge or Authority will be kept withheld or retained as such by the Engineer-in-Charge or Authority or till his claim arising out of in the same contract is either mutually settled or determined by the arbitrator, if the contract is governed by the arbitration clause under the clause 40 or by the competent court hereinafter provided, as the case may be, and the contractor shall have no claim for interest or damages whatsoever on this account or any other ground in respect of any sum of money withheld or retained under this clause.
37. Finality clause	37.1	It shall be accepted as an inseparable part of the contract that in matters regarding contract specifications, mode of procedure and the carryout of the work, the decision of the engineer-in-charge which shall be given in writing shall be

		final and binding on the contractor.
38. Sum Payable by Way of Compensation to be considered as Reasonable without preference to actual Loss	38.1	All sum payable by way of compensation to the Authority under any of these conditions shall be considered as reasonable compensation without reference to the actual loss or damage sustained and whether or not damage shall have been sustained.
39. Settlement of disputes & arbitration.	39.1	Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications and instructions here-in-before mentioned and as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:
	(a)	If the contractor considers any work demanded of him to be outside the requirements of the contract, or disputes any record or decision given in writing by the Engineer-in-Charge on any matter in connection with or arising out of the contract or carrying out of the work, to be unacceptable, he shall promptly within 15 days of the receipt of decision from the Engineer-in-Charge request the Chief Engineer in writing through the Engineer-in-Charge for written instruction or decision. Thereupon, the Chief Engineer shall give his written instructions of the decision within a period of one month from the receipt of the contractor's letter. However, this will not be reason for the stoppage of work.
	(b)	If the Chief Engineer fails to give his instructions or decision in writing within the aforesaid period or if the contractor is dissatisfied with the instruction or decision of the Chief Engineer, the contractor may, within 15 days of the receipt of Chief Engineer's decision, appeal to the Chairman, IWAI who shall afford an opportunity to the contractor to be heard, if the latter so desires, and to offer evidence in support of his appeal. The Chairman, IWAI shall give his decision within 30 days of receipt of contractor's appeal. If the contractor is still dissatisfied

		with his decision, the contractor shall within a period of 30 days from receipt of the decision, give notice to the Chairman, IWAI for appointment of arbitrator on prescribed Performa as per Appendix V, failing which the said decision shall be final binding and conclusive and not referable to adjudication by the arbitrator.
	39.2	Except where the decision has become final, binding and conclusive in terms of Sub Para 40.1 above, disputes or differences shall be referred for adjudication through arbitration by a sole arbitrator appointed by Chairman, IWAI.
	39.3	<p>Further, within thirty (30) days of receipt of such notice from either party, the Engineer-in-Charge of work at the time of such dispute shall send to the Contractor a panel of three persons preferably but not necessarily from the approved panel of arbitrators being maintained by Indian Council of Arbitration (ICA) and thereafter the Contractor within fifteen (15) days of receipt of such panel communicate to the Engineer-in-charge the name of one of the persons from such panel and such a person shall then be appointed as sole arbitrator by the Chairman, IWAI. However, the arbitrator so appointed shall not be an officer or the employee of Inland Waterways Authority of India.</p> <p>Provided that if the Contractor fails to communicate the selection of a name out of the panel so forwarded to him by the Engineer-in-charge then after the expiry of the aforesaid stipulated period the Chairman, shall without delay select one person from the aforesaid panel and appoint him as the sole arbitrator.</p>
	39.4	The arbitrator to whom the matter is originally referred being transferred or vacating his office or being unable to act for any reason, then the Chairman IWAI shall appoint another person to act as sole arbitrator, such person shall be entitled to proceed with the reference from the stage at which it was left by the predecessor.
	39.5	The award of the Arbitrator shall be final and binding. The Arbitrator shall decide in what proportion the Arbitrator's fees, as well as the cost of Arbitration proceeding shall be borne by either party.
	39.6	The arbitrator with the consent of the parties can enlarge the time, from time to time to make and publish his award.

