8. The following are the scope of works to be under taken in the present contract.

### 8.1. Detailed scope of Work: For Security Guards

a) The contractor shall provide the work of Safety and Security at RIS Phase-III (Varanasi, Zamania, Govindpur Khas & Maujampur) during January 2025 to March 2025, the scope of the work shall be as follows:-

1. It would be desirable that the security staff provided should have knowledge of Fire Fighting, First Aid, Scooter/Motor Cycle/MV Driving & Communication equipment. All Guards should have working knowledge of Hindi or English language.
2. The agency shall provide the details of the staff, proposed to be deployed viz, their name, fathers name, DOB, residential address, mobile number, recent passport size photograph, in form of a data base in both hard & soft form and also provide a local police clearance certificate.
3. Security person shall be a citizen of India or a citizen of such other country as the Central Government may, by notification in the Official Gazette, specify.
4. No person who has been convicted by a competent court or who has been dismissed or removed on grounds of misconduct or moral turpitude while serving in any of the armed forces of the Union. State Police Organization, Central or State Governments or in any private security agency shall be employed or engaged as a private security guard.
5. Security agency may, while employing a person as a private security guard, give preference to a person who has served as a member in one or more of the following namely Army, Navy, Air Force or any other armed forces of the Union Police including armed constabularies of States and Home Guards.

6. The agency shall employ only such staff who are literate, physically fit having good character, well behaved and skilled in their duties, it should also be ensured that the employees, employed by the agency are having proven antecedents and no police case etc. is pending against such people. The agency shall be solely responsible for all acts of commission/omission of its employees.
7. It should be made clear that IWAI will not provide food, accommodation and transportation or any of the allowances to the security personnel deployed under any circumstances.
8. IWAI reserves the right to ask and require the company/agency to remove any person deployed by the company/Agency, without assigning any reason/notice.
9. The Company/Agency shall supply uniforms (all weather) with Name plates to the persons engaged by him. The IWAI shall not allow any employee of the Company/Agency to work inside the IWAI without uniform except in cases where-in specifically asked for. If during the period of contract the uniform is torn, it shall be the responsibility of the Company/Agency to supply another uniform to the persons and ensure that the persons wear uniform while security agency are on duty in the RIS stations. The Company/Agency shall get the identity card of each employee countersigned by the nominated Officer of the IWAI.
10. The Security Guard shall be normally required to work in three shifts basis. No Security Guard will be allowed to perform double duty/continuous basis unless authorized by nominated Officer.
11. The company shall have proper standard and procedures of requirement and training. The company will provide a copy of Training Manual for inspection to IWAI authorities.
12. The company shall have a proper system for checking the guards on duty, day & night for every shift. Records of the same should be effectively maintained and shortcomings if any should be immediately rectified. The Company should supply Guard check Books to all guards post wise at its own cost.
13. That no right, much less a legal right shall vest in the company/Agency's workers to claim/have employment or otherwise seek absorption in the IWAI nor the company/Agency's workers shall have any right whatsoever to claim the benefits and for emoluments that may be permissible or paid to the employees of the IWAI. The workers will remain the employees of the Company/Agency and this should be solely the responsibility of the Company/Agency to make it clear to their worker before deputing on work at the designated places as per tender.
14. The Company shall not be allowed to change its name and style after the award of the contract.
15. The company will have to deploy the full nos. of security guards. IWAI administration reserves the right to curtail the deployment of security guards at any time or increased as per requirement of IWAI.
16. The agency shall ensure that all their staff wear standard uniform, badges, caps and shoes and are equipped with indent cards. This will be at agency's own cost. The turnout should be smart and tidy. Guards during duty should have all accessories like Gun, stick, torch, Gumboots etc.
17. The firms (Bidder) having proven competence, capacity and experience in projects having similar nature of work i.e. Safety and Security works. The Bidder should have successfully executed the work of safety & security services in at least one of comparable nature during last 7 years as detailed below:
  - a. The work of safety & security services of One work costing not less than 80% of the estimated cost.

- b. The work of safety & security services of Two works costing not less than 50% of the estimated cost each, or
- c. The work of safety & security services of Three works costing not less than 40% of the estimated cost each.

Note: The successful completion of the similar work should be supported with a completion certificate indicating the value of work issued by the department/agency for which the work has been executed.

- Latest certificate of solvency from nationalized/scheduled Bank included in the second schedule of the RBI Act for not less than the Rs. 4.00 lakhs  
**The Bank Solvency certificate submitted by the bidder shall not be older than six months from the Bid Submission last date. In case bidder does not adhere to this criterion, his bids shall be considered non responsive and shall not be considered for further evaluation process.**
- Average annual financial turnover on consultancy works should be atleast 30% of the estimated cost during the immediate last 3 consecutive financial years.
- Should have GST registration number.

18 The bidders shall submit the scanned copy of following documents alongwith the Technical bid (Cover-1).

- i) Firms credentials as perform at prescribed in SECTION-3 of RFP
- ii) Technical proposal as per formats prescribed in SECTION-4 of RFP
- iii) Tables showing organizational strength including manpower, other resources etc.
- iv) Details of similar works with reference to para 9 above along with certificates of satisfactory completion issued by respective Employers
- v) Scanned copy of demand draft/NEFT/RTGS towards the tender cost and EMD as specified
- vi) Certificate of solvency from nationalized/scheduled Bank included in the second schedule of the RBI Act for not less than 4.00 lakhs.  
**The Bank Solvency certificate submitted by the bidder shall not be older than six months from the Bid Submission last date. In case bidder does not adhere to this criterion, his bids shall be considered non responsive and shall not be considered for further evaluation process.**
- vii) Permanent Account Number issued by Income Tax Deptt.
- viii) GST registration certificate.
- ix) Annual turnover certificate for the last three years and audited financial statements (2021-22, 2022-23 & 2023-24) for the last three years with UDIN certificate by Chartered Accountant.
- x) Power of Attorney for signing of tender.
- xi) Scanned copy of duly filled and signed tender acceptance letter as per APPENDIX B-6.
- xii) Any other proof/document considered relevant in the context of the proposed assignment.

18. The bid shall be evaluated as per the evaluation criteria indicated in Instructions to Bidder (Part-II)-Data sheet of the bid.
19. The works are required to be completed within stipulated project period of 3 months from the Commencement date of sign of the agreement
20. The tender document can be downloaded from the IWAI's website [www.iwai.nic.in](http://www.iwai.nic.in) and CPP Portal Website <https://eprocure.gov.in/eprocure/app>. Bidders participating in e-tender process are required to furnish a non-refundable NEFT/RTGS for Rs. 5900/- (Rupees Five thousand nine hundred only) Including GST @18% towards the tender cost in favour of 'IWAI FUND' payable at Patna so as to reach to the tender inviting officer before last date and time of submission of tender and upload a copy of the same in technical bid. The Bids are to be submitted only online at <https://eprocure.gov.in/eprocure/app>.
21. The complete bid as per the tender documents should be placed online at <https://eprocure.gov.in/eprocure/app> by 15:00 hours on 19.12.2024 and will be opened online on 20.12.2024 at 15:30 hours at IWAI, Gaighat Patna- 800007.
22. In case the above scheduled dates are declared public holidays the tenders will be received and opened at the same time on next working day.
23. The tenderer / bidder shall submit Tender Cost and EMD in the form of NEFT/RTGS as prescribed before closing date and time of submission of tender. Any/all submissions made without the Earnest Money Deposit and without the Tender Cost and/or received after the closing date mentioned shall be rejected.
24. Copy of valid PASARA license issued by concerned state must be submitted.
25. The Inland Waterways Authority of India reserves the right to cancel the tender or reject the proposal of any or all the tenderers without assigning any reason.

Director  
IWAI, Patna

## **Section 2**

## **Instructions to Bidders**

### **Part-I Standard Instructions**

#### **1. Definitions**

- a) “Employer” means the Chairman, Inland Waterways Authority of India, Ministry of Ports, Shipping and Waterways, Govt. of India, Noida.
- b) “Bidder” means any entity or person or association of person who have been shortlisted to submit their proposals to provide the Services to the Employer or with whom the Employer has entered into a contract to provide the said Services. Joint Venture companies are not covered by this term.
- c) “Contract” means the contract signed by the parties and all the attached documents listed in the Tender Document.
- d) “Day” means calendar day.
- e) “Government” means the Government of India
- f) “Personnel” means professionals and support staff provided by the Bidder and assigned to perform the Services or any part thereof;
- g) “Proposal” means the Technical Proposal and the Financial Proposal.
- h) “RFP” means the Request for Proposal prepared by the Employer for the selection of Supervision Firm.
- i) “Assignment” means the work to be performed by the Bidder pursuant to the Contract.
- j) “Terms of Reference” (TOR) means the document included in the RFP as Section 6 which explains the objectives, scope of work, activities, tasks to be performed, respective responsibilities of the Employer and the Bidder, and expected results and deliverables of the Assignment.
- k) “Services” means the work to be performed by the Bidder pursuant to the Contract.

#### **2. Introduction**

- 2.1 A brief description of the assignment and its objectives are given in the Terms of Reference (TOR).
- 2.2 This RFP is neither an agreement nor an offer by the Authority to the prospective Applicants or any other person. The purpose of this RFP is to provide interested parties with information that may be useful to them in the formulation of their Proposals pursuant to this RFP. This RFP includes statements and assumptions, which reflect various assessments, arrived at by the Authority in relation to the Consultancy. Such assessments and statements do not purport to contain all the information that each Applicant may require. The information contained in this RFP, may not be complete, accurate, adequate or correct. Each Applicant should, therefore, conduct its own investigations about the assignment and the local conditions before submitting the proposal by

Paying a visit to the Employer and the project site, sending written queries to the Employer, before the date and time specified in the Data Sheet.

- 2.3 Bidder to note that (i) the costs of preparing the proposal for the contract, including a visit to site, are not reimbursable as a direct cost of assignment and (ii) IWAI is not bound to accept any of the proposals received by it and reserves the right to cancel the selection process at any time prior to contract award, without thereby incurring any liability to the Bidder. The pre-proposal conference shall be held as per schedule specified in Data Sheet.
- 2.4 In order to avoid conflict of interest situations, any firm associated with IWAI for the above project as Design Bidder for preparation of Detail Project Report shall not be permitted to submit proposal for providing the consultancy services as Supervision Bidder for this project.
- 2.5 Bidder have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Employer, or than may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Bidder or the termination of its Contract and/or any other action as deemed fit by the Authority at any stage.
- 2.6 It is the IWAI's policy that the Bidder observes the highest standard of ethics during the selection and execution of such contracts. In pursuance of this policy, the IWAI:
  - a. Defines, for the purpose of this paragraph, the terms set forth below as follows:
    - i. "corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the selection process or in contract execution;
    - ii. "fraudulent practice" means a misrepresentation or omission of facts in order to influence a selection process or the execution of a contract;
    - iii. "collusive practices" means a scheme or arrangement between two or more Bidder with or without the knowledge of the Employer, designed to establish prices at artificial, non-competitive levels;
    - iv. "Coercive practices" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process, or affect the execution of a contract.
  - b. Will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the contract in question;

- c. Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract; and
- d. Will have the right to require that a provision be included requiring Bidder to permit the IWAI to inspect their accounts and records relating to the performance of the contract and to have them audited by authorized representatives of IWAI.

2.7 Bidder shall not be under a declaration of ineligibility for corrupt and fraudulent practices. Furthermore, the Bidder shall be aware of the provisions on fraud and corruption stated in the specific clauses in the General Conditions of Contract.

