6	Section 7 TOR - Clause No. 7 (xvi)	Numerical Model Studies 2D Model Studies shall be carried out to access the extent of scouring at the Kalughat Terminal and conclude the length required for bank protection	Numerical Model Studies 2D Model Studies shall be carried out to assess the extent of scouring, TSSC cum PMC consultant is to review the Numerical Model Studies

Inland Waterways Authority Of India Jal Marg Vikas Project

RFP No: IN – IWAI – 255177 – CS-QCBS

Amendment – 2 dated 26.11.2021

CPPP Tender ID : 2021_JMVP_654848_1

		work. The model studies shall include the effects of overtopping of river discharge and construction of proposed berth and approach trestle on stability of bank.	Submitted by the EPC Contractors to assess the extent of Siltation , Scouring etc submitted by the EPC Contractor. at the Kalughat Terminal and conclude the length required for bank protection work. The model studies shall include the effects of overtopping of river discharge and construction of proposed berth and approach trestle on stability of bank.
		Existing Text	Clarification
1	Clause No. 14.1.2 of Data Sheet at Page 23 of the RFP.	Estimated input of Key Experts' time-input: 114 Man Months Estimated input of non Key Experts' time input : 96 Man months	The particular Key Expert has to deployed for specific time period during period of work execution & Bidder shall apportion the breakup of time-input for each Experts. within the stated man months. The Broad list of experts is detailed at SI no 18 of TOR.
2	Clause No. 14.1.1 of SCC Sheet at Page 114 of the RFP.	The time period shall be Twenty four (24) months + Twelve (12) months of 'Defect liability period of EPC Contract', i.e. Thirty Six (36) months The Consultant would submit a quotation for Twenty four (24) months only as the Twelve (12) months of 'Defect liability period of EPC Contract' requires minimum one visit a month as per Clause 8.(f) of ToR. The contract is, further, extendable by 12 months or till completion of EPC Contract, on same terms and conditions, if required	The Bidder shall Quote overall for 24 months with a provision for DLP experts (preferably Civil Engineering expert who can also identify Electrical & Mechanical defects) for 12 months under the heading of Non-key experts. Bidder to consider DLP Expert for DLP Period under Non-Key Experts apart from other Non-Key experts. The expenditure towards DLP Period shall be Quoted separately under Reimbursables For reference FIN-3 & FIN- 4 are attached
3	Section 7 TOR - Clause No. 7 (xvi) & Clause No. 21.1 (iii) Part-B of Data Sheet	Key Experts' qualifications and competence for the Assignment: i. Design Experts (Civil, Electrical, Mech) The Consultant shall from a multi-disciplinary team (the "Consultancy Team") for undertaking this assignment.	The EPC contractor's Design & Drawings are required to be vetted by the TSSC cum PMC, therefore corresponding experts shall be engaged on need basis as per submission of the documents by the EPC Contractor.
4	All other terms & Conditions of the Tender documents remains Un-altered