	39.7	A notice of the existence in question dispute or difference in connection with the contract unless served by either party within 30 days after the issue of Defects Liability Certificate, failing which all rights and claim under this contract shall be deemed to have been waived and thus forfeited and absolutely barred.
	39.8	The work under this contract shall continue during arbitration proceedings and no valid payments due from or payment by the Employer shall be withheld on account of such proceedings except to the extent, which may be in dispute.
	39.9	<p>The Arbitration shall be conducted in accordance with the provisions of the Arbitration & Conciliation Act, 1996 read with the Arbitration & Conciliation (Amendment) Act, 2015 or any statutory modifications or re-enactment thereof and the rules made thereunder for being in force shall apply to the arbitration proceeding under this clause.</p> <p>The Arbitrator shall have the power to enlarge the term to rate the award with the consent of the parties provided always that the commencement or continuation of the arbitration proceeding shall not result in cessation or suspension of any of other rights and obligations of the parties of any payments due to them hereunder.</p> <p>The venue of the arbitration proceedings shall be at Noida. It is further clarified that both the parties to this agreement hereby undertake not to have recourse to civil court to solve any of their dispute whatsoever, arising out of this agreement except through arbitration.</p> <p>In case of contract with another Public Sector Undertaking, following Arbitration Clause shall apply: "In the event of any dispute or difference relating to the interpretation and application of the provisions of commercial contract(s) between Central Public Sector Enterprises (CPSEs) / Port Trusts inter se and also between CPSEs and Government Departments / Organizations (excluding disputes concerning Railways, Income Tax & Excise Departments), such dispute or difference shall be taken up by either party for resolution through AMRCD as mentioned in DPE OM No. 4(1)/2013-DPE(GM)/FTS-1835 dated 22nd May 2018.</p>
	39.10	Jurisdiction & Venue

		The parties to the agreement hereby undertake to have recourse only to arbitration proceedings under for Arbitration & Conciliation Act, 1996 read with the Arbitration & Conciliation (Amendment) Act, 2015 or any statutory modifications or re-enactment thereof and the venue of the arbitration proceeding shall be Noida / New Delhi and the parties will not have recourse to Civil Court to settle any of their disputes arising out of this agreement except through arbitration.
40. Claims	40.1	The contractor shall send to the Engineer-in-Charge once in every month on account giving particulars, as full and detailed as possible of all claims for any additional payment to which the contractor may consider himself entitled and of all extra work or additional work ordered in writing and which has been executed during preceding month.
	40.2	No claim for payment of any extra work or expenses will be considered which has not been included in such particulars. The Engineer-in-Charge may consider payment for any such work or expense, where admissible under the terms of the Contract.
	40.3	Any claim which is not notified in two consecutive monthly statements for the two consecutive months shall be deemed to have been waived & extinguished.
41. Interest	41.1	No interest shall be payable on account due to the contractor against final bills or any other payment due under the contract.
42. Removal of Contractor's Men	42.1	The Contractor shall employ for the execution of the works only such persons as are skilled and experienced in their respective trades and Engineer-in-Charge shall be at liberty to object to and require the contractor to remove from the works any person(s) employed by the Contractor for the execution of the works who, in the opinion of the Engineer-in-Charge, misconduct himself or is incompetent or negligent in the proper performance of his duties. The contractor shall forthwith comply with such requisition and such person shall not be again employed upon the works without permission of the Engineer-in-Charge.
43. Termination of Contract in Full or in Part	43.1	If the contractor

	(i)	commits default in complying with or commits breach of any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it immediately and not later than 10 days in any case after a notice in writing is given to him in that behalf by the Engineer-in-Charge; or
	(ii)	fails to complete the work (s) or any item of work (s) within the time or any extended time under the contract and does not complete the work (s) or any item of works within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge ; or
	(iii)	assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not being incorporated in the work shall not be deemed to be subletting) or attempts to assign, transfer or sublet the entire works or any portion thereof without the prior written approval of the Engineer-in-Charge. The Engineer-in-Charge shall have powers to terminate the contract in full or in part as aforesaid without prejudice to any other right or remedy which shall have accrued or shall accrue of which cancellation notice in writing to the Contractor under the hand of the Engineer-in-Charge shall be conclusive evidence.
	(iv)	IWAI reserve the right to terminate the contract any time before expiry by issue of one month's written notice to the contractor. For such foreclosure no compensation for reduction in scope shall be payable to the contractor. Similarly, if the contractor wants to withdraw or foreclose the contract he shall have to give three months' notice failing which it will result in forfeiture of the security deposit. Any loss or damage suffered by IWAI due to such foreclosure of the contract by the contractor will be deducted from the performance security and from any balance amount payable to the contractor from this contract or any other contract.
	43.2	Risk & Cost
	(i)	The Engineer-in-Charge shall, on such termination of the contract, have powers to complete the incomplete work or part of the same and if the expenses incurred or to be incurred by the Authority for carrying out and completing the incomplete work or part of the same, as certified by the Engineer-in-Charge, are in excess of the value of the work credited / to be credited to the

