No. IWAI/Fin./Medical facility/2014-15

Date: 03.03.2015

CIRCULAR

The Competent Authority has approved the following modifications in the existing medical facilities to eligible Officers and Staff at IWAI Head Office and Regional Offices:

1. One month's pay (Band Pay + Grade Pay) of the previous year as on 31st March would be considered and fixed for all categories of serving employees for OPD treatment. However, the OPD limit for 36 chronic diseases is hereby raised from 50% to 100%. The list of 36 chronic diseases is enclosed at **Annex - 'A'**. In case an employee avails OPD consultancy in a hospital, it would be preferable to purchase medicines from the pharmacy shop in the same hospital or any CGHS empanelled pharmacy.
2. For IPD treatment, the permission letters would be issued to empanelled Hospitals for treatment of employees and their dependent family members as and when required. The bills would be settled according to CGHS rates. Medical advances would be paid to the concerned hospital for employees in emergency cases only with the approval of the Competent Authority.
3. For further improvement, streamlining and stabilizing medical treatment facilities to IWAI employees, IWAI has empanelled 13 CGHS empanelled Hospitals having accreditation under NABH and NABL. These hospitals have expressed their willingness to provide IPD services on authorization basis and OPD on cash basis at CGHS rates under a formal agreement. Efforts are underway to extend this facility for hospitals such as Escorts, MAX, Fortis, Vedanta, Apollo, NIH etc. The list of empanelled hospitals is enclosed at **Annex - 'B'**.
4. In case any employee visits a hospital or a Registered Medical Practitioner outside the empanelled hospitals, the reimbursement will be restricted to CGHS rates.
5. In this regard, I-Cards to all Employees (serving and retired) of the IWAI and their dependents would be issued after collecting details.