2.8 The Data Sheet indicates how long Bidder' Proposals must remain valid after the submission date. During this period, Bidder shall maintain the availability of Professional staff nominated in the Proposal. The Employer will make its best effort to complete negotiations within this period. Should the need arise, however, the Employer may request Bidder to extend the validity period of their proposals. Bidders who agree to such extension shall confirm that they maintain the availability of the Professional staff nominated in the Proposal, or in their confirmation of extension of validity of the Proposal, Bidder could submit new staff in replacement, who would be considered in the final evaluation for contract award. Bidders who do not agree have the right to refuse to extend the validity of their Proposals.

### **3. Clarifications And Amendment of RFP Documents**

3.1 The Bidder may request a clarification of any of the RFP documents up to the number of days indicated in the Data Sheet before the Pre- Proposal meeting date. Any request for clarification must be sent in writing by paper mail or electronic mail to the Employer's address indicated in the Data Sheet. ~~The Employer will respond the same including an explanation of the query, if any, in the Pre-Proposal meeting and Minutes of the meeting will be uploaded on e-procure website, which will a part of the tender document.~~

3.2 At any time before the submission of Proposals, the Employer may for any reason, whether at its own initiative or in response to a clarification requested by a Consulting firm, modify the RFP documents by amendment. Any amendment shall be issued in writing through addendum. Addendum will be hosted on IWAI website which will be binding on them. The Employer may at its discretion extend the deadline for the submission of Proposal.

#### **4. Preparation of Proposal**

The proposal shall be written in the English language as specified in the Data Sheet. All pages of the Proposal shall be signed by an authorized representative. The representative's authorization shall be confirmed by written Power of Attorney duly notarized to be submitted with the proposal.

##### **Part 1: Technical Proposal**

4.1 The Bidders are expected to examine all terms and conditions included in the documents. Failure to act or to provide all requested information will be at their own risk and may result in rejection of the proposal.

During preparation of the Technical proposal, Bidders may give particular attention to the following:

- a) The man-months for the assignment shall be that stated in the Terms of Reference. The same shall be considered for the purpose of evaluation as well as award.
- b) The Bidder should prefer to field as many of their permanent/supplied staff as possible and higher marks shall be given in this regard. The permanent staff would be considered those already employed with the firm prior to one year from the month during which this Tender Notice is issued. Please enclose evidence (e.g: Pay roll, Auditor's Certificate) in this regard. More weightage will be given to those key personnel who are employed with more years with the firm.
- c) No alternative to key professional staff may be proposed and only one Curriculum Vitae (CV) may be submitted for each position and
- d) A good working knowledge of the language specified in the data sheet is essential for key professional staff on this assignment. Reports must be in the language (s) specified in the data sheet.
- e) For Key Personnel e.g. Team Leader cum Resident Engineer, Sr. Civil Engineer cum Contract specialist, Mechanical Engineer, Electrical Engineer, Quality Control Expert, and Safety Expert, the Bidder should prefer candidates having worked on similar Projects. Such personnel shall be rated higher than the candidates having no such experience at all.

4.2 The Technical Proposal must provide the following information, using the formats attached in the Section 3 & 4.

- a) A brief description of the firm's organisation and an outline of recent experience of the Bidder on assignments of a similar nature. The information which Bidder shall provide on each assignment should

indicate, inter-alia, the profiles of the staff provided, duration, contract amount and firm's involvement. The details of assignments on hand shall also be furnished.

- b) The composition of the proposed staff team, the tasks which shall be assigned to each and their timing;
- c) Deployment Schedule for each personnel should be formulated and incorporated in the Technical Proposal.
- d) Estimates of the total time effort (person x months) to be provided for the services, supported by bar chart diagrams showing the time proposed (person x months) for each professional staff and sub professional staff.
- e) Any additional information.

4.2 The technical proposal must not include any financial information.

#### **Part 2: Financial Proposal**

- 4.3. The Financial Proposal must be strictly using the formats attached in Section 5. No additional items/quantities other than that specified in the formats should be proposed by the Bidder since the same shall not be considered for the evaluation/award.
- 4.4. The Financial Proposal should include, the local/central taxes (including social security), duties, fees, levies including all other taxes and other charges imposed under the applicable law, on the Bidder, the sub-Bidder, and their personnel; unless the Data Sheet specifies otherwise, except GST.
- 4.5 Bidder may express the price of their services in Indian Rupees only.
- 4.6 The GST, however, shall be considered for release on reimbursement basis subject to the condition that Bidder submits the proof of deposit of the same.
- 4.7. The rate quoted for different person in the BOQ should be balanced. Quoting arbitrarily very low or very high rate for a particular person may lead to disqualification of bid.

## 5. Submission, Receipt and Opening of Proposals

### Preparation & Submission of Applications:

Detailed RFP may be downloaded from <https://www.iwai.nic.in> and <https://eprocure.gov.in/eprocure/app>. and the Application may be submitted online following the instructions as given below:

- i) Possession of valid Digital Signature Certificate (DSC) and enrollment/registration of the bidder/bidders on the e-procurement/e-tender portal is a prerequisite for e-tendering.
- ii) Bidder should do the enrollment in the e-Procurement site using the <https://eprocure.gov.in/eprocure/app> option available” Enroll Here” on the home page. Portal. Enrollment is free of charge. During enrollment/registration, the bidders should provide the correct/true information including valid e-mail ID. All the correspondence shall be made directly with the bidders through e-mail ID provided.
- iii) Bidder need to login to the site through their user ID/ password chosen during enrollment/registration.
- iv) Bidder/Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFY/TCS/n-Code/e-Mudra or any Certifying Authority recognized by CCA India on e-Token/Smart Card, should be registered.
- v) The DSC that is registered only should be used by the bidder and should ensure safety of the same.
- vi) Bidder may go through the tenders published on the site and download therequired tender documents/schedules for the tenders’ he/she is interested in.
- vii) After downloading / getting the tender document/schedules, the Bidder should go through them carefully and then submit the documents as asked.
- viii) If there are any clarifications, this may be obtained online through the tender site, or through the contact details. Bidder should take into accountof the corrigendum published before submitting the bids online.
- ix) Bidder then logs in to the site through the secured log in by giving the userid/ password chosen during enrolment/registration and then by giving the password of the e-Token/Smart Card to access DSC.
- x) Bidder selects the tender which he/she is interested in by using the searchoption & then moves it to the ‘my favourites’ folder.
- xi) From the favourites folder, he selects the tender to view all the details indicated.
- xii) It is construed that the bidder has read all the terms and conditions before submitting their offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the bid will be rejected.

- xiii) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in general PDF/xls/rar/jpg formats. If there is more than one document, they can be clubbed together and can be provided in the requested format. Each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip/rar and the same can be uploaded, if permitted.
- xiv) If there are any clarifications, this may be obtained through the site, or during the pre-bid meeting if any. Bidder should take into account the corrigendum published from time to time before submitting the online bids.
- xv) The Bidders can update well in advance, the documents such as certificates, annual report details etc., under My Space option and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.
- xvi) Bidder should submit the Tender Fee/EMD as specified in the tender. The original payment instruments should be posted/couriered/given in person to the Tender Inviting Authority within the due date as mentioned in this tender document. Scanned copy of the instrument should be uploaded as part of the offer, if asked for. The EMD will be refunded after award of work to the successful bidder. However, Micro and Small Enterprises (MSEs) as defined in MSE Procurement Policy issued by Department of Micro, Small and Medium Enterprises (MSME) or Start-ups as recognized by Department of Industrial Policy & Promotion (DIPP) are exempt from submitting the Tender Fee/EMD on submission of documents to the extent as per the Government of India notifications in this regard. Tender Fee/EMD for the mentioned amount shall be deposited to IWAI Fund through RTGS in the following account:
- |                                    |                                                                 |
|------------------------------------|-----------------------------------------------------------------|
| <b>i.) Name of Bank Account:</b>   | IWAI FUND                                                       |
| <b>ii.) Bank Name and Address:</b> | Canara Bank, Main Branch, South<br>Gandhi Maidan, Patna- 800001 |
| <b>iii.) Bank Account Number:</b>  | 0352105000002                                                   |
| <b>iv.) IFSC:</b>                  | CNRB0000352                                                     |
| <b>v.) MICR Code:</b>              | 800015002                                                       |
- xvii) While submitting the bids online, the bidder reads the terms & conditions and accepts the same to proceed further to submit the bid packets.
- xviii) The bidder has to select the payment option as offline to pay the Tender FEE/ EMD as applicable and enter details of the instruments.
- xix) The details of the accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise submitted bid will not be acceptable.

- xx) The bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the bid document including General conditions of contract without any exception and have understood the entire document and are clear about the requirements of the tender requirements.
- xxi) The bidder has to upload the relevant files required as indicated in the cover content. In case of any irrelevant files, the bid will be rejected.
- xxii) If the price bid format is provided in a spread sheet file like BoQ\_xxxx.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid/BOQ template must not be modified/replaced by the bidder else the bid submitted is liable to be rejected for this tender.
- xxiii) The bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour.
- xxiv) After the bid submission, the acknowledgement number, given by the e-tendering system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and will also act as an entry pass to participate in the bid opening date.
- xxv) The bidder should ensure/see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is likely/liable to be rejected.
- xxvi) The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The bidders should follow this time during bid submission.
- xxvii) All the data being entered by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & not be viewable by any one until the time of bid opening.
- xxviii) Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- xxix) The confidentiality of the bids is maintained since the secured Socket Layer 128 bit encryption technology is used. Data storage encryption of sensitive fields is done.
- xxx) The bidder should logout of the tendering system using the normal logout option available at the top right hand corner and not by selecting the (X) exit option in the browser.

xxxi) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

xxxii) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315

Technical proposal should include the scanned copies of all the documents indicated in clause 10 of “Letter of Invitation” of RFP.

Financial proposal shall be submitted as per format prescribed in SECTION-5 of RFP.

The Bidder shall submit the duly signed and stamped copies of the documents as specified in clause 10 of “Letter of Invitation” together with their respective enclosures. The Tender fee and EMD should be submitted on or before last date and time of submission of bid to:

Director,  
Inland Waterways Authority of India,  
Gaighat, P.O.- Gulzarbagh, Patna- 800007.

The Bidder shall upload scanned copies of the Technical Proposal and Financial Proposal as specified in point nos. 5.2 & 5.3 above on the <https://eprocure.gov.in/eprocure/app> before 15:00 hours Indian Standard Time on the Application due date i.e. on 19.12.2024.

It may be noted that the scanned copies can be prepared in file format i.e. PDF and/or ZIP only.

Modification / Substitution/ Withdrawal of bids:

- i. The Bidder may modify, substitute or withdraw its e- bid after submission, prior to the Bid Due Date. No Bid shall be modified, substituted or withdrawn by the Bidder on or after the Bid Due Date.
- ii. Any alteration/ modification in the Bid or additional information supplied subsequent to the Bid Due Date, unless the same has been expressly sought for by the Authority, shall be disregarded.

Opening and Evaluation of Applications:

- i. Opening of Proposals will be done through online for both Technical Proposal and Financial Proposal.
- ii. For participating in the tender, the authorized signatory holding Power of Attorney shall be the Digital Signatory. In case the authorized signatory holding Power of Attorney and Digital Signatory are not the same, the bid shall be considered non- responsive.
- iii. The Authority shall open Envelope containing Technical Proposal received as mentioned in Clause nos. 5.2 at 15:30 hours Indian Standard Time on the Application due date in the presence of the Applicants who choose to attend. This Authority will subsequently open the Technical Proposal as mentioned in Clause no.5.2 above and evaluate the Applications in accordance with the provisions set out in the RFP.
- iv. The Financial Proposal will be opened of the short listed applicants who qualify for financial opening as per RFP. The date of opening of Financial Proposal will be notified later on.