		contractor, the difference shall be paid by the contractor to the Authority. If the contractor fails to pay such an amount , as aforesaid, within thirty days of receipt of notice in writing from the Engineer-in-Charge, the Engineer-in-Charge shall be empowered to recover such amount from any sum due to the contractor on any account under this or any other contract or from his security deposit or otherwise.
	(ii)	Any dispute or difference in respect of either the interpretation effect or application of the above conditions or of the amount recoverable there under by the Owner from the Contractor, shall be decided by the Chairman.
44. Sustainability of JV		<p>In case JV/consortium is not sustained due any reasons or discrepancies arising amongst the JV/consortium members, unsustainability of JV/consortium shall be determined by the Engineer in Charge/Employer during the monitoring in the contract period based on the failure of the deliveries/missing of the milestones and other deliverables. The same shall be dealt in the following manner:</p> <p>If JV/consortium becomes unsustainable after being selected as L1, EMD of the defaulting JV/consortium shall be forfeited.</p> <p>If JV/consortium becomes unsustainable after the award of contract, the employer has complete authority to nominate another Consultant to complete the balance work on risk and cost of the defaulting Consultant. The Consultant will be notified by the Employer of the decision to stop the work and Employer shall ascertain the value of work completed till date. No payment shall be released immediately, however, after completion of entire work on risk and cost, the differential cost would be recovered from all held up amount (BG, EMD, Security deposit and unpaid amount for the work done) of the defaulting Consultant and if any balance amount is still available, that shall be released to the defaulting Consultant.</p>

SECTION –VIII: ANNEXES

ANNEX - I INTEGRITY AGREEMENT

(To be executed on non-judicial stamp paper of appropriate value in accordance with relevant Stamp Act and signed by the Bidder and the same is to signed by the Authorized Signatory / Competent Employer on behalf of IWAI)

This Integrity Agreement is made at on thisday of
2018

BETWEEN

Chairperson, Inland Waterways Authority of India represented through.....(*insert name of authorised representative*), Inland Waterways Authority of India, A - 13, Sec. - 1, Noida.

IWAI, (Hereinafter referred to as the 'Employer', which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

AND

.....
..... (Name and Address of the Individual/firm/Company)through
..... (Hereinafter referred to as the
(details of duly authorized signatory)"Bidder/Contractor" and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

Preamble:

WHEREAS the Employer has floated the Tender (Tender No.: 4-IWAI-P-SUR(65)RIS(PHASE-3)-2023-24) (hereinafter referred to as "Tender/Bid") and intends to award, under laid down organizational procedure, contract for".....(*insert name of assignment*)"

AND WHEREAS the Employer values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) andContractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as "Integrity Pact" or

“Pact”), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

Article 1: Commitment of the Principal/Owner

- 1) The Employer commits itself to take all measures necessary to prevent corruption and to observe the following principles:
 - (a) No employee of the Employer, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Employer will, during the Tender process, treat all Bidder(s) with equity and reason. The Employer will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.
 - (c) The Employer shall endeavour to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- 2) If the Employer obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Employer will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

1. It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the IWAI all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge of or becomes aware, during the tendering process and throughout the negotiation or award of a contract.

2. The Bidder(s)/Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
- a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Employer's employees involved in the tender process or execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the contract.
 - b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
 - c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Employer as part of the business relationship, regarding plans, technical Bids and business details, including information contained or transmitted electronically.
 - d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.
 - e) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to

agents, brokers or any other intermediaries in connection with the award of the Contract.

3. The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
4. The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means of a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government / Employer's interests.
5. The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Employer under the law or the Contract or its established policies and laid down procedures, the Employer shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the bidder/contractor accepts and undertakes to respect and uphold the Employer's absolute right:

1. If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Employer after giving 14days' notice to the Contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Employer. Such exclusion may be forever or for a limited period as decided by the Employer.

2. Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Employer has disqualified the Bidder(s) from the tender process prior to the award of the contract or terminated/determined the contract or has accrued the right to terminate/determine the contract according to Article 3(1), the Employer apart from exercising any legal rights that may have accrued to the Employer, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.
3. Criminal Liability: If the Employer obtains knowledge of conduct of a Bidder or Contractor or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Employer has substantive suspicion in this regard, the Employer will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- 1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anti-corruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- 2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Employer.
- 3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Employer may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors

- 1) The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its sub-vendors.
- 2) The Employer will enter into Pacts on identical terms as this one with all Bidders and Contractor.

- 3) The Employer will disqualify Bidders / Contractors, who do not submit, the duly signed Integrity Pact between the Employer and the Bidder / Contractor, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6: Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires 18 months after the completion of work under the contract.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Employer.

Article 7: Other Provisions

- 1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarters of the Division of the Employer, who has floated the Tender.
- 2) Changes and supplements need to be made in writing. Side agreements have not been made.
- 3) If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- 4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- 5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Employer in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8: LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not

alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard to any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

ANNEX - II: FORMAT OF BANK GUARANTEE FORM FOR PERFORMANCE SECURITY

To
The
Inland waterways Authority of India
Ministry of Shipping, Govt. of India
A-13, Sector-1,
Noida(U.P.)
Pin- 201301

In consideration of the (hereinafter called “**Employer**”) having to enter into an Agreement with M/s (hereinafter called the “**Contractor**”) as a follow up to the Letter of Acceptance no.....dated..... issued by the Employer for “.....(*insert name of assignment*)”, on production of Performance security in the form of Bank Guarantee for INR (Rupees.....only), at the request of **Contractor**, We, **(Bank)** do hereby undertake to pay to the Employer an amount not exceeding INR..... (Rupees-----only) against any default or failure on the part of Contractor to perform the contract in accordance with terms & conditions or any breach of the said Agreement.

1. We, **(Bank)** do hereby undertake to pay the amount due and payable under this Guarantee without any demur, merely on a demand from the Employer stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by the Employer by reason of breach by the said **Contract** or any of the terms or conditions contained in the said time frame or by reason of the **Contractor’s** failure to perform the said Agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding INR (Rupees.....only).
2. We, **(Bank)** undertake to pay the Employer any money so demanded notwithstanding any dispute or disputes raised by the **Contractor** in any suit or proceeding pending before any court or Tribunal relating

thereto, liability under this present being absolute and unequivocal. The payment so made by us under this guarantee shall be valid discharge of our liability for payment there under and the **Contractor** shall have no claim against us for making such payment.

3. We, **(Bank)** further agree that the guarantee herein contained shall remain in full force and effect till completion of project work to the complete satisfaction of the Employer in terms of conditions of contract and Letter of Acceptance and that it shall continue to be enforceable till all the dues of the Employer under or by virtue of the said Agreement have been fulfilled and its claim satisfied or till the scheduled date of completion of Works as per the Agreement. We(Bank) shall consider that the terms and conditions of the said Agreement have been fully and properly carried out by the said Contractor and accordingly discharge this Guarantee after 90 days beyond the completion period of the said contract unless a demand or claim under this Guarantee is served by the Employer in writing on the bank but before the expiry of the said period in which case it shall be enforceable against the bank notwithstanding the fact that the same is enforced after the expiry of the said period or after the extended period as the case may be.
4. We **(Bank)** further agree with the Employer that the Employer shall have fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Agreement or to extend time or performance by the said **Contractor** from time to time or to postpone for any time or from time to time any of the powers exercisable by the Employer against the said **Contractor** and to forbear or enforce any of the terms and conditions relating to the said Agreement and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said **Contractor** for any forbearance, act or omission on the part of the Employer or any indulgence by the Employer to the said **Contractor** by any such matter or thing whatsoever which under the law relating to sureties would, but for the provision, have effect of so relieving us.
5. It shall not be necessary for the Employer to proceed against the **Contractor** before proceeding against the Bank and the guarantee herein contained shall be enforceable against the bank notwithstanding

any security which the Employer may have obtained or obtain from the **Contractor** at the time when proceedings are taken against the bank hereunder be outstanding or unrealized.

6. Notwithstanding anything contained herein above our liability under the guarantee is restricted to INR.....(Rupees..... only) and shall remain in force until or otherwise until the extended date by the Employer. Unless a claim or suit under this guarantee is filed with us on or before or the extended date ALL YOUR RIGHTS UNDER THE GUARANTEE SHALL BE FORFEITED and the bank shall be relieved and discharged from all liabilities therein.
7. This Guarantee will be discharge even there is a change in the constitution of the Bank or the **Contractor**.
8. We, **(Bank)** lastly undertake not to revoke this Guarantee during its currency except with the previous consent of the Employer in writing.