Bidder's Proposal

- i. Broad job-description and minimum qualification and experience requirements for personnel mentioned above are given in Annexure-  
In addition to above, the Bidder are required to propose sub-professional staff as detailed in Annexure-D with the minimum qualification and experience requirements as indicated there-in.

**6. Evaluation:**

6.1 A two-stage procedure shall be adopted for evaluating the proposals.

**Technical Proposal**

6.2 The Evaluation Committee appointed by the IWAI shall carry out its evaluation applying the evaluation criteria and point system specified in the data sheet. Each responsive proposal shall be attributed a technical score ( $S_T$ ). Technical Proposals securing 75 points or more shall be short-listed for evaluation of their Financial Proposals. However, if the number of such pre-qualified Bidder is less than two, the Employer may, in its sole discretion, pre-qualify the Bidder whose technical score is more than 60 points, provided that in such an event, the total number of pre-qualified and shortlisted Bidder shall not exceed two.

**Financial Proposal**

6.3 After the evaluation of Technical Proposals is completed and finalized, IWAI will open the Financial Proposals of only technically Qualified Bidders after due notification on the e-procure website, indicating the date and time set for opening of the Financial Proposals.

6.4 The Financial Proposals shall be opened publicly in the presence of the Bidder's representatives who choose to attend.

6.5 The Evaluation Committee will determine whether the submitted Financial Proposals are complete (i.e. whether they have included cost of all items the corresponding proposals; if not, then the cost towards such missing items will be considered as NIL, but the Bidder shall, however, be required to carry out such obligations without any additional compensation. In case under such circumstances, if Employer feels that the work cannot be carried out within the overall cost as per the submitted financial proposal, such proposals shall be considered non responsive.

6.6 Each Financial Proposal shall be assigned a financial score ( $S_F$ ). For financial evaluation, the total cost indicated in the Financial Proposal shall be considered. The Evaluation Committee shall determine whether the Financial Proposals are complete, unqualified and unconditional. The cost indicated in the Financial Proposal shall be deemed as final and reflecting the total cost of services. Omissions, if any, in costing any item shall not entitle the firm to be compensated and the liability to fulfill its obligations as per the TOR within the total quoted price shall be that of the Bidder. The lowest financial proposal will be given a financial score ( $S_F$ ) of 100 points. The financial score of other financial proposals will be computed as follows:

$$(S_F) = 100 \times (F_M) / F \quad \text{where } F = \text{Amount of Financial Proposal,}$$

$$F_M = \text{Lowest financial proposal received}$$

Proposals will finally be ranked according to their combined technical( $S_T$ ) and financial score( $S_F$ ) as follows:

$$S=(S_T) \times T_W+(S_F) \times F_W$$

Where,  $T_W$  and  $F_W$  are weights assigned to technical and financial proposal that shall be 0.75 and 0.25 respectively.

6.7 The work will be awarded to the Bidder having Highest score.

## **7. Award of Contract**

7.1 After completing all the formalities / scrutinizing the proposal, the Employer shall issue a Work Order to the selected Bidder. The selected Bidder will have to sign the contract after fulfilling all the formalities/pre-conditions mentioned in the RFP within 15 days of issuance of the Letter of Acceptance/Work Order duly furnishing the requisite Performance Security as per clause 9 of General Conditions of Contract.

7.2 The successful firm with whom the contract is signed is expected to commence the assignment on the date and at the location specified in the datasheet.

## **8. Performance Clause**

Bidder shall be expected to fully comply with all the provisions of the 'Terms of Reference', and shall be fully responsible for supervising and ensuring that the construction of the project takes place in accordance with the provisions of the Contact Agreement with the executing agency. Failure of the Consultant to notifying IWAI and the Construction agency on non-compliance of the provisions of the Contract agreement with the construction agency, non-adherence to the provision of ToR and non-adherence to the time schedule prescribed under ToR shall amount to non-performance.

The Consultant shall appoint a senior Officer as its authorized representative, who shall correspond with the IWAI besides Team Leader to monitor the performance of its staff, undertake quarterly site inspections and give a report to IWAI on such inspection for comments and suggestions of IWAI for future compliance, issue on behalf of the Consultant, the Provisional Completion Certificate and Completion Certificate and shall carry out any such task as may be decided by IWAI. The Consultant shall take prior approval of IWAI before issuing Provisional Completion Certificate and Completion Certificate. The proposal submitted shall also include the name of the Authorized Representative along with the Authorization letter and Power of Attorney. No separate payment shall be made for such inputs and site visits of the authorized representative as the same shall be treated as incidental to the assignment.

## DATA SHEET

1. The proposal shall be valid for 120 days after the last date of submission- Refer Clause 2.8 of Instructions to Bidders
2. Clarification may be requested 2 days prior to Pre Proposal Conference if any. The address for requesting clarification is:

BETWEEN

Chairperson, Inland Waterways Authority of India represented through-----, Inland Waterways Authority of India, Gaighat, P.O.- Gulzarbagh, Patna- 800007.

IWAI, (Hereinafter referred as the 'Principal/ Owner', which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

AND

.....  
(Name and Address of the Individual/firm/Company) through  
.....(Hereinafter referred to as the  
(Details of duly authorized signatory)  
"Bidder/Consultant" and which expression shall unless repugnant to the meaning or context thereof include its successors and permitted assigns)

Preamble

WHEREAS the Principal / Owner has floated the Tender (NIT No-----I) (hereinafter referred to as "Tender/Bid") and intends to award, under laid down organizational procedure, contract for "Work of Safety and Security at RIS Phase-III (Varanasi, Zamania, Govindpur Khas & Maujampur) during January 2025 to March 2025" hereinafter referred to as the "Contract".

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Consultant(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as "Integrity Pact" or "Pact"), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

### **Article 1: Commitment of the Principal/Owner**

- 1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:
  - (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
  - (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.
  - (c) The Principal/Owner shall endeavor to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- 2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

### **Article 2: Commitment of the Bidder(s)/ Consultant(s)**

1. It is required that each Bidder/Consultant (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the IWAI all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process or award of a contract.
2. The Bidder(s)/ Consultant(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
  - a) The Bidder(s)/ Consultant(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the tender process or execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the contract.
  - b) The Bidder(s)/ Consultant(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.

- c) The Bidder(s)/ Consultant(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contract(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
  - d) The Bidder(s)/ Consultant(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/ Consultant(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.
  - e) The Bidder(s)/ Consultant(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
3. The Bidder(s)/ Consultant(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
  4. The Bidder(s)/ Consultant(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests.
  5. The Bidder(s)/ Consultant(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).

### **Article 3: Consequences of Breach**

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/ Consultant(s) and the bidder/Consultant accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

1. If the Bidder(s)/ Consultant(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days' notice to the Consultant shall have powers to disqualify the Bidder(s)/ Consultant(s) from the tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Consultant from future contract award processes. The imposition and

duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.

2. Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the tender process prior to the award of the contract or terminated/determined the contract or has accrued the right to terminate/determine the contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Consultant.
3. Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a bidder or Consultant, or of an employee or a representative or an associate of a bidder or Consultant which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

#### **Article 4: Previous Transgression**

- 1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- 2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Consultant as deemed fit by the Principal/ Owner.
- 3) If the Bidder/Consultant can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

#### **Article 5: Equal Treatment of all Bidders/Consultants**

- 1) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Consultants.
- 2) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

#### **Article 6: Duration of the Pact**

This Pact begins when both the parties have legally signed it. It expires for the Consultant after expiry of 03 months after the completion of work under the contract.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, IWAI.

**Article 7: Other Provisions**

- 1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarters of the Division of the Principal/Owner, who has floated the Tender.
- 2) Changes and supplements need to be made in writing. Side agreements have not been made.
- 3) If the Consultant is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- 4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- 5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

**Article 8: LEGAL AND PRIOR RIGHTS**

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard to any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

1.1.28 **"Accepted contract Amount"** means the amount accepted in the Letter of Acceptance for the execution and completion of the Works including remedying of any defects.

---

## 2. Interpretations

1.1.29 **“Applicable Law”** means the laws and any other instrument having the force of law in India for the time being.

1.1.30 **“Approval”** means consent by the Employer in writing

2.1 Where the contract so requires, words imparting the singular only shall also include the plural and vice versa. Any reference to masculine gender shall whenever required include feminine gender and vice versa.

2.2 Heading and marginal notes in these General Conditions shall not be deemed to form part thereof or be taken into consideration in the interpretation of construction thereof of the contract.

2.3 Wherever in the Contract, provision is made for the giving or issuing of any notice, consent, approval, certificate or determination by any person, unless otherwise specified such notice, consent, approval, certificate or determination shall be in writing and the words “notify”, “certify” or “determine” shall be construed accordingly. Any such consent, approval, certificate or determination shall not unreasonably be withheld or delayed.

### 2.4 **Law and Language**

The Contract shall be governed by the law of the country (Indian Law). The language for communications shall be English.

### 2.5 **Priority of Documents**

The documents forming the Contract are to be taken as mutually explanatory of one another. For the purposes of interpretation, the priority of the documents shall be in accordance with the following sequence:

- (a) the Contract Agreement,
- (b) the Integrity Agreement
- (c) the Letter of Acceptance / Firm work order
- (d) Special Conditions of Contract
- (e) General Conditions of Contract
- (f) The priced Bill of Quantities
- (g) The Drawings and Annexures.
- (h) The Technical Specification
- (i) Addendum / Corrigendum

- 
- (k) Technical Bid
  - (l) Post bid correspondences and any other document forming part of contract.

If any ambiguity or discrepancy is found in the documents, the Employer /Engineer shall be the sole authority to issue any necessary clarification or instruction in this regard.

#### 2.6 **Contract Agreement**

The Parties shall enter into a Contract Agreement within 28 days after the issue of the Letter of Acceptance. The Contract Agreement shall be in the format annexed to the bid. The costs of stamp duties and similar charges (if any) imposed by law in connection with entry into the Contract Agreement shall be borne by the Bidder.

#### 2.7 **Joint and Several Liability**

If the Contractor constitutes (under applicable Laws) a joint venture or consortium of two or more persons/ companies

- (i) These persons / companies shall be deemed to be jointly and severally liable to the Employer for the performance of the Contract;
- (ii) These persons / companies shall notify the Employer of their leader who shall have authority to bind the Contractor and each of these persons / companies.
- (iii) The Contractor shall not alter its composition or legal status without the written prior consent of the Employer.

### 3. **Signing of Agreement**

- 3.1 (a) The parties to the contract are the contractor and the owner.

- (b) **Authority of Persons signing the Contract on behalf of the Contractor**

A person signing the tender or any other document in respect of the contract on behalf of the contractor without disclosing his authority to do so shall be deemed to warrant that he has authority to bind the contractor. If it is discovered at any time that the person so signing had no authority to do so, the Chairman on behalf of Authority may, without prejudice to any other right or remedy of the owner, cancel the contract and make or authorize the work at the risk and cost of such person and hold such person liable to the owner for all costs and damages arising from the cancellation of the contract including any loss which the owner may sustain on account of such work. The provisions of clause 11 apply to every such work as far as applicable.

(c) **Address of the Contractor and notices & communication on behalf of the Owner**

- (i) For all purposes of the contract including arbitration there under, the address of the contractor mentioned in tender shall be the address to which all communication addressed to the contractor shall be sent, unless the contractor has notified a change by a separate letter containing no other communication and sent by registered post due to Chairman, Inland Waterways Authority of India, R.O., Gaighat, P.O. - Gulzarbagh, Patna – 800007. The Contractor shall be solely responsible for the consequence of an omission to notify a change of address in the matter aforesaid.
- (ii) Any communication or notice on behalf of the owner, in relation to the contract may be issued to the contractor by the owner, and such communications and notices may be served on the contractor either by email or fax or courier or registered post or under certificate of posting or by ordinary post or by hand delivery at the option of the owner.

3.2 **Authority of the Chairperson**

For all purposes of the contract including arbitration proceeding there under, the Chairman on behalf of the Authority shall be entitled to exercise all the rights and powers of the owner.

**4. Performance Security & Security Deposit**

4.1 **For All Bidders including MSE Registered Firms**

The contractor shall be required to deposit an amount equal to 5% of the contract value of the work as Performance guarantee in the form of RTGS/NEFT any nationalized / scheduled bank of India in accordance with the form prescribed within 15 days of the issue of the LOA.

- 4.2 A sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the contractor till the sum along with the sum already deposited as the earnest money in the form of RTGS will amount to security deposit of 5% of the contract value of work. The Earnest money of the successful bidder submitted in the form of RTGS will be retained as Security Deposit. Performance guarantee will not be accepted as security deposit.

In case of MSE registered firms, deduction of a sum of 10% of the gross amount of the bill from each running bill till that amount reaches 5% of the contract value of the work as Security Deposit will also be made.

4.3 **Release of Performance Security & Security Deposit**

The Performance Guarantee shall be valid up to the stipulated date of completion plus ninety days beyond that no claim shall be made against such Performance guarantee and such Performance guarantee shall be returned to the Contractor within 21 days of the completion of the aforesaid period. In case of extension of time, the Contractor shall get the validity of the Performance Guarantee extended to cover such extension of time of the work.

- 
- 4.4 The total security deposit shall remain with the Owner till the completion of the contract or the payment of the final bill payable in accordance with agreement conditions whichever is later, provided the Engineer is satisfied that there is no demand outstanding against the Contractor.
  - 4.5 No interest will be paid on security deposit.
  - 4.6 If the Contractor neglects to observe or fails to perform any of his obligations under the contract, it shall be lawful for the Owner to forfeit either in whole or in part, the Security Deposit furnished by the Contractor. However, if the Contractor duly performs and completes the contract in all respects and presents in absolute "NO DEMAND CERTIFICATE" in the prescribed form, the Owner shall refund the Security Deposit to the Contractor after deduction of cost and expenses that the Owner may have incurred and other money including all losses and damages which the Owner is entitled to recover from the Contractor.
  - 4.7 In case of delay in the progress of work, the Owner shall issue to the Contractor a notice in writing pointing out the delay in progress and calling upon the Contractor to explain the causes for the delay within 3 days of receipt of the notice or 10 days from issuance of notice whichever is earlier. If the Owner is not satisfied with the explanations offered, he may withhold payment of pending bills in whole or in part and / or get the measures of rectification of progress of work accelerated to the pre- defined level at the risk and cost of the Contractor and if necessary, forfeit the Security Deposit.
  - 4.8 All compensation or other sums of money payable by the Contractor under the terms of the contract or any other contract or on any other account whatsoever, may be deducted from or paid by the sale of a sufficient part of his security or from any sums which may be due or may become due to the Contractor by the Owner on any account whatsoever. Also in the event of the Contractor's Security Deposit falls short of such deductions or sale, as aforesaid the Contractor shall, within 14 days of receipt of notice of demand from the Employers representative make good the deficit in his Security Deposit.
  - 4.9 In case the contractor fails to commence the operation after handing over of the survey launch to him or when the contractor has defaulted for more than thirty days or when covered from the contract as penalty or deduction and the contractor fails to pay such amount even after due notice is given to him in this regard, the Owner shall at its own discretion encase the bank guarantee furnished as performance guarantee and /or recover the sum from his security deposit.

**5. Sufficiency of Tender**

- 5.1 The contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates quoted in the schedule of Quantities and Prices which shall

(Except as otherwise provided in the contract) cover all his obligations under the contract and all matters and things necessary for the proper execution and completion of the works in accordance with the provisions of the contract and its operation during execution of work.

**6. Contract Documents**

- 6.1 The language in which the contract documents shall be drawn up shall be English and if the said documents are written in more than one language, the language according to which the contract is to be constructed and interpreted shall be English.
- 6.2 The Contractor shall be furnished free of charge certified true copy of the contract document.
- 6.3 A copy of the Contract Documents furnished to the Contractor as aforesaid shall be kept by the Contractor on the Site in good condition and the same shall at all reasonable time be available for inspection and use by the Engineer-in-Charge, his representatives or by other Inspecting officers of the Authority.
- 6.4 None of these Documents shall be used by the Contractor for any purpose other than that of this contract.

**7. Discrepancies and Adjustmen  
of Errors**

- 7.1 In case of discrepancy between the Schedule of Quantities and prices, Specifications, the following order of precedence shall be observed: -
- (a) Description in the Schedule of Quantities and Prices.
- (b) Relevant Specifications and Special Conditions, if any.
- 7.2 The contractor shall study and compare the drawings, specifications and other relevant information given to him by the Engineer-in-Charge and shall report in writing to the Engineer-in-Charge any discrepancy and inconsistency which he notes. The decision of the Engineer-in-Charge regarding the correct intent and meaning of the drawings and specifications shall be final and binding.
- 7.3 Any error in description, quantity or price in Schedule of Quantities and Prices or any omission there from shall not vitiate the Contract or release the Contractor from the execution of the whole or any part of the work(s) comprised therein according to specifications or from any of his obligations under the contract.
- 7.4 If on check there is difference in the amount worked out by contractor in the schedule of quantities and prices and General summary the same shall be adjusted in accordance with the following rules:
- (a) In the event of error/discrepancy occurring in the rates written in figures and words, then the rate which corresponds with the amount worked out by the contractor shall, unless otherwise proved, be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rate written either in figures or in words, then the rate quoted by the contractor in words shall be taken as correct.

---

**Inland Waterways Authority of India**

(Ministry of Ports, Shipping and Waterways Govt. of India)

When the rate quoted by the contractor in figures and words tally, but the amount is not worked out correctly, the rate quoted by the contractor will, unless or otherwise proved, be taken as correct.

- (b) All errors in totaling in the amount column and in carrying forward totals shall be corrected.
- (c) The totals of various sections of schedule of quantities and price amended shall be carried over to the General Summary and the tendered sum amended accordingly. The tendered sum so altered shall, for the purpose of tender, be substituted for the sum originally tendered and considered for acceptance instead of the original sum quoted by the tenderer. Any rounding off of quantities or in sections of schedule of quantities and prices or in General summary by the tenderer shall be ignored.

**8. Duties And Powers of the  
Engineer-In- Charge  
Representative**

- 8.1 The duties of the representative of the Engineer-in-Charge are to watch and supervise the work performed by various category of crew deployed on board with respect to discharge of the intended duty and also check the performance of various engines and machineries, account of P.O.L., repairs & maintenance.  

The Engineer-in-Charge may, from time to time in writing, delegate to his representative any of the powers and authorities, vested in the Engineer- in- Charge and shall furnish to the contractor a copy of all such written delegation of powers and authorities. Any written instruction or written approval given by the representative of the Engineer-in-Charge to the contractor within the terms of such delegation shall bind the contractor and the Authority as though it has been given by the Engineer-in- Charge.
- 8.2
- 8.3 Failure of the representative of the Engineer-in-Charge to disapprove any work or materials shall be without prejudice to the power of the Engineer-in-Charge thereafter to disapprove such work. The contractor shall, at his own expense, again carry out such works as directed by the Engineer-in-Charge.
- 8.4 If the Contractor is dissatisfied with any decision of the representative of the Engineer-in-Charge, he will be entitled to refer the matter to the Engineer-in- Charge who shall thereupon confirm, reverse or vary such decision and the decision of the Engineer-in-Charge in this regard shall be final and binding on the contractor.

**9. Assignment And Sub-Letting**

9.1 The Contractor shall not sub-let, transfer or assign the whole or any part of the work under the contract. Provided that the Engineer-in-Charge may at his discretion, approve and authorize the Contractor to sub-let any part of the work, which in his opinion, is not substantial, after the contractor submits to him in writing the details of the part of the work(s) or trade proposed to be sublet, the name of the sub-contractor thereof together with his past experience in the said work/trade and the form of the proposed sub-contract. Never the less any such approval or authorization by the Engineer-in-Charge shall not relieve the contractor from his any or all liabilities, obligations, duties and responsibilities under the contract. The contractor shall also be fully responsible to the Authority for all the acts and omissions of the sub-contractor, his employees and agents or persons directly employed by the contractor. However, the employment of piece rate works shall not be construed as sub-letting.

**10. Facilities to Other Contractors**

10.1 The contractors shall, in accordance with the requirements of the work as decided by the Engineer-in- Charge, afford all reasonable facilities to other contractors engaged contemporaneously on separate contracts and for departmental labour and labour of any other agency properly authorized by Authority or any statutory body which may be employed at the site for execution of any work not included in the contract which the Authority may enter into in connection with or ancillary to the works. In all matters of conflict of interest, the Engineer-in-Charge shall direct what compromise should be made and his decision shall be final and binding on the parties.

**11. Change in the Constitution of The Firm to be Intimated**

11.1 Where the contractor is a partnership firm, prior approval in writing of the Engineer-in-Charge shall be obtained before any change is made in the constitution of the firm. Where the contractor is an individual or a Hindu Undivided Family business concern, such approval, as aforesaid, shall like-wise be obtained before the contractor enters into any partnership agreement where under the partnership firm would have the right to carry out the works hereby undertaken by the contractor. If prior approval as aforesaid is not obtained the contractor shall be deemed to have been assigned in contravention to Clause 31 hereof and the same action will be taken and the same consequences shall ensue as provided for in the saidclause-31.

**12. Commencement of Work**

12.1 The contractor shall commence the work and supply the manpower at the respective sites / vessels within 15 days of the issue of Letter of Acceptance Award. If the contractor commits default in mobilization of resources, and equipment as aforesaid, the Engineer-in-Charge shall without prejudice to any other right or remedy be at liberty to cancel the contract and forfeit the earnest money/security deposit.

**13. Works to be carried out in accordance with specification and orders etc.**

- 13.1 The contractor shall execute the whole and every part of the work in the most substantial and workman like manner in strict conformity with the specifications laid down in the contract document or as may be laid down by the Engineer-in-Charge under the terms of the contract. The contractor shall also conform exactly, fully and faithfully to the specifications and instructions in writing in respect of the work, duly signed by the Engineer-in-Charge as may be issued from time to time.
- 13.2 The contractor shall be entitled to receive, on demand, in addition to the contract documents, in accordance with the provisions of contract, the documents set forth herein in respect of the work on commencement or during the performance of the contract.
- (a) Specifications or revisions thereof from time to time.
- (b) Explanations, instructions etc.  
Such further explanation, modifications and instruction, as the Engineer- in-Charge may issue to the contractor from time to time in respect of the work shall be deemed to form integral part of the contract and the contractor shall be bound to carry out the work accordingly.
- 13.3 All instructions and orders in respect of the work shall be given by the Engineer-in-Charge in writing. However, any verbal instructions or order shall be confirmed by the Engineer-in-Charge as soon as practicable without loss of time and only such written instruction shall be deemed to be valid.

**14. Setting Out the Works**

14.1

The contractor shall provide all assistance and adhere to the instruction of E.I.C during the course of surveying, inspection, etc.

**15. Urgent Work**

15.1

If any urgent work (in respect of which the decision of the Engineer-in- Charge shall be final and binding) becomes necessary, the contractor shall execute the same as may be directed by Engineer-in-Charge, provided the directions are in accordance and confirmatory with provisions in Clause – 8.

**16. Deviations, Variations and Extent**

16.1

The Engineer-in-Charge shall have power (i) to make alteration in, omissions from, additions to, or substitutions for the original specifications and instructions that may appear to him to be necessary or advisable during the progress of the work, and (ii) to omit a part of the works for any reasons and the contractor shall be bound to carry out the works in accordance with any instructions given to him in writing signed by the Engineer-in-Charge and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted work which the contractor may be directed to do in the manner specified above as part of the works, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided.

---

**17. Contractor's Supervision**

- 17.1 The contractor shall either himself supervise the execution of the works or shall appoint at his own expense, a qualified and experienced Engineer as his accredited agent approved by the Engineer-in-Charge, if contractor has himself not sufficient knowledge or experience to be capable of receiving instruction or cannot give his full attention to the works. The contractor or his agent shall be present at the site(s) and shall supervise the execution of the works with such additional assistance in each trade, as the work involved shall require and considered essential by the Engineer-in-Charge. Further the directions/instructions given by the Engineer-in-Charge to the contractor's agent shall be considered to have the same force as if these had been given to the contractor himself.
- 17.2 If the contractor fails to appoint a suitable agent as directed by the Engineer-in-Charge, the Engineer-in-Charge shall have full powers to suspend the execution of the works until such date as a suitable agent is appointed by the contractor and takes over the charge of supervision of the work. For any such suspension, the contractor shall be held responsible for delay so caused to the work.

- 18. Instructions and Notice**
- 18.1 Except as otherwise provided in this contract, all notices to be given on behalf of the Authority and all other actions to be taken on its behalf may be given or taken by the Engineer-in-Charge or any officer for the time being entrusted with the functions, duties and powers of the Engineer-in- Charge.
- 18.2 All instructions, notices and communications etc. under the contract shall be given in writing and any such oral orders / instructions given shall be confirmed in writing and no such communication which is not given or confirmed in writing shall be valid.
- 18.3 All instructions, notices and communications shall be deemed to have been duly given or sent to the contractor, if delivered to the contractor, his authorized agent, or left at, or posted to the address given by the contractor or his authorized agent or to the last known place of abode or business of the contractor or his agent of services by post shall be deemed to have been served on the date when in the ordinary course of post these would have been delivered to him and in other cases on the day on which the same were so delivered or left.
- ~~19. Vessels Including Engines & Machineries~~
- ~~19.1 The vessel required to be manned as specified for different stretches of the National Waterway shall be provided / handed over to the contractor by IWAI.~~
- ~~19.2 The contractor shall provide the required man power for the proper functioning during the tenancy of the contract in accordance with terms and conditions, specifications of the contract and instructions of the Engineer in-charge.~~
- 20. Laws Governing the Contract**
- The Courts at Patna only shall have the jurisdiction for filing the award of the arbitration and for any other judicial proceedings.
- ~~21. Work during night or on Sundays and holidays~~
- ~~21.1 Subject to any provisions to the contrary contained in the contract, none of the works shall be carried out during Sundays and national holidays without the permission in writing of the Engineer in Charge. However, when work is unavoidable or necessary for safety of life, property or works, contractor shall take necessary action immediately and advise the Engineer in Charge accordingly.~~
- ~~21.2 The Engineer in Charge at its discretion may, however, direct the contractor that the work may be carried out on holidays, Sundays and/or in extra shifts to ensure completion of works under the contract as scheduled.~~

**22. Floating Personnel**

- 22.1(a) ~~The contractor shall provide personnel in required numbers for operation, maintenance & running repair of vessels to the satisfaction of the Engineer in Charge. The Contractor shall not employ in connection with the works any person who has not completed eighteen years of age the minimum age specified in Indian Labour Law.~~
- (b) ~~The minimum qualification and essential / desirable experience for each manpower to be deployed is given in Section VI: ToR.~~
- (c) ~~If any foreigner is employed by the contractor on the work within the site the later shall ensure that such foreigner possesses the necessary special permit issued by the Civil Authorities in writing and also comply with the instructions issued there from from time to time. In the event of any lapse in this regard on the part of such foreigner the contractor shall be personally held responsible for the lapse & IWAI shall not be liable in any event.~~
- (d) ~~The Contract is liable for cancellation if either the contractor himself or any of his employee is found to be a person who has held Class I post under the IWAI immediately before retirement and has within two years of such retirement accepted without obtaining the previous permission of the IWAI or of the Chairman as the case may be and employment as contractor for, or in connection with the execution of the public works, or as an employee of such contractor. If the contract is terminated on account of the failure of the contractor to comply with the above clause, the IWAI shall be entitled to recover from him such damages as may be determined by the Engineer in Charge with due regard to the inconvenience caused to the IWAI on account of such termination without prejudice to the IWAI's right to proceed against such officer.~~
- 22.2 The contractor shall in respect of personnel employed by him either directly or through sub-contractor comply with or cause to be complied with the contract labour (Regulation and Abolition) Act 1970 amended from time to time and Rules framed there under in regard to all matters provided therein.
- 22.3 The Contractor shall also comply with the provisions of all Acts, Laws, any Regulation or Bye Laws of any Local or other Statutory Authority applicable in relation to the execution of works such as:
- (i) Payment of Wages Act, 1936 (Amended)
- (ii) Minimum Wages Act, 1948 (Amended).
- (iii) The Contract Labour (Regulation & Abolition) Act, 1970 with Rules framed there under as amended.
- (iv) Workmen Compensation Act, 1923 as amended by Amendment Act no.65 of 1976.
- (v) Employer's Liability Act 1938 (Amended)

- (vi) The Industrial Employment (Standing orders) Act 1946 (Amended).
- (vii) The Industrial Disputes Act. 1947 (Amended)
- (viii) Payment of Bonus Act.1965 and Amended Act No. 43 of 1977 and No. 48 of 1978 and any amended thereof:
- (ix) The Personal Injuries (Compensation Insurance) Act 1963 and any modifications thereof and rules made there under from time to time. The Contractor shall take into account all the above and financial liabilities in his quoted rates and nothing extra, whatsoever, shall be payable to him on this account.

The list is indicative only; otherwise the contractor should be aware of all the Acts/Labour Laws and should follow diligently on the work. The contractor shall be fully and personally responsible for the violation of any Act/Labour Law

- 22.4 The Contractor shall be liable to pay his contribution and the employees contribution to the State Insurance Scheme in respect of all labour employed by him for the execution of the contract, in accordance with the provision of "the Employees State insurance Act 1948" as amended from time to time. In case the Contractor fails to submit full details of his account of labour employed and the contribution payable, the Engineer- in- Charge shall recover from the running bills the contribution amount as assessed by him. The amount so recovered shall be adjusted against the actual contribution payable for Employees State Insurance
- 22.5 The Engineer-in-Charge shall on a report having been made by an inspecting officer as defined in the Contract Labour (Regulation and Abolition) Act and Rules or on his own in his capacity as Principal Employer, have the power to deduct from the amount due to the contractor any sum required for making good the loss suffered by worker(s) by reason of non-fulfillment of the conditions of the Contract for the benefit of Workers, nonpayment of remuneration or on account of deduction made from the remuneration of the workers which are not justified by the terms of the contract or non- observance of the said Act and Rules framed there under with amendments made from time to time.
- 22.6 The Contractor shall indemnify the Authority against any payments to be made under and for observance of the Regulation Laws, Rules as stipulated in Clause-22.4 above without prejudice to his right to claim indemnity from his sub-contractors. In the event of the contractor's failure to comply with the provisions of all the Acts/Laws stipulated in Clause-22.4 or in the event of decree or award or order against the contractor having been received from the competent authority on account of any default or breach or in connection with any of the provisions of the Acts/Laws/Rules mentioned in Sub-Clause 22.4 above, the Engineer-in- Charge without prejudice to any other right or remedy under the contract shall be empowered to deduct such sum or sums from the Bill of the contractor or from his security deposit or from other payment due under this contract or any other contract to satisfy

within a reasonable time the provisions of the various Acts/Laws/Rules/Codes as mentioned under Sub-Clause 22.4 above, on the part of the contractor under the contract on behalf of and at the expenses of the contractor and make payment and /or provide amenities/ facilities/services accordingly. In this regard, the decision of the Engineer-in-Charge shall be conclusive and binding on the contractor.

- 22.7 In the event or the Contractor committing a default or breach of any of the provisions of the aforesaid Contract's Labour (Regulation and Abolition) Act and Rules as amended from time to time or furnishing any information or submitting or filling any form/Register/Slip under the provisions of these Regulations which is materially incorrect then on the report of the Inspecting officer as defined in the relevant Acts and Rules as referred in Clause 22.4 above, the Contractor shall without prejudice to any other liability pay to the Authority a sum not exceeding Rs.50/- (Rs. Fifty only) as liquidated damages for every default, breach or furnishing, making, submitting, filling materially incorrect statement as may be fixed by the Engineer-in-Charge. The decision of the Engineer-in-Charge in this respect shall be final & binding.
- 22.8 The Contractor shall at his own expenses comply with or cause to be complied with the Provisions/ Rules provided for welfare and health of Contract Labour in the Contract Labour (Regulation and Abolition) Act and other relevant Acts and Rules framed there under or any other instructions issued by the Authority in this regard for the protection of health and for making sanitary arrangements for workers employed directly or indirectly on the works. In case the contractor fails to make arrangements as aforesaid, the Engineer-in-Charge shall be entitled to do so and recover the cost thereof from the contractor.
- 22.9 The Contractor shall at his own expense arrange for the safety or as required by the Engineer-in-Charge, in respect of all Personnel employed for performance of the Works and shall provide all facilities i.e. shirt, Pant, Pair of shoes, woolen clothes, boiler suit (for engine room crew) and rain coat / gloves etc. (for deck crew) in connection therewith. In case the contractor fails to make arrangements and provide necessary facilities as aforesaid, the Engineer-in-Charge shall be entitled to do so and recover the cost thereof from the Contractor. But this will not absolve the contractor of his responsibility or otherwise thereof.
- 22.10 In the event of any injury, disability or death of any workmen in or about the work employed by the contractor either directly or through his sub-contractor, contractor shall at all-time indemnify and save harmless the Authority against all claims, damages and compensation under the Workmen Compensation Act. 1923 as amended from time to time or in other Law for the time being in force and Rules there-under from time to time and also against all costs, charges and expenses of any smooth action by proceedings arising out of such accidents or injury, disability or death of a workmen and against all sum or sums which may with the consent of the contractor be paid to compromise or compound any claim in this regard. If any award, decree or order is passed against the contractor for recovery of any compensation under the Workmen Compensation Act, 1923, for any injury, disability or death of a workmen

by any competent court, the said sum or sums shall be deducted by the Engineer-in-Charge from any sum then due or that may become due to the contractor or from his security deposit or sale thereof in full or part under the contract or any other contract with the Authority towards fulfillment of the said decree, award or orders.

- 22.11 Provided always that the contractor shall have no right to claim payments/claims whatsoever on account of his compliance with his obligations under this clause and Labour Regulations.
- 22.12 The contractor shall not otherwise than in accordance with the statutes ordinance and Government Regulations or orders for the time being in force import, sell, give, barter or otherwise dispose of any alcoholic liquor or drugs to permit or suffer any such import, sale, gift, barter or disposal by his sub-contractor, agent or employees.
- 22.13 The contractor shall not give, barter or otherwise dispose of to any person or persons any arms or ammunition of any kind or permit to suffer the same as aforesaid.
- 22.14 The Contractor shall employ for the execution of the works only such persons as are skilled and experienced in their respective trades and Engineer-in-Charge shall be at liberty to object to and require the contractor to remove from the works any persons employed by the Contractor for the execution of the works who, in the opinion of the Engineer-in-Charge, misconduct himself or is incompetent or negligent in the proper performance of his duties.

The contractor shall forthwith comply with such requisition and such person shall not be again employed upon the works without permission of the Engineer-in-Charge.

### **23. Force Majeure**

- 23.1 The term Force Majeure shall herein mean Riots (other than among the contractor's employees), Civil Commotion (to the extent no insurable), war (whether declared or not), invasion, act of foreign enemies, hostilities, civil war, rebellion, revolution, insurrection, military or usurped power, damage from aircraft, nuclear fission, acts of God, such as earthquake (above 7 magnitude on Richter Scale), lightning, unprecedented floods, fires not caused by contractor's negligence and other such causes over which the contractor has no control and are accepted as such by the Engineer-in-Charge, whose decision shall be final and binding. In the event of either party being rendered unable by Force Majeure to perform any obligation required to be performed by them under this contract, the relative obligation of the party affected by such Force Majeure shall be treated as suspended for the period during which such Force Majeure cause lasts, provided the party allowing that it has been rendered unable as aforesaid, thereby shall notify within 15 days of the alleged beginning and ending thereof giving full particulars and satisfactory evidence in support of such cause.

23.2 For delays arising out of Force Majeure, the bidder shall not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure and neither the Authority nor the bidder shall be liable to pay extra costs provided it is mutually established that Force Majeure conditions did actually exist.

23.3 If any of the Force Majeure conditions exists in the places of operation of the bidder even at the time of submission bid, he shall categorically specify in his bid and state whether they have been taken into consideration in their quotations.

**24. Liability for damage, defects or imperfections and rectification thereof**

24.1 If the personnel supplied by the contractor injure any person or destroy or damage any item belonged to IWAI including the vessel on which they are deployed during the tenure of a contract, the contractor shall upon receipt of a notice in writing in that behalf from Engineer-in-charge make good the same at his cost.

24.2 All damages caused by accidents or carelessness of the contractor or any of his employees or any property belonging to the Authority is wasted or is misused by the contractor or any of his employees shall be to the account of the contractor, who shall make good the loss.

**25. Contractor's Liability and Insurance**

25.1 From commencement to completion of the work(s) as a whole, the Contractor shall take full responsibility for the care thereof and for taking precautions to prevent loss or damage by the personal supplied by the contractor. He shall be liable for any damage or loss that may happen to the vessel, engines, machineries, Equipment and Material which shall be in good order and condition and in conformity in every respect with the requirements of the Contract and instructions of the Engineer-in-Charge.

25.2 Neither party to the contract shall be liable to the other in respect of any loss or damage which may occur or arise out of "Force Majeure" to the works or any part thereof on to any material or article at site but not incorporated in the works or to any person or anything or material whatsoever or either party provided such a loss or damage could not have been foreseen or avoided by a prudent person and the either party shall bear losses and damages in respect of their respective men and materials. As such liability of either party shall include claims/ compensations of the third party also.

25.3 Provided, however, in an eventuality as mentioned in sub-clause - 25.2 above, the following provisions shall also have effect:

- (a) The Contractor shall, as may be directed in writing by the Engineer-in- Charge proceed with the completion of the works under and in accordance with the provisions and conditions of the contract, and
- (b) The Contractor shall, as may be directed in writing by the Engineer-in- charge, at his own cost, repair and make good so much of the loss or damage as has been occasioned by any failure on his part to perform his obligations under the contract or not taking precautions to prevent loss or damage or minimize the amount of such loss or damage, Final assessment of loss or damage shall be decided by the Engineer-In-Charge and his decision shall be final and binding.

- 25.4 The navigable waterways shall not be blocked by Contractor's vessels. The anchors dropped in the waterways shall be properly marked and removed after done with.
- 25.5 The contractor shall indemnify and keep indemnified the Authority against all losses and claims for death, injuries or damage to any person or any property whatsoever which may arise out of or in consequence of the operation of vessels during the contract period and also against all claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect of or in relation thereto, and such liabilities shall include claims/compensations of the third party.
- 25.6 (a) Before commencing execution of the work, the Contractor shall without in any way limiting his obligations and responsibilities under this condition, insure against any damage, loss or injury which may occur to any property (excluding that of the Authority but including the Authority building rented to the contractor wholly or in part and any part of which is used in part and any part of which is used by him for storing combustible materials) public liability by arising out of the carrying out of the contract. For this purpose the contractor shall take out, pay all costs and maintain throughout the period of his contract public liability with the following coverage.
- (i) Public liability limits for bodily injury or death not less than Rs. 1,00,000 for one person and Rs. 2,00,000 for each accident.
  - (ii) Property liability limits for each accident not less than Rs. 1,00,000/-
  - (iii) The Contractor shall prove to the Engineer-in Charge from time to time that he has taken out all the insurance policies referred to above and has paid the necessary premiums for keeping the policies alive till legacy of the contract.
- (b) The Contractor shall ensure that similar insurance policies are taken out by his sub-contractor (if any) and shall be responsible for any claims or losses to the Authority resulting from their failure to obtain adequate insurance protection in connection thereof. The Contractor shall produce or cause to be produced by his sub-contractors (if any) as the case may be, relevant, policy or policies and premium receipt as and when required by the Engineer-in-Charge.
- (c) If the contractor and/or his sub- contractor (if any) shall fail to effect and keep in force the insurance referred to above or any other insurance which he/they may be required to effect under the term of the Contract then and in any such case the Authority may, without being bound to effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time deduct the amount so paid by the Authority from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor.

- 26. Foreclosure of contract in full or in part due to abandonment or reduction in scope of work**
- 26.1 If at any time after acceptance of the tender the Authority decides to abandon or reduce the scope of the works for reason whatsoever and hence does not require the whole or any part of the works to be carried out, the Engineer-in-Charge (with the prior approval of competent authority mentioned in scheduled 'B') shall give notice in writing to that effect to the contractor and the Contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he could not derive in consequence of the fore closure of the whole or part of the works.
- 27. Termination of contract on death**
- 27.1 If the Contractor is an individual or a proprietary concern and the individual or the proprietor dies, or if the Contractor is a partnership concern and one of the partners dies, then, unless the Engineer-in- Charge is satisfied that the legal representatives of the individual contractor or of the proprietor of the proprietary concern and in the case of partnership, the surviving partners are capable of carrying out and completing the contract, the Engineer-in-Charge shall be entitled to terminate the Contract as to its incomplete part without the Authority being in anyway liable to payment of any compensation whatsoever on any account to the estate of the deceased Contractor and/or to the surviving partners of the Contractor's firm on account of termination of the Contract. The decision of the Engineer-in-Charge that the legal representatives of the deceased contractor or the surviving partners of the Contractor's firm cannot carry out and complete the works under the contract shall be final and binding on the parties. In the event of such termination, the Authority shall not hold the estate of the deceased Contractor and/or the surviving partners of the Contractor's firm liable for damages for not completing the contract. Provided that the power of the Engineer-in-Charge of such termination of contract shall be without prejudice to any other right or remedy which shall have accrued or shall accrue to him under the contract.
- 28. Carrying Out Part of Work at the Risk and Cost of the Contractor**
- 28.1 If the contractor
- (i) At any time makes default during the currency of work or does not execute any part of the work with due diligence and continues to do so even after a notice in writing of 7 days in this respect from the Engineer- in-Charge; **or**
  - (ii) Commits default in complying with any of the terms and conditions of the contract and does not remedy it or takes effective steps to remedy it within 7 days even after a notice in writing is given in that behalf by the Engineer-in-Charge; **or**
  - (iii) Fails to complete the work (s) or items of work with individual dates of completion, on or before the date (s) so determined, and does not complete them within the period specified

in the notice given in writing in that behalf by the Engineer-in-Charge.

- 28.2 The Engineer-in-Charge without invoking action under clause 37 may, without prejudice to any other right or remedy against the contractor which have either accrued or accrue thereafter to IWAI, by a notice in writing to take the part work/ part incomplete work of any item (s) out of his hands and shall have powers to:
- (a) Carry out the part work/ part incomplete work of any items (s) by any me at the risk and cost of the contractor.
- 28.3 The Engineer-in-Charge shall determine the amount, if any, is recoverable from the contractor for completion of the part work/ part incomplete work of any item (s) taken out of his hands and execute at the risk and cost of the contractor, the liability of contractor on account of loss or damage suffered by IWAI because of action under this clause shall not exceed 10% of the tendered value of the work.
- 28.4 In determining the amount, credit shall be given to the contractor with the value of work done in all respect in the same number and at the same rate as if it had been carried out by the original contractor under the terms of his contract. The certificate of the Engineer-in-Charge as to the value of work done shall be final and conclusive against the contractor provided always that action under this clause shall only be taken after giving notice in writing to the contractor. Provided also that if the expenses incurred by the IWAI are less than the amount payable to the contractor at his agreement rates, the difference shall not be payable to the contractor.
- 28.5 Any excess expenditure incurred or to be incurred by IWAI in completing the part work/ part incomplete work of any item (s) or the excess loss of damages suffered or may be suffered by IWAI as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to IWAI in law or as per agreement be recovered from any money due to the contractor on any account, and if such money is insufficient, the contractor shall be called upon in writing and shall be liable to pay the same within 30days.
- 28.6 If the contractor fails to pay the required sum within the aforesaid period of 30 days, the Engineer-in-Charge shall have the right to recover the same in accordance with the provisions of the contract.
- 28.7 In the event of the above course being adopted by the Engineer-in- Charge, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any engagements or made any advance on any account or with a view to the execution of the work or the performance of the contract.
- 29.1 The Engineer-in-Charge will make available to the contractor the required work to enable the contractor to commence & proceed with the execution of the work in accordance with agreed programme. If there is any delay in work the competent authority as specified in Schedule-'B' on the recommendations of the Engineer-in- Charge shall grant reasonable extension of time for commencement of work but the contractor shall not claim any compensation whatsoever on this account.

**29. Completion Time and Extensions**

29.2 If after the award of the work the contractor commits defaults in commencing the execution of work as aforesaid, IWAI shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee absolutely.

29.3 However, if the commencement of the work (s) be delayed by: -

- (i) Force majeure as per clause 23, or
- (ii) Abnormally bad weather, or
- (iii) Serious loss or damage by fire, or
- (iv) Civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or
- (v) Delay on the part of other contractors or tradesman engaged by Engineer-in-Charge in executing work not forming part of the contract, or
- (vi) Non-availability of stores, which are the responsibility of Government to supply or
- (vii) Non-availability of breakdown of Tools and Plant to be supplied or supplied by Government or
- (viii) Any other cause which, in the absolute discretion of the Engineer-in- Charge is beyond the Contractor's control.

then immediately upon the happening of any such events as aforesaid, the contractor shall inform the Engineer-in-Charge accordingly, but the contractor shall nevertheless use constantly his best endeavors to prevent and/or make good the delay and shall do all that may be required in this regard. The Contractor shall also request, in writing, for extension of time, to which he may consider himself eligible under the contract, within fourteen days of the date of happening of any such events as indicated above.

(Clarification with regard to point (vi) above, the survey launches will be handed over to the contractor and it is the responsibility of the contractor to arrange for any store or tools required during the contract period for maintenance and operation).

29.4 Request for extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay on the prescribed form to the competent authority as indicated in Schedule 'B'. The Contractor may also, if

practicable, indicate in such a request the period for which extension is desired.

29.5 In any such case as may have arisen due to any of the events, as aforesaid, and which may have been brought out by the contractor in writing, the Competent Authority mentioned in Scheduled 'B' may give a fair and reasonable extension of time, after taking into consideration the nature of the work delayed and practicability of its execution during the period of extension.

29.6 Such extensions shall be communicated to the contractor by the Engineer-in-Charge in writing. The contractor shall not be entitled to claim any compensation or over run charges whatsoever for any extension granted.

**30. Liquidated Damages for Delay**

30.1 If the contractor fails to supply the required manpower for more than 72 hrs., he shall without prejudice to any other right or remedy of the Authority on account of such default, pay compensation (not by way of penalty) at the rate of twice the amount payable to the contractor for the period of non-supply of those number of manpower which he has failed to supply or the crew have remained absent and in the event of more than three such occasions of non-supply or absence of manpower or more than 10% of the manpower required to be supplied are either not supplied or remained absent then the compensation to be paid will be at the rate of @1.5 % per month of delay to be computed on per day basis on the total value of the contract subject to a maximum of 10% of the total value of the contract.

30.2 The amount of liquidated damages may be adjusted or set-off against any sum payable to the contractor under this or any other contract with the authority.

30.3 All sums payable by way of compensation under any of the conditions will be considered as reasonable compensation without reference to the actual loss or damage which will have been sustained.

30.4 Payment of such damages shall not relieve the contractor of his obligation to complete the work or from any other of his obligation or liabilities under the contract.

**31. When the Contract can Be Determined**

31.1 Subject to other provisions contained in this clause, the Engineer-in- Charge may, without prejudice to his any other rights or remedy against the contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this contract or otherwise, and whether the date of completion has or has not elapsed, by notice in writing absolutely determine the contract in any of the following cases:

(i) If the contractor having been given by the Engineer-in-Charge a notice in writing to rectify, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or un-workman like manner shall omit to comply with the requirement

of such notice for a period of seven days thereafter.

- (ii) If the contractor has, without reasonable cause, suspended the progress of the work or has failed to proceed with the work with due diligence so that in the opinion of the Engineer he will be unable to secure completion of the work by the date for completion and continues to do so after a notice in writing of seven days from the Engineer.
- (iii) If the contractor fails to complete the work within the stipulated date or items of work with individual date of completion, if any stipulated, on or before such date(s) of completion and does not complete them within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge.
- (iv) If the contractor persistently neglects to carry out his obligations under the contract and/or commits default in complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-Charge.
- (v) If the contractor shall offer or give or agree to give to any person in IWAI service, or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of contract.
- (vi) If the contractor shall obtain a contract with IWAI as a result of wrong tendering or other non-bonafide methods of competitive tendering or commits breach of integrity pact.
- (vii) If the contractor being an individual, or if a firm, any partner thereof shall at any time be adjust insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any Insolvency Act for the time being enforce for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors.
- (viii) If the contractor being a company shall pass a resolution or the court shall make an order that the company shall be wound up or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or the creditor to appoint a receiver or a manager or which entitle the court to make a winding up order.

- (ix) If the contractor shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days.
  - (x) If the contractor assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or otherwise parts with or attempts to assign, transfer, sublet or otherwise parts with the entire works or any portion thereof without the prior written approval of the Engineer -in-Charge.
- 31.2 When the contractor has made himself liable for action under any of the cases aforesaid, the Engineer- in-Charge on behalf of the IWAI with the approval of the competent authority shall have powers:
- (i) To determine the contract as aforesaid (of which termination notice in writing to the contractor under the hand of the Engineer-in-Charge shall be conclusive evidence). Upon such determination, the Earnest Money Deposit, Security Deposit already recovered and Performance Guarantee under the contract shall be liable to be forfeited and shall be absolutely at the disposal of the IWAI.
  - (ii) After giving notice to the contractor to measure up the work of the contractor and to take such whole, or the balance or part thereof: as shall be un-executed out of his hand and to give it to another contractor to complete the work. The contractor, whose contract is determined as above, shall not be allowed to participate in the tendering process for the balance work.
  - (iii) the event of above courses being adopted by the Engineer-in- Charge, the contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of the contract. And in case action is taken under any of the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereof or actually performed under this contract unless and until the Engineer- in-Charge has certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.

**32. Inspection**

- 32.1 Periodic inspection will be carried out by the EIC or his representative by their vessels. The contractor can have the inspection schedules finalized with the Engineer-in-charge. Generally all attempts should be made to have joint inspection and number of inspections be not less than two in a calendar month.

**33. Payment on Account**

- 33.1 All the payments to be made for the services provided for by the Contractor shall be made, on reimbursable basis, directly to the Contractor, who shall raise its invoices accordingly on a monthly basis.

- 33.2 Towards its fee for the services rendered to IWAI, the Contractor shall be paid “Administrative and Management Charges”, excluding GST, at the rate approved through the tender in terms of percentage of the Cost to his Organization (CTO) for rendering the actual professional support services to IWAI
- 33.3 The Contractor will submit the invoices/bills in triplicate on the 6th day of every month for reimbursement along with a declaration that remuneration of all the staff deployed has been paid. Payments to the Contractor would be strictly on certification by the concerned officer that the services were satisfactory and attendance as per the bill preferred by the service provider. The payment shall be made by IWAI within 30 days from the date of receipt of the invoice only on the basis of number of working days for which duty has been performed by each manpower. Amount deducted from the bill / claim for the days of absence in a month shall be as per the approved rate per day per person quoted by the Contractor.
- 33.4 The invoice(s) shall be accompanied by supporting documents including copies of receipts issued by the personnel/employees to the Contractor in respect of payment of salary/ remuneration, allowances, reimbursements etc., acknowledgement/ receipts issued by concerned Government Departments in respect of and towards proof of deduction and deposit of ESI, EPF, GST, etc., as applicable, besides copies of bills/ payment proof in respect of consumables purchased, if any

**Note:** The Contractor shall pay remuneration to the outsourced staff only through ECS by 5th of the following month without waiting for the clearance of bill from IWAI. The details in this regard will accompany the monthly invoice submitted for reimbursement to IWAI. Also, the statutory remittances claimed from IWAI should be evidenced by relevant documentary proof.

**34. Taxes, duties and levies etc.**

- 34.1 The prices shall include all the taxes, levies, cess, octroi, royalty, terminal tax, excise, or any other local, State or Central taxes as applicable/ charged by Centre or State Government or Local authorities that the Contractor has to bear for the services and the Authority will not entertain any claim for compensation whatsoever in this regard.

**35. Tax Deduction at Source**

- 35.1 TDS GST TDS at the applicable rate as per Income Tax Act/Rules shall be deducted from all the payment/advances made against the contract.

**36. Payment of final bill**

- 36.1 The final bill shall be submitted by the contractor within one month from the date of completion of the work or of the date the certificate of completion furnished by the Engineer-in-Charge. No further claim in this regard unless as specified herein under shall be entertained. Payment of final bill shall be made within three months if the amount of the contract is up to Rs. 15 lakhs and six months if the value of the work exceeds Rs. 15 lakhs. If there shall be any dispute about any item or items of the work then the undisputed item or items only shall be paid within the said period of three months or six months, as the case may be. The contractor shall submit a list of the disputed items within thirty days from the dis allowance thereof and if he fails to do so, his claim shall be deemed to have been fully waived and absolutely extinguished.

**37. Over Payments and Under Payments**

- 37.1 Whenever any claim whatsoever for the payments of a sum of money to the Authority arises out of or under this contract against the contractor, the same may be deducted by the Authority from any sum then due or which at any time thereafter may become due to the contractor under this contract and failing that under any other contract with the Authority or from any other sum whatsoever due to the contractor from the Authority or from his security deposit, or he shall pay the claim on demand.
- 37.2 The Authority reserves the right to carry out post- payment audit and technical examination of the final bill including all supporting vouchers, abstracts, etc. The authority further reserves the right to enforce recovery of any over payment when detected notwithstanding the fact that the amount of the final bill may be included by one of the parties as an item of dispute before an arbitrator appointed under clause 40 of this contract and notwithstanding the fact that the amount of the final bill figures in the arbitration award.
- 37.3 If as a result of such audit and technical examination any over payment is discovered in respect of any work done by the contractor or alleged to have been done by him under contract, it shall be recovered by the Authority from the contractor by any of all of the methods prescribed above, and if any under payment is discovered, the amount shall be duly paid to the contractor by the Authority.
- 37.4 Provided that the aforesaid right of the Authority to adjust over-payment against amount due to the contractor under any other contract with the Authority shall not extend beyond the period of two years from the date of payment of the final bill or in case the final bill is a MINUS bill, from the date the amount payable by the Contractor under the MINUS final bill is communicated to the contractor.
- 37.5 Any sum of money due and payable to the Contractor (including the security deposit returnable to him) under the contract may be withheld or retained by way of lien by the Engineer-in-Charge or Authority against any claim of the Authority or such other person or persons in respect of payment of a sum of money arising out of or under any other contract made by the contractor with the Engineer-in-Charge or Authority or with such other person or persons. The sum of money so withheld or retained under this clause by the Engineer-in-Charge or Authority will be kept withheld or retained as such by the Engineer-in- Charge or Authority or till his claim arising out of in the same contract is either mutually settled or determined by the arbitrator, if the contract is governed by the arbitration clause under the clause 40 or by the competent court hereinafter provided, as the case may be, and the contractor shall have no claim for interest or damages whatsoever on this account or any other ground in respect of any sum of money withheld or retained under this clause.

**38. Finality clause**

- 38.1 It shall be accepted as an inseparable part of the contract that in matters regarding contract specifications, mode of procedure and the carryout of the work, the decision of the engineer-in-charge which shall be given in writing shall be final and binding on the contractor.

- 39. Sum Payable by Way of Compensation to be considered as Reasonable without preference to actual Loss**
- 39.1 All sum payable by way of compensation to the Authority under any of these conditions shall be considered as reasonable compensation without reference to the actual loss or damage sustained and whether or not damage shall have been sustained.
- 40. Settlement of disputes & arbitration.**
- 40.1 Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications and instructions here-in-before mentioned and as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:
- (a) If the contractor considers any work demanded of him to be outside the requirements of the contract, or disputes any record or decision given in writing by the Engineer-in-Charge on any matter in connection with or arising out of the contract or carrying out of the work, to be unacceptable, he shall promptly within 15 days of the receipt of decision from the Engineer-in-Charge request the Director in writing through the Engineer- in-Charge for written instruction or decision. Thereupon, the Director shall give his written instructions of the decision within a period of one month from the receipt of the contractor's letter. However, this will not be reason for the stoppage of work.
- (b) If the Director fails to give his instructions or decision in writing within the aforesaid period or if the contractor is dissatisfied with the instruction or decision of the Director the contractor may, within 15 days of the receipt of Director's decision, appeal to the Chairman, IWAI who shall afford an opportunity to the contractor to be heard, if the latter so desires, and to offer evidence in support of his appeal. The Chairman, IWAI shall give his decision within 30 days of receipt of contractor's appeal. If the contractor is still dissatisfied with his decision, the contractor shall within a period of 30 days from receipt of the decision, give notice to the Chairman, IWAI for appointment of arbitrator on prescribed Performa as per Appendix V, failing which the said decision shall be final binding and conclusive and not referable to adjudication by the arbitrator.
- 40.2 Except where the decision has become final, binding and conclusive in terms of Sub Para 40.1 above, disputes or differences shall be referred for adjudication through arbitration by a sole arbitrator appointed by Chairman, IWAI.
- 40.3 Further, within thirty (30) days of receipt of such notice from either party, the Engineer-in-Charge of work at the time of such dispute shall send to the Contractor a panel of three persons preferably but not

Necessarily from the approved panel of arbitrators being maintained by Indian Council of Arbitration (ICA) and thereafter the Contractor within fifteen (15) days of receipt of such panel communicates to the Engineer-in-charge the name of one of the persons from such panel and such a person shall then be appointed as sole arbitrator by the Chairman, IWAI. However, the arbitrator so appointed shall not be an officer or the employee of Inland Waterways Authority of India.

Provided that if the Contractor fails to communicate the selection of a name out of the panel so forwarded to him by the Engineer-in-charge then after the expiry of the aforesaid stipulated period the Chairman, shall without delay select one person from the aforesaid panel and appoint him as the sole arbitrator.

- 40.4 The arbitrator to whom the matter is originally referred being transferred or vacating his office or being unable to act for any reason, then the Chairman IWAI shall appoint another person to act as sole arbitrator, such person shall be entitled to proceed with the reference from the stage at which it was left by the predecessor.
- 40.5 The award of the Arbitrator shall be final and binding. The Arbitrator shall decide in what proportion the Arbitrator's fees, as well as the cost of Arbitration proceeding shall be borne by either party.
- 40.6 The arbitrator with the consent of the parties can enlarge the time, from time to time to make and publish his award.
- 40.7 A notice of the existence in question dispute or difference in connection with the contract unless served by either party within 30 days after the issue of Defects Liability Certificate, failing which all rights and claim under this contract shall be deemed to have been waived and thus forfeited and absolutely barred.
- 40.8 The work under this contract shall continue during arbitration proceedings and no valid payments due from or payment by the Employer shall be withheld on account of such proceedings except to the extent, which may be in dispute.
- 40.9 The Arbitration shall be conducted in accordance with the provisions of the Arbitration & Conciliation Act, 1996 read with the Arbitration & Conciliation (Amendment) Act, 2015 or any statutory modifications or re- enactment thereof and the rules made thereunder for being in force shall apply to the arbitration proceeding under this clause.  
The Arbitrator shall have the power to enlarge the term to rate the award with the consent of the parties provided always that the commencement or continuation of the arbitration proceeding shall not result in cessation or suspension of any of other rights and obligations of the parties of any payments due to them hereunder. The venue of the arbitration proceedings shall be at Patna. It is further clarified that both the parties to this agreement hereby undertake not to have recourse to civil court to solve any of their dispute whatsoever, arising out of this agreement except through arbitration.

In case of contract with another Public Sector Undertaking, following Arbitration Clause shall apply: "In the event of any dispute or difference relating to the interpretation and application of the provisions of commercial contract(s) between Central Public Sector Enterprises (CPSEs) / Port Trusts inter se and also between CPSEs and Government Departments / Organizations (excluding disputes concerning Railways, Income Tax & Excise Departments), such dispute or difference shall be taken up by either party for resolution through AMRCD as mentioned in DPE OM No. 4(1)/2013-DPE(GM)/FTS-1835 dated 22<sup>nd</sup> May 2018.

**40.10 Jurisdiction & Venue**

The parties to the agreement hereby undertake to have recourse only to arbitration proceedings under for Arbitration & Conciliation Act, 1996 read with the Arbitration & Conciliation (Amendment) Act, 2015 or any statutory modifications or re-enactment thereof and the venue of the arbitration proceeding shall be Patna and the parties will not have recourse to Civil Court to settle any of their disputes arising out of this agreement except through arbitration.

**41. Claims**

- 41.1 The contractor shall send to the Engineer-in-Charge once in every month on account giving particulars, as full and detailed as possible of all claims for any additional payment to which the contractor may consider himself entitled and of all extra work or additional work ordered in writing and which has been executed during preceding month.
- 41.2 No claim for payment of any extra work or expenses will be considered which has not been included in such particulars. The Engineer-in-Charge may consider payment for any such work or expense, where admissible under the terms of the Contract.
- 41.3 Any claim which is not notified in two consecutive monthly statements for the two consecutive months shall be deemed to have been waived & extinguished.

**42. Interest**

- 42.1 No interest shall be payable on account due to the contractor against final bills or any other payment due under the contract.

**43. Removal of Contractor's Men**

- 43.1 The Contractor shall employ for the execution of the works only such persons as are skilled and experienced in their respective trades and Engineer-in-Charge shall be at liberty to object to and require the contractor to remove from the works any person(s) employed by the Contractor for the execution of the works who, in the opinion of the Engineer-in-Charge, misconduct himself or is incompetent or negligent in the proper performance of his duties. The contractor shall forthwith comply with such requisition and such person shall not be again employed upon the works without permission of the Engineer-in-Charge.

**44. Termination of  
Contract in Full or in  
Part**

44.1 If the contractor

- (i) commits default in complying with or commits breach of any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it immediately and not later than 10 days in any case after a notice in writing is given to him in that behalf by the Engineer- in-Charge; or
- (ii) fails to complete the work (s) or any item of work (s) within the time or any extended time under the contract and does not complete the work (s) or any item of works within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge ; or
- (iii) assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not being incorporated in the work shall not be deemed to be subletting) or attempts to assign, transfer or sublet the entire works or any portion thereof without the prior written approval of the Engineer-in-Charge. The Engineer-in-Charge shall have powers to terminate the contract in full or in part as aforesaid without prejudice to any other right or remedy which shall have accrued or shall accrue of which cancellation notice in writing to the Contractor under the hand of the Engineer-in-Charge shall be conclusive evidence.
- (iv) IWAI reserve the right to terminate the contract any time before expiry by issue of one month's written notice to the contractor. For such foreclosure no compensation for reduction in scope shall be payable to the contractor. Similarly, if the contractor wants to withdraw or foreclose the contract he shall have to give three months' notice failing which it will result in forfeiture of the security deposit. Any loss or damage suffered by IWAI due to such foreclosure of the contract by the contractor will be deducted from the performance security and from any balance amount payable to the contractor from this contract or any other contract.

44.2 **Risk & Cost**

- (i) The Engineer-in-Charge shall, on such termination of the contract, have powers to complete the incomplete work or part of the same and if the expenses incurred or to be incurred by the Authority for carrying out and completing the incomplete work or part of the same, as certified by the Engineer-in-Charge, are in excess of the value of the work credited / to be credited to the contractor, the difference shall be paid by the contractor to the Authority. If the contractor fails to pay such an amount, as aforesaid, within thirty days of receipt of notice in writing from the Engineer-in-Charge, the Engineer-in-Charge shall be empowered to recover such amount from any sum due to the contractor on any account under this or any other contract or from his security deposit or otherwise.
- (ii) Any dispute or difference in respect of either the interpretation effect or application of the above conditions or of the amount recoverable there under by the Owner from the Contractor, shall be decided by the Chairman.

**Appendix-A: Bank Guarantee Proforma for Performance Security**

**To**

The Chairperson  
Inland waterways Authority of India  
Ministry of Shipping, Govt. of India  
Gaighat, P.O.- Gulzarbagh,  
Patna- 800007

In consideration of the ..... (hereinafter called “**Employer**”) having to enter in to an Agreement with M/s ..... (herein after called the “**Consultant**) as a follow up to the Letter Acceptance no.....dated..... issued by the Employer for ..... **2**, on production of Performance security in the form of Bank Guarantee for Rs.....(Rupees..... only), at the request of .....**Consultant**, We, (**Bank**) do hereby undertake to pay to the Employer an amount not exceeding Rs.....(Rupees-----only) against any default or failure on the part of Consultant to perform the contract in accordance with terms & conditions or any breach of the said Agreement.

1. We, (**Bank**) do hereby undertake to pay the amount due and payable under this Guarantee without any demur, merely on a demand from the Employer stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by the Employer by reason of breach by the said **Contract** or any of the terms or conditions contained in the said time frame or by reason of the **Consultant’s** failure to perform the said Agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs.....(Rupees..... only).
2. We, (**Bank**) undertake to pay the Employer any money so demanded not withstanding any dispute or disputes raised by the **Consultant** in any suit or proceeding pending before any court or Tribunal relating thereto, liability under this present being absolute and unequivocal. The payment so made by us under this guarantee shall be valid discharge of our liability for payment there under and the **Consultant** shall have no claim against us for making such payment.
3. We, (**Bank**) further agree that the guarantee here in contained shall remain in full force and effect till completion of project work to the complete satisfaction of the Employer in terms of conditions of contract and Letter of Acceptance and that it shall continue to be enforceable till all the dues of the Employer under or by virtue of the said Agreement have been fulfilled and its claim satisfied or till the scheduled date of completion of Works as per the Agreement. We(Bank) shall consider that the term sand conditions of the said Agreement have been fully and properly carried out by the said **Consultant** and accordingly discharge this Guarantee after 90 days from the date of completion of the said contract unless a demand or claim under this Guarantee is served by the Employer in writing on the bank but before the expiry of the said period in which case it shall been force able against the bank not with standing the fact that the same is enforced after the expiry of the said period or after the extended period as the case may be.

4. We (**Bank**) further agree with the Employer that the Employer shall have fullest liberty without our consent and without affecting in any manner our obligations here under to vary any of the terms and conditions of the said Agreement or to extend time or performance by the said **Consultant** from time to time or to postpone for any time or from time to time any of the powers exercisable by the Employer against the said **Consultant** and to for bear or enforce any of the terms and conditions relating to the said Agreement and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said **Consultant** or for any for bearance, act or omission on the part of the Employer or any indulgence by the Employer to the said **Consultant** or by any such matter or thing whatsoever which under the law relating to sureties would, but for the provision, have effect of so relieving us.
5. It shall not be necessary for the Employer to proceed against the **Consultant** before proceeding against the Bank and the guarantee herein contained shall be enforce able against the bank notwithstanding any security which the Employer may have obtained or obtain from the **Consultant** at the time when proceedings are taken against the bank here under be outstanding or unrealized.
6. Not with standing any thing contained herein above our liability under the guarantee is restricted to Rs.....(Rupees.....only) and shall remain in force until.....or otherwise until the extended date by the Employer. Unless a claim or suit under this guarantee is filed with us on or before or the extended date.....  
ALL OUR RIGHTS UNDER THE GUARNTEE SHALL BEFORFEITED and the Bank shall be relieved and discharged from all liabilities therein.
7. This Guarantee will not be discharged due to the change in the constitution of the Bank or the **Consultant**.
8. We, (**Bank**) lastly undertake not to revoke this Guarantee during its currency except with the previous consent of the Employer in writing.
